

LOCAL HAPPENINGS

Birthday Party.

Addie Moore, Jr., was tendered a beautiful party at his home on Linden avenue Tuesday afternoon in honor of his 5th birthday. The color scheme of pink and white was carried out in the table decorations and also in the favors which consisted of little dolls dressed in pink and white for the girls and miniature "Spark Plugs" filled with pink and white candy for the boys.

Many games were played, such as pinning on the donkey's tail which caused lots of merriment among the little folks. Carlisle Francis and Josephine Monroe won the prizes.

Later in the afternoon dainty refreshments were served.

Those assisting Mrs. Moore in serving were: Mesdames George Colon, Robert Nixon, B. F. Gaston, and Mrs. Helma Darden,—Hampton, Va. Daily Press.

The program consisted of Indian music, and as the guests entered the home they were directed to a wigwam made of a leopard skin, with the skins of other animals. Inside the wigwam were pots and pans and an old black kettle, out of which delightful coffee was served with sandwiches, served by two Indian squaws. Just outside of the wigwam door Miss Jeanne Moss sang an Indian lore song, accompanied at the piano by Mrs. Hague Padgett. Another solo was also given by Mrs. J. F. Weathers, which was greatly enjoyed.

The life of the composers of Indian music was studied during the afternoon. The next meeting will be held Jan. 20th, Mesdames E. O. Thomas and W. A. Ayers being joint hostesses at the home of Mrs. Thomas. The next program will be a study of Beethoven.

DALTON BROS. STORE NEWS

(By J. W.)

Again, we are taking our pen in hand, and we think you had better read this, as words of wisdom are about to fall.

We are strong for telling the truth in advertising. We would just as soon violate our word of honor, as to misrepresent facts to the public. So strongly do we feel on this matter, we have put a notice in our window which reads: "There must be no lying—white lies or fabrications in this business"; read the whole thing the next time you pass our window.

This week you are going to get a letter from us written on our best stationery—it will be good too, as we wrote it all by ourselves. Along with this letter, will come the announcement of our DOLLAR DAY SALE. We only have dollar day once a year and you can take it from us, your dollar will buy something. What we wanted to say, is that they are going to gobble up this merchandise mighty fast, and we want all of our old customers to come first as we like for our friends to get the benefit of our best prices.

We might be wrong, but we like to feel that this store occupies a little niche in the community other than a purely commercial one. Thank you that's all!

CARD OF THANKS

We wish to thank the many kind friends for their sympathy in our recent bereavement and also for the beautiful floral offerings.
