

NEW MASONIC TEM-
PLE FOR FOREST CITY

Permanent Organization of the
Masonic Temple Association
Formed—Contemplate Erec-
tion of Fine New Building.

Forest City will have a fine new three story Masonic Temple, if plans formed at a meeting of the Masonic Temple Association last Friday night are carried out.

The property of Mr. Will Moss, corner of East Main and Powell streets has been purchased. This lot has a frontage of 65 feet on Main street and 100 on Powell.

Sufficient stock in the Association has almost been pledged to make the building of the temple an assured fact.

At a meeting of the stockholders held last Friday night in the Masonic Hall, a permanent organization was formed and officers and directors elected. The meeting was opened with the election of G. M. Edwards, chairman, and J. A. Wilkie, clerk.

After a discussion of the plans of the Temple Association, the election of officers and directors was taken up, and the following were elected:

President—G. M. Edwards.
Vice President—T. R. Padgett.
Secretary—B. H. Long.
Treasurer—T. G. Stone.
Directors—The above officers and J. H. Thomas, J. A. Wilkie, F. I. Barber.

The directors were ordered to draft a set of by-laws to be submitted to the stockholders, the committee being composed of J. M. Edwards, B. H. Long, T. G. Stone and J. A. Wilkie.

The building of the Masonic Temple will be a big move forward in the progress of Forest City, and will prove to be a great investment upon the part of the stockholders. Stock will be held by members of the order. The building under consideration is proposed as a three story brick of modern construction. The plans have not as yet been drawn, but the Association proposes to erect a building that will be a credit to the order and the town.

Let every Mason get behind this movement and help to get through the plans for the new temple. It is not only needed, but will prove a good investment, and will be a handsome addition to our growing little city.

Feast For Fans.

There are three great outstanding amateur baseball teams in western North Carolina—Henrietta Mills, Shelby and Kings Mountain. The championship rests between these teams and has been a much mooted question.

Kings Mountain is coming to Caroleen Park Friday, Aug. 18, game called at 5 p. m.

Shelby will play at Henrietta on Saturday, Aug. 19; game called at 4 p. m.

MRS. F. I. BARBER
MAKING GALLANT RACE

Mrs. F. I. Barber, who is one of the leaders in the Asheville Citizen contest, is making a gallant fight for one of the handsome prizes offered in the Citizen contest.

Let every citizen of the county unite in an effort to put our candidate "over." It would be a wonderful thing should Rutherford county win the grand prize, and this is not without the bounds of reason if the people will stand by Mrs. Barber. She is right up in the race and has a great chance to win.

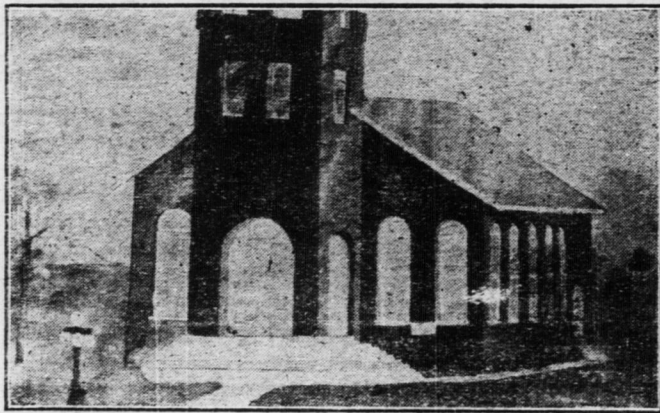

No one in the county has done more real hard work for the betterment of the town and county than Mrs. Barber. She has been in the lead in every drive of any consequence, put forth of her time and talent in the work of the Betterment Club, the Parent-Teacher Association and in every good work.

Why not get behind her in this drive to win an automobile? She richly deserves the honor, has put up a gallant fight, and stands to win if her friends will rally to her side.

Do it now. The contest closes next Saturday.

MRS. EMILY LOGAN
DIES AT GREAT AGE

One of County's Best Known and
Most Beloved Women—Death
Caused by Cancer.

Mrs. Emily Logan, one of the best known and most universally loved women of the town or county, died at her home here Monday morning at 4 o'clock. While not unexpected, the news of her death came as a distinct shock to her many friends. Mrs. Logan, who was in her 85th year, had been suffering from cancer.

Mrs. Logan was born Jan. 8, 1837, and was a member of one of the state's prominent families. On July 29, 1859, she was married to William D. Logan, the ceremony being performed by the Rev. J. G. Landrum. To this union was born two daughters—Mrs. T. W. Jackson and Miss Panola Logan.

Mrs. Logan taught school in Forest City and the county for forty years and wielded a wonderful Christian influence over all with whom she came in contact. She was greatly beloved by every child who was fortunate enough to come under her watch-care.

Being a consecrated Christian and a devout member of the Baptist church, Mrs. Logan's influence was greatly felt in the community where she had so long resided. As a neighbor, friend and counselor she was ever ready to do a kind deed or speak a word of tenderness. Her years of tender service had greatly endeared her to all, and it is with the sincerest sorrow that she is given up to enter the richly deserved reward which will most surely be hers.

The funeral services were conducted by the Rev. C. M. Teal at the Baptist church at 3 o'clock p. m. Tuesday. Interment followed in Cool Springs cemetery.

THREE BIG LAND
AND LOT SALES

Teal Property Sale Postponed to
Saturday—Doggett Sale Aug.
19, and Moore Land on Aug.
26th.

A renewed activity is being shown in land and lot sales in this county, following several very successful sales which were made lately. Rutherford is one of the best counties in the state and prospective buyers realize the advantages of buying here. Values are going to increase, without doubt, and everything points to the wonderful future of Rutherford county.

The big lot sale of the Teal property, advertised for Tuesday, was postponed to Saturday, at 1 o'clock because of the failure of Miss Jaeger, the great ballonist to arrive. She telegraphed Mr. J. T. Horney, selling agent, that because of a train wreck and the bad condition of the roads, she could not reach here on time, either by rail or motor.

Mr. Horney, who has a great reputation for square dealing, rather than disappoint the crowd who had come to see the balloon ascension, called the sale off and set Saturday, Aug. 19, as the date for the sale. He was put to considerable expense in doing so, having to order new bills, ads, etc., for the new date. He states that Miss Jaeger will be here on Saturday, and the people are invited to come in and see her wonderful performance.

The Louis Doggett home place, near Forest City, is advertised for sale at 2 o'clock p. m. on Saturday, Aug. 19. The farm has been subdivided into small tracts and will be a great chance for the small investor to secure some great values. This sale is to be conducted by the Interstate Land Auction Co., of Spartanburg which is an assurance of a square deal and a sale you should not miss.

Another big sale by the same firm is that of the Mrs. Beulah Moore property, between here and Spindale. This valuable tract is now owned by Messrs. J. H. Thomas and J. F. Weathers. This is some of the most desirable property ever offered for sale in lots and small acreage tracts. There are two six-room and one four-room houses on the farm, all in good condition. All of the lots and tracts have good frontage, most of them on National Highway; a contract for paving of this highway between Forest City and Rutherfordton being let on August 25th. There is a nice young orchard on each lot with plenty of good shade trees. Splendid wells, wood, water and out-buildings on house tracts. Church one-half mile away.
