Doesn't hurt a bit! Drop a little "Freezone" on an aching corn, instantly that corn stops hurting, then shortly you lift it right off with fingers. Truly! DODSON STOPS SALE OF CALOMEL

"Dodson's Liver Tone" is Taking Place of Dangerous, Sickening Chemical, Say Druggists

Every druggist in town has noticed a great falling off in the sale of calomel. They all give the same reason. Dodson's Liver Tone is taking its place. "Calomel is dangerous and people know it." Dodson's Liver Tone is personally guaranteed by every druggist who sells it. A large bottle doesn't cost very much but if it fails to give easy relief in every case of liver sluggishness and constipation, just ask for your money back.

His Status.

"I hear the druggist thinks himself one of the biggest men in this town." "I dare say he has a right to look on himself as a pillar of the community."

Dodson's Liver Tone is a pleasant-tasting, purely vegetable remedy, harmless to both children and adults. Take a spoonful at night and wake up feeling fine; no biliousness, sick headache, acid stomach or constipated bowels. It doesn't gripe or cause inconvenience all the next day like violent calomel. Take a dose of calomel today and tomorrow you will feel weak, sick and nauseated. Don't lose a day.—Adv.

No Advance Information.

"Do you believe in love at first sight?" "There is no second sight about it, is there?"

"Cold in the Head"

is an acute attack of Nasal Catarrh. Those subject to frequent "colds in the head" will find that the use of HALL'S CATARRH MEDICINE will build up the system, cleanse the blood and render them less liable to colds. Repeated attacks of Acute Catarrh may lead to Chronic Catarrh. HALL'S CATARRH MEDICINE is taken internally and acts through the Blood on the Mucous Surfaces of the System, thus reducing the inflammation and restoring normal conditions. All Druggists. Circulars free. F. J. Cheney & Co., Toledo, Ohio

Not to Be Outdone.

Frances, Janet and Eleanor were discussing the respective merits of the babies in their households, and Frances had led off with:

"My baby brother is only four months old and he has two teeth already."

"My little sister," announced Janet, "is only five months old and she has three."

"That's nothing," said Eleanor. "My little brother hasn't any teeth yet, but when he does have some they are going to be gold ones!"

Dr. Peery's "Dead Shot" not only expels Worms or Tapeworm but cleans out the mucus in which they breed and tones up the digestion. One dose sufficient.—Adv.

As Told in Greenfield.

Back in the dim distant years when the high cost of living was not an ever present problem and some things were cheap, James Whitcomb Riley walked into a barber shop at Greenfield for a 5-cent shave. The proprietor of the shop was an old negro.

"Well, Sam, how are you getting along?" Mr. Riley asked.

"Mr. Jim, I had a very good day." Sam replied. "If I could make 75 cents between now and quittin' time I'd have \$1."

Such is the story as told in Greenfield.—Indianapolis News.

EATONIC Users —Do This—Get the Greatest Benefits

Chicago, Ill.—Thousands of reports from people all over the U. S. who have tested eatonic, show the greatest benefits are obtained by using it for a few weeks, taking one or two tablets after each meal.

Eatonic users know that it stops Belching, Bloating, Heartburn, and Stomach Miseries quickly, but the really lasting benefits are obtained by using eatonic long enough to take the harmful excess acids and gases entirely out of the system. This requires a little time, for eatonic takes up the excess acidity and poisons and carries them out of the body and of course, when it is all removed, the sufferer gets well, feels fine—full of life and pep.

If you have been taking an eatonic now and then, be sure and take it regularly for a time and obtain all of these wonderful benefits. Please speak to your druggist about this, so that he can tell others that need this help. Adv.

BAD RISK TO KEEP SICK

Insurance Companies Won't Take a Man Who Suffers Continually From Stomach or Liver Troubles.

Acoworth, Ga.—"We have used Black-Draught in our family for years, and can say I never have found a liver medicine that could equal it," writes Mrs. J. A. Millwood, of this place. "It is fine for indigestion, headache and sour stomach," she continues.

"I use it for the family, and certainly feel it has saved me a lot of money."

"I am glad to recommend Black-Draught, and am sure if others would use it they would be as glad as I've been."

"Thousands of families keep Theodor's Black-Draught in the house all the time, for use at the first sign of indigestion, constipation, colic, colds and fever, thereby preventing illnesses that might develop seriously."

When you notice that you are bilious, have a bad taste in the mouth, coated tongue, offensive breath, or if you are dizzy at times, restless, sleep poorly—do not neglect your liver. It is calling for prompt treatment. Use Theodor's Black-Draught. Its merit is widely acclaimed from long, satisfactory use.

Watch Your Kidneys!

That "bad back" is probably due to weak kidneys. It shows in a dull, throbbing backache, or sharp twinges when stooping. You have headaches, too, dizzy spells, a tired nervous feeling and irregular kidney action. Don't neglect it—there is danger of dropsy, gravel or Bright's disease! Use Doan's Kidney Pills. Thousands have saved themselves more serious ailments by the timely use of Doan's. Ask your neighbor!

How About Your Catarrh? Do You Want Real Relief?
Then Throw Away Your Sprays and Other Makeshift Treatment.
Why? Simply because you have overlooked the cause of catarrh, and all of your treatment has been misdirected. Remove the cause of the clogged-up accumulations that choke up your air passages, and they will naturally disappear for good. But no matter how many local applications you use to temporarily clear them away, they will promptly re-appear until their cause is removed.
S. S. S. is an antidote to the millions of tiny Catarrh germs with which your blood is infested. A thorough course of this remedy will cleanse and purify your blood, and remove the disease germs which cause Catarrh.
