ONE KILLED, TWO INJURED AS CAR LEAVES HIGHWAY

Homer Ray Dead, Ernest Crawford Injured and Andrew Smith Slightly Hurt When Caught Beneath Overturned Machine,

Marion, Sept. 4.—Homer Ray, 26, of Marion, is dead; Ernest Crawford and Andrew Smith, also of Marion, are in the French Broad hospital as the result of an aut mobile mishap at the North Fork bridge near Swannanoa about 3:30 o'clock this morning. Crawford is in a critical condition with a deep gash across his head, injuries to the back and lacerated knees. Smith's injuries. are less serious.

The Dodge roadster in which the three young men left Marion Sunday night at 12 o'clock to go to Asheville for Labor day, failed to make the curve at North Fork bridge at the end of a long stretch. The car's momentum carried it through the air over a distance of about 40 feet before it touched ground at the edge of the creek, looped and landed 30 feet farther in the middle of North Fork creek, and came to a halt on the opposite bank of the stream. The bridge is about 12 feet above the water line.

Ray, who is the son of Deputy Sheriff Ray, of Marion, was driving the car. When the machine first hit the ground his head was crushed on a boulder. As the car lobbed through the air on the second loop Ray's lifeless body was thrown into the stream where it lay until Coroner E. R. Morris was called to the scene later in the morning.

Crawford, a real estate dealer at Marion, was unable to move Rutherfordton, Sept. 6th-A from the car, which had arighted had driven to the top of the mountain near Ridgecrest.

Smith, who is connected with Smith's Grocery company in Mar-

Deputy Sheriffs H. T. Dillingham and Hub Duckett went to the scene of the mishap soon afterwards for an investigation. A quart of corn whiskey was found Smith, the only man in the party Only two marriage license have able to talk after the mishap none of the party had been drinking, but Deputy Sheriff Lance said Smith was under the influence of whiskey when he came to the his home to ask aid.

Officers say the automobile must have been going at a high rate of speed on the long stretch of highway which at that hour was lit up by the moonlight. The car, apparently new, was almost
