BIRD'S ROOFS

Here's a Beautiful Roof

SO good looking it adds a touch of prosperity to any residence. Colors—natural slate green, red, or black.

So long wearing it will pleasantly remind you of its economy for years to come.

Bird's American Twin Shingles are really two shingles in one, easily picked up and laid with one hand, and self-spacing. 10" in length. They will not catch fire from falling sparks. Made of the same materials as Paroid Roofing.

We know from experience that Bird's American Twin Shingles make good—that's why we sell them.
