Hugh—Mr. Walker, I'm going to make the speech of my life tonight.
 Mr. Walker—Well my boy, I hope for you the best of luck.
 Mr. Walker (next morning at breakfast), well Hugh, how did you get along with the speech of your life.
 Hugh—Fine, I held my audience.

LATEST NEWS FROM HENRIETTA

Death Of Mr. D. M. Smith; Mr. G. W. Bridges Dead; Other News Of Interest.

Civil War Vet. Passes.
 Henrietta, Jan. 27.—Mr. D. M. Smith died early Saturday morning at the home of his son, Mr. T. C. Smith, after being critically ill for the past two weeks with bronchial pneumonia. Mr. Smith has been an invalid for the past twenty-five years. He was one of the oldest citizens of Rutherford county, having served in the Civil War. Before enlisting he served as a shoemaker for the government. Mr. Smith was 86 years old and was the father of sixteen children, fourteen sons and two daughters. He was a devout Christian, having joined the Baptist church in his early boyhood days. He has a concourse of relatives and friends to mourn his death. The funeral was held at the Henrietta Inn Sunday at 2:30 by Revs. Tate and Hornbuckle. Miss Grace Harmon and Miss Emily Camp sang beautifully, "No Night There."

A Tribute to Mr. Smith.
 Mr. D. M. Smith, one of the oldest citizens of this county, died at Henrietta Saturday morning, January 24th, at the home of his oldest son, Mr. T. C. Smith, with whom he lived. Mr. Smith had been sick for only a little more than two weeks; his death was caused from bronchial pneumonia. He had all the care and attention and daily attendance of medical skill possible, but it seemed that his earthly existence was at an end. His passing away was quiet and peaceful.

Mr. Smith had been an invalid for about twenty-five years, and for the last few years was about as helpless as a little child, requiring almost constant attention and care.

He was born August 1, 1838, his age being 86 years, five months and twenty-three days. Was born, reared and lived in Rutherford county all his life, with the exception of about seven years during the Civil war, when he lived in Cleveland county. While believing that a united country was best for all the people, yet he gave his assistance and service to the cause of the land of his birth.

Mr. Smith was twice married and was the father of sixteen children, had forty-five grandchildren and thirty-three great-grandchildren.

He made a profession of faith in Christ when a young man and joined the Baptist church at Old Mt. Vernon about six miles northeast of Rutherford and died rejoicing in the faith once delivered to the Saints.

He was a man who appreciated and loved his home and country; devoted to his family and his friends, a good neighbor and citizen.

The funeral services were held at the home Sunday afternoon, conducted

by Rev. W. T. Tate, assisted by Rev. J. P. Hornbuckle. Interment was made following the services in Rutherford county cemetery and was largely attended by sorrowing relatives and friends of the deceased.

All of his children living were present, except one son, who lives in Oklahoma, and could not reach here in time.

Mr. M. B. Mahaffee, Sr., is in the Rutherford hospital taking treatment. Mr. Mahaffee has been sick for the past two weeks. Everyone wishes for him a speedy recovery.

Tragic Death Of Mr. Butler.
 The many friends of Mr. Willie Butler, son of Mr. Bush Butler will be grieved to learn of his tragic death. Mr. Butler went to the home of his father about one o'clock Monday and there shot himself. The shot punctured his heart and caused instant death. Mr. Butler has been in bad health for the past five years and it is supposed that this caused his unduly act. Mr. Butler was 29 years of age. He is survived by his wife and three small children, his parents, Mr. and Mrs. Bush Butler, three brothers and seven sisters.

Mr. G. C. Robbins was called to his home near Harris, early Monday on account of the death of his mother.

Mr. G. W. Bridges Passes.
 Mr. G. W. Bridges died at his home Thursday night after an extended illness. Mr. Bridges was 72 years of age. He is survived by his wife and the following children: Mrs. O. G. Moorehead, Mrs. C. A. Little, Mrs. Forest Hyder and Mrs. J. M. Kendrick, of Henrietta, Mr. Rush Bridges, of Alexander, Mr. Everett Bridges of Trinity and Harvad.

Miss Grace Harmon and Mr. Walter Smith were guests of Mr. and Mrs. Walter Fanning of Shelby, Sunday.

"Blow Your Own Horn." This should be an intensely interesting picture from every angle.

WEDNESDAY, FEB. 4th

"Bluff," and an International News, right up to the minute.

Born, to Mrs. James B. Ellis, Monday, Jan. 26, a fine boy, James B., Jr.

Mr. and Mrs. Chas. F. Harrill entertained with a card party on Thursday evening, Jan. 22. Those present were Misses Clara Harrill, Jeanne Moss and Luna Taylor; Messrs. Martin Mauney, Walter Moore and Robert Holmes.

Mr. and Mrs. Chas. F. Harrill were week-end visitors in Asheville and Mars Hill.

Origin of "Deadhead."
 Deadhead is the literal translation of the Latin phrase, caput mortuum, which was much used by old chemists to denote the residuum of chemicals when all their volatile matter had escaped; hence the word is figuratively used of anything from which all that rendered it valuable has been taken away. Spectators or passengers who do not pay are not valuable, from a revenue standpoint.

Tomb of the Viking Queen.
 What is believed to be the tomb of a Viking queen has been unearthed in southern Norway. The burial chamber was found supplied with a complete equipment for that future life anticipated by northern paganism, including a furnished kitchen, beds and looms.

OVERLAND REDUCTIONS

Toledo, Ohio, Jan. 15.—The sensational reduction in the price of the Overland 91 line, which was announced during the New York Automobile Show, has resulted in a great many interesting reactions, not the least interesting of which is the reaction so noticeable from some competitive sources.

It has come to our attention that prospective buyers have been told that the sensational prices which we announced were in the nature of a clean-up proposition—that Willys-Overland was to discontinue the manufacture of the Overland 91 and concentrate its attentions entirely upon the manufacture of six-cylinder motor cars.

One of our own men was told by an ambitious salesman of one of our competitors that the prices which we had placed upon the Overland 91 did not permit us to make any profit whatsoever, and that it was a foregone conclusion that we were going out of the light car field.

The least of our concern is what our competitors may guess about our product. We are concerned, however, with what they say about us, for some credulous buyer may be impressed by their statements. Therefore, we felt that you might be interested at this moment in a statement from me as to the position of our Company for the coming year.

We have just invested over a half million dollars in the dies and tools necessary to produce the Overland

ALL-STEEL SEDAN and the OVERLAND ALL-STEEL COUPE, and if we had the slightest inclination to abandon the light car field, we certainly should never have made such an expenditure on two new models.

We made that expenditure to permit us to dominate the light car market. We spent that half million dollars for dies and tools to produce the all-steel Sedan and Coupe so that we could give our Dealers THE LOWEST PRICED AUTOMOBILE IN THE WORLD WITH SLIDING GEAR TRANSMISSION.

As to our ability to make a profit on the 91 Models at their present prices, we can only say that our competitors should let US worry about that.

We are interested today in accomplishing two things—First, giving the public the most automobile they have ever bought in their life for the money; second, putting our Dealers in a position to lead and dominate their local market. And, if we don't build more Overland 91 automobiles in the year 1925 than we have ever built in any other year in our history, it will be because our own Dealers do not appreciate the value we are offering them as keenly as do our competitors.

Sincerely,
 WILLYS-OVERLAND Inc.
 J. W. Willy.

The above letter received from the factory by W. L. Horn, Overland Dealer, Forest City, N. C.

Bryan—Prof. Prickett offered me an interest in French today.

Nash—He did?

Bryan—Yes, he said if I didn't take an interest soon he'd fire me.

RUPTURE EXPERT HERE

F. H. Seeley, of Chicago and Philadelphia, the noted truss expert, will personally be at the Cleveland Hotel and will remain in Spartanburg Thursday only, Feb. 5th. Mr. Seeley says: "The Spermatic Shield will not only retain any case of rupture perfectly, but contracts the opening in 10 days on the average case. Being a vast advancement over all former methods—exemplifying instantaneous effects immediately appreciable and withstanding any strain or position no matter the size or location. Large or difficult cases, or Incisional ruptures (following operations) specially solicited. This instrument received the only award in England and in Spain, producing results without surgery, injections, medical treatments or prescriptions. Warning—All cases should be cautioned against the use of any elastic or web truss with derestraps, as same rest where the lump is and not where the opening is, producing complications necessitating surgical operations. Mr. Seeley has documents from the United States Government, Washington, D. C., for inspection. He will be glad to demonstrate without charge or fit them if desired. Business demands prevent stopping at any other place in this section.

P. S.—Every statement in this notice has been verified before the Federal and State Courts.—F. H. Seeley, Home Office 117 N. Dearborn St., Chicago.
