POPULAR MANAGER CLIFFSIDE STORES TO WED TODAY

Wedding of Mr. B. D. Wilson and Miss Della Stamey, at Bride's Home, to Be Brilliant Social Event.

One of the most brilliant and interesting social events ushering in the month of June, the month of brides, is the marriage of Miss Della Stamey the beautiful and cultured daughter of Mr. and Mrs. Tom Stamey of Fallston, to Mr. B. D. Wilson of Cliffside, which is scheduled to take place Thursday evening, June 1 at 8 o'clock.

The wedding will take place in the elegant home of the bride at Fallston, and will be one of the largest attended home weddings ever held in that county. A beautiful color note of orchid and pink will transform the house into a bower of bridal loveliness.

Over two hundred guests have been invited. Prior to the ceremony, which will be performed by Rev. J. Marcus Kester of the First Baptist church of Shelby, a beautiful musical program will be rendered, Mrs. Max Bryant of Durham will play the violin, Miss Mabel Quinn will sing "At Dawning," while Miss Laura Claywell of Morganton will render, "Because." Mrs. Alfred Forbes Duckett, a charming matron of Raleigh, will be dame of honor, while the bride's sister, Miss Carline Stamey, will be her maid of honor. Dr. Bobo Scruggs, a prominent young physician of Cliffside, will act as best man to the groom.

Especially interesting to Rutherford county will be the marriage of one of her noblest sons to the fair bride of his choice. Mr. "Deck" Wilson is the son of Mr. and Mrs. M. L. Wilson, of Rutherfordton, and is a young man who has made a wonderful success in the business world—due entirely to his own merits. He stands today as a shining mark to the young men of his county, who can well try to emulate his career. Mr. Wilson is one of Rutherford county's most successful young business men, and at his early age has reached the eminence of being manager of the great Cliffside stores. He has well merited his high place. Mr. Wilson graduated at Mars' Hill and has been with the Cliffside management for fourteen years. The Courier sincerely joins his host of friends in extending best wishes and hopes for him a long and happy married life.

LATTIMORE TO BUILD \$17,000 BRICK SCHOOL

Since the act allowing the state to issue bonds to aid school districts in the erection of modern school buildings has been held constitutional by the Supreme Court, Lattimore has applied for a loan and will receive it. A \$17,000 brick school building with eight rooms, an auditorium and offices will be erected this year. About four acres of land was purchased from Mr. Gideon Price at \$1,000 an acre. This land lies right in the town of Lattimore. Mr. Price donated \$1,000 to the school and an appropriate memorial will be provided for his son, Ed Price who died in the world war. Just the nature of the memorial has not been learned. A tablet may be put up or a spot of ground reserved where a memorial library building will be erected for Soldier Price. Citizens raised about \$2,000 so that the actual cost of the ground for the building has been greatly reduced.
