

**INTERESTING LETTER FROM RUTHERFORDTON**

**Party Given by Mrs. J. Linwood Robinson—Near East Drive "Over the Top"—Thursday Afternoon Club Entertained.**

Rutherfordton, March 6.—One of the most charming parties of the season was that given by Mrs. J. Linwood Robinson at her beautiful home on Washington street, Wednesday afternoon from 3:30 to 6 o'clock. Quantities of carnations and potted plants were arranged in artistic fashion in the living and dining room. Mrs. Robinson was assisted in entertaining by Miss Laura Abrams. Each guest was asked to write an advertisement. Mrs. G. F. Hovis received the prize, a beautiful luncheon set for writing the best ad. A most delicious salad course with accessories was served by the hostess and Miss Abrams.

Mrs. Fred D. Hamrick entertained the Thursday afternoon club from 3 until 6 o'clock. The house was beautifully and appropriately decorated. Mrs. Agnes McFarland received the prize for writing the best verse. Mesdames Curtis Twitty and John O. Wood added much to the pleasure of the afternoon by singing several duets, accompanied by Mrs. Hamrick. The

hostess, assisted by Misses Fannie Dickerson and Ruby Hicks served a delightful salad course. A number of guests enjoyed the afternoon to the utmost.

Friday afternoon Mrs. Robinson was again hostess at two tables of bridge. After interesting rubbers were played, Mrs. Robinson served an attractive salad course. Each guest received a lovely box of Martha Washington candy.

The Near East Drive has gone over the top in Rutherford county. The county's quota was \$1,380. Chairman Gallert announced today that the drive is over the top and funds keep coming in. The county also went over the top in the Woodrow Wilson Foundation drive.

Work will begin soon on the new Baptist church here. Pledges were taken Sunday. The church will be very modern and will cost about \$30,000.

The political pot in Rutherford will boil soon. There is gossip on the streets as to who will be a candidate for the various offices.

Rutherfordton will likely get a new postoffice building at an early date, according to an interview with Congressman Weaver recently. The government has owned a lot to erect the building on for some time.

Mr. and Mrs. J. F. Flack are

visiting friends and relatives in Chattanooga.

The U. D. C. held their March meeting with Mrs. W. R. Hill Friday afternoon. A collection was taken for the benefit of the Women's Confederate Home.

Born to Dr. and Mrs. Robert H. Crawford, a fine boy.

**WANTS STRING BAND FOR FOREST CITY**

Mr. O. C. Turner has requested the Courier to call a meeting to be held at the Moss-Reinhardt Furniture Company's store next Friday night, at 7:30 o'clock, at which time steps will be taken to form a string band to be composed of local talent. It is urged that every music lover be in attendance at this meeting—especially the young men who have musical talent. However, it is not essential that you already be a string instrument player to join, as the club will have as teacher Dr. Wm. R. Hicks, of Chesnee, S. C., who is said to be one of the very best musicians in this section of the country. With an instructor of this class, Forest City should easily turn out one of the best string bands in the state.

Let everyone interested in the formation of this musical club be present at the meeting Friday night, so that the organization of the club can be made and steps taken at once for the beginning of the work of training.

See Mr. Turner for more complete information on the subject.

**SUMMER TOURISTS FARES TO BE CUT BY SOUTHERN**

Washington, D. C., Feb. 28.—General Passenger Agent H. F. Cary, of the Southern Railway System, announces that the Southern will put in round-trip tourist rates to mountain and seashore resorts for the coming summer season at 80 per cent of the double one-way fares, which is a very substantial reduction under the tourist fares in effect last summer. For example, where the one-way fare is \$10.00, the round-trip rate this summer will be \$16.00. Last year the round-trip rate would have been \$18.00 plus \$1.44 war tax, making a total of \$19.44. These rates will apply from all stations to all mountain and seashore resorts reached by the Southern and are expected to have a great effect in stimulating tourist travel.
