

# Horn's Big Annual STOCK REDUCING SALE

Starts Friday, March 27,

Continues Through Monday, April 13th

With a bang we are coming to you with our Fourth Big Annual Sale, which is our twenty-eighth anniversary, the oldest young firm in Forest City. From past experience, and your acquaintance with us, you know we do not send out big glowing pages to entice you into our store to buy excitedly, but name prices on the very articles you will need every day in the year, and the saving means something to you and a sale to us. We buy honestly, and with our twenty-eight years in business we have naturally learned when to buy and how to buy right, and on the same honesty, we sell and deal with you. Honesty is what built our business and honesty is our whole policy. Now, to show you that we have the prices, we are, during this sale, going to sell you that best granulated sugar, not for 10 cents per pound as you have been buying, but are going to sell it to you for only 68 cents for ten pounds, and yet all the tale has not been told—60,000 lbs. of sugar to be sold. The biggest line of shoes in the county goes at a great sacrifice. From our already extremely low prices we are going to give a 20 per cent reduction in this sale, besides some shoes which will be placed on the bargain counter from 25c up per pair.
