**FARMER'S BANK  
PASSES 10TH YEAR.**

Feb. 3 marked the tenth anniversary of the Farmers Bank & Trust Co., Forest City and Caroleen. Officials of this popular institution have been kept busy during this week accepting the best wishes and felicitations of friends.

This bank, now the strongest coun-

try bank in the tenth congressional district, has prospered from the opening of its doors back in 1915. This success has been well merited and was brought about by strict application, courtesy and fair dealing. Fortunate in the selection of officers and directors, the bank has been under the guidance of men who have had the welfare, not only of the institution, but the county at large, at heart.

Rutherford county is fortunate in having many strong banks, conducted by men of ability and integrity. The success they have achieved is an index to the general prosperity of the county. Given strong, healthy banks, the business men of the county have had the proper backing in their every worthy enterprise and have been enabled to carry out plans that have resounded the general good and prosperity of our beloved county.

**ADAMS CIRCLE MEETS  
WITH MRS. PROCTOR**

Adam's Circle met Jan. 30th with Mrs. Mary Proctor. Eight were present and all took a part on the program, as it was laid down in royal service, except Mrs. F. I. Barber, who was so kind as to invite a paper on "Roger Williams, the founder of the Baptist church, in America." We all enjoyed it, for it showed search and study. The circle adjourned to meet Feb. 27th with Mrs. G. M. Padgett.

**COURT ADJOURNED  
TO MAY TERM**

Rutherfordton, Feb. 4.—A telegram, received by the Clerk of the Court Monday morning, stated that Judge Long, who was to preside over the February term, set for February 2nd, was unable to be here on account of trouble with his eyes, suggesting that the Governor would appoint another judge to hold the court. At a meeting of the Bar Association it was decided, that as a judge was probably available for one week only, and as an important case was set for trial which might not be concluded in that time, it was best to adjourn for the term. The jury was dismissed and court adjourned. There will be no regular term of court until May 11.

It pays to do business with people you know—we do.

That's one reason we are offering you Schloss Bros. Baltimore Clothes, tailored to your order. We know Schloss Bros. and their fifty year reputation for fair dealing.
