REMOVAL SALE

E. I. SINKOE

Has moved the Bankrupt stock, formerly owned by D. W. Whitlock, to Miller's store-room, where we are going to open up with

A STUPENDOUS SALE

Our previous Sales were most successful; our doors were thronged with people; our cash register overflowed with hard-earned cash; and you folks benefitted by purchasing merchandise at less than 1-2 price. Now we are going to make this sale even greater. Our better location and more floor space and the reduction of our prices should make this sale the talk of the city. Come and see the greatest values ever seen in the history of Rutherford County. No waiting. Twenty clerks to wait on you. Come early.
