No compromise of good designing or fine manufacturing is ever forced upon our engineers.

They are entirely free from the limitations they might meet if they were dependent, for some vital parts, on outside manufacturing sources.

## RUN DOWN PEOPLE NEED RICH BLOOD

YOU never heard a doctor say, "He is all run down, but his blood is pure and rich."

The best thing—the biggest thing—that Gude's Pepto-Mangan does is to purify and enrich your blood. Then those weary, run down, dragged out feelings will disappear, and the oldtime vim and "pep" come back again. Get Gude's Pepto-Mangan today.

At your druggists—liquid or tablets, as you prefer.

NOTHING COMPARES WITH CHEVROLET

We welcome your visit here— Says Betty Butterfly

NOW is the time of year when you should cover up your bulb beds and prune your summer and fall flowering shrubs. You'll find a visit to this blossoming arcadia a pleasure whether you want to talk flowers or buy.

PROLONG THE LIFE OF YOUR WARDROBE

This is a duty you owe to yourself if you are anxious to get every dollar's worth of wear out of your clothes.

Our method of pressing clothes does not twist, pull and haul them out of shape, but instead we put the natural body shape into the most misused garment, giving it better creases and a uniform finish.
