## Go Farther on Goodyear Tires in Your Small Car

It is tire performance, not price, that decides what you really pay; hence, do not experiment with tires made to sell at sensationally low prices.

You can secure in Goodyear Tires, of the 30x3, 30x3½ and 31x4-inch sizes, a high relative value not exceeded even in the famous Goodyear Cord Tires on the world's finest automobiles.

Goodyear experience and care are applied to their manufacture in the world's largest tire factory devoted to these sizes.

If you own a Ford, Chevrolet, Dort, Maxwell or other car taking these sizes, go to your nearest Service Station for Goodyear Tires; take advantage of the opportunity to get true Goodyear mileage and economy.

30 x 3½ Goodyear Double-Cure Fabric, All-Weather Tread \$23.50  
 30 x 3½ Goodyear Single-Cure Fabric, Anti-Skid Tread \$21.50

Goodyear Heavy Tourist Tubes cost no more than the price you are asked to pay for tubes of less merit—why risk costly casings when such sure protection is available? \$4.50

## ∴ Inferior Goods Knocked Out ∴

In the long run, good goods win every time. It has been our principle ever since we started in business to handle only the very best grades we could get. We have been particularly careful about our canned goods. Every brand that we sell can be depended upon. We know the canners—know them to be reliable—else we do not buy from them.

We carry a complete line of Staple and Fancy Groceries and your child can shop here as well, quickly, and pleasantly as you.

We appreciate the patronage that has been given us and pay particular attention to phone orders.
