

TEXACO

GASOLINE AND MOTOR OILS ARE THE BEST.

In the South, where chilly nights quickly follow days of broiling heat, extremes of temperature prove Texaco to be instantly responsive under any conditions. Because of its volatility—that readiness to deliver up vaporized energy—Texaco responds with action the moment you want it.

This power of easy triumph over temperature is shared by Texas Motor Oils, the clean, clear, golden-colored lubricant. Together, Texaco Gas and Oil take all the trials out of winter motoring. Give it a trial, and be convinced.

Tells How to End Night Coughing

To quickly stop hacking, irritating coughing at night, a very simple treatment may be had that often enables you to sleep the whole night through undisturbed almost at once.

The treatment is based on a remarkable prescription known as Dr. King's New Discovery for Coughs. You simply take a teaspoonful at night before retiring, and hold it in your throat for 15 or 20 seconds before swallowing it, without following with water. The prescription has a double action. It not only soothes and relieves irritation and soreness, but it quickly loosens and removes the phlegm and congestion which are the direct cause of the coughing. So no matter whether your cough is dry and tight, or loose with much mucus, the coughing soon stops, you can usually sleep your accustomed time without a break, and the whole cough condition goes in a very short time.

The prescription contains absolutely no narcotics or other harmful drugs. Instead of merely numbing the nerves, it actually helps the system to throw off the trouble in a perfectly natural way. Furthermore, it is very economical, the dose being only one teaspoonful. It is highly recommended for coughs, chest colds, tickling, hoarseness and bronchitis, and is wonderful for children's coughs and spasmodic croup. On sale at all good druggists. Ask for

JUNIORS PRESENT BIBLE

Ellenboro, R-2, Feb. 3.—The Junior Order of Ellenboro met at Race Path school Saturday, January 24th at 2:30 p. m., with the children of the school and the patrons.

A short program was given by the school, consisting of recitations, essays and patriotic songs, after which the address of welcome was given by H. M. Rucker, who told briefly of the great work of the Junior Order and congratulated it for putting a Bible and a flag in every school.

Mr. G. B. Pruet presented the Bible to the school and stressed the importance of reading and studying it. He made a most unique and fitting address for the occasion and will be remembered long by those who were so fortunate to hear it.

Rev. R. H. Houston presented the flag and told of European colonization in America, reasons for planting colonies, rivalry between the nations and the early development of the 13 original states and the making of a flag and nation.

It was said by many who heard it to be a masterpiece of history, expressed in terms of flowery oratory.

NEW METHOD HEALS PYORRHEA

Ten Year Bad Case Completely Healed in a Short Time Writes Florida Woman.

Faced with the loss of her teeth, after 10 years' suffering, Mrs. M. J. Travis, an esteemed resident of Jacksonville, declares she finally saved her teeth by a simple home treatment: "worth its weight in gold." Using her own words: "After having pyorrhea for 10 years my mouth is now healed. Before I found out differently, I was told there was no relief and had yielded to the loss of six fine solid teeth. Then I discovered Moore's pyorrhea treatment. Three days after starting its use, the soreness left my gums; my teeth began to tighten. Now my teeth are clean, my breath sweet, and my mouth completely healed."

The experience of Mrs. Travis is duplicated in hundreds of other cases. If you have pyorrhea—or threatened with pyorrhea your teeth are in danger. Quick and effective treatment is necessary. You can test, without money risk, the treatment used by Mrs. Travis. Simply write the Moreham Co., 2650 Gateway Station, Kansas City, Mo. Under their guarantee of refund send two dollars. Or, pay postman the \$2 with a few cents postage. Use the treatment 7 days. Then if you are not wholly satisfied, write to that effect and your \$2 will be returned at once.

BACK GIVEN OUT?

Then Follow the Advice of This Forest City Resident.

Are you dragging along day after day with a dull, nagging backache? Do you feel tired, lame and achy; suffer sharp, torturing pains at every sudden move? Then look to your kidneys! Colds, strains and overwork weaken the kidneys and bring on throbbing backache and knife-like twinges. Don't risk serious kidney disease! Use Doan's Pills—a stimulant diuretic to the kidneys. Read what this Forest City resident says: Mrs. A. C. Dorsey, Powell St., says: "My kidneys sometimes acted too often and then again, just the opposite. My back was lame and at times, sharp pains were so severe that my back gave out entirely. I was also dizzy-headed when everything seemed to whirl around. I read about Doan's Pills helping so many people, that I decided to try them. One box entirely relieved me."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Pills—the same that Mrs. Dorsey had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

Old Folks' Ailments

"I began taking Black-Draught over fifty years ago and my experience with it stretches over a good long time," says Mr. Joe A. Blake-more, a Civil War veteran and former Virginian, who is now a prominent citizen of Floyd, Texas. "It is the best laxative I know of for old people. A good many years ago, in Virginia, I used to get bilious and I found that

Thedford's BLACK-DRAUGHT

was the best and quickest relief I could get. Since I came to Texas I have these bilious attacks every now and then—a man will get bilious anywhere, you know—and I find that a little Black-Draught soon straightens me out. After a few doses, in little or no time I'm all right again."

Thedford's Black-Draught is a purely vegetable liver medicine, used in America for over eighty years. It acts on the stomach, liver and bowels in a gentle, natural way, assisting digestion and relieving constipation. Sold everywhere.
