Need a Blood Medicine?

J. F. WOODY

Gastonia, N. C.—"I think Dr. Pierce's Golden Medical Discovery is the finest blood medicine that can be found anywhere and no word of mine can sufficiently praise it. My brother-in-law recommended it to me when I was in very poor health. My blood was poisoned with malaria, had a bad cough and my bronchial tubes were choked up so that I could scarcely breathe and could not raise. My bowels were constipated so that I never felt well, just dragged myself about, but the 'Golden Medical Discovery' drove out of my system all the impurities, stimulated, cleaned and enriched the blood, so that I felt life was worth living. I can recommend it to anyone who feels rundown and miserable."—J. F. Woody, 205 S. King St.

B. Y. P. U. TO MEET AT RUTHERFORDTON

Annual Convention Of Green River Association To Be Held April 5th.

The annual associational Baptist Young People's Union Convention of the Green River Association will be held with the First Baptist church of Rutherfordton on Sunday, April 5th. This meeting will be an all-day affair lasting from Sunday morning at 10:30 until 4:00 in the afternoon. All phases of young peoples' work will be covered in the sessions. Several of the state workers and leading pastors and active young people of the churches of McDowell, Rutherford and a part of Polk county will participate in the program.

Last year the pastors and leading young people planned for a meeting this Spring to fully organize an Associational B. Y. P. U. and the committee has planned well and this convention is the result of their plans for immediate accomplishment. Mr. W. G. Wilson of Marion and Prof. J. C. Joyner of Glenwood and others are pushing the work and the enthusiasm in the churches is mounting. Every church is invited to send delegates and to have as many as possible attending the sessions of the convention.

The program on Sunday morning includes the devotional by the Nebo young people; the welcome by Rutherfordton young people; special music by Columbus young people and an address by Mr. A. V. Washburn, Sunday school and B. Y. P. U. field worker on "The Challenge of the Association to the B. Y. P. U.": the morning session closing with special music by the Clinchfield young people.

At noon the Rutherfordton folks will help in serving a real dinner on the grounds for all those attending.

Again at 1:30 in the afternoon the sessions will begin again with a devotional by the Clear Creek young people, following which the Marion young people will present a short play. The Old Fort young people will render a special selection of music. The convention will then hear a leading speaker in an address on "Achievement through Co-opera-

tion" followed by special music by the Glenwood young people.

Prof. Joyner will preside at the annual business session at which time the election of the officers of the convention will take place.

Mr. Ed Preston, B. Y. P. U. Field worker for North Carolina, will lead a Round Table discussion in the phases of young people's work and the convention will be closed by a special selection from the Round Hill young people.

PYTHIANS HAVE BIG MEETING AT ELLENBORO

A district meeting of District No. 3, Knights of Pythias, met with Ellenboro Friday evening, March 20, with all of the lodges well represented except Henrietta, Rutherfordton and Spindale.

District Deputy Matthew A. Stroup of Cherryville, had charge of the meeting, and stated that all the lodges were doing fine work. This was evidenced by the presence of 168 representatives of the several lodges, the largest number ever to be present at a district meeting in this district.

A class of 10 was knighted by the Lincolnton lodge third rank team, whose fine exemplification of the ritualistic work made a profound impression on those present for its excellency in rendition.

Mr. George E. Lovell, grand keeper of records and seals, made an interesting address, stressing the importance of each lodge in the district in sending one or more candidates to Charlotte on April 21st, for the "Rathbone Bible class."

An offering was made to the Clayton home, in the sum of \$17.87. It is a custom in the third district to make a free will offering at every meeting for this purpose.

Splendid refreshments were served by the Ellenboro brethren, early in the evening, and some of those who came in late, missed something fine. It is always better to be on time, because you can never tell which is coming first. The district officers appreciate the fine way in which the meeting was received by the Ellenboro lodge.

It isn't fair. People who have money don't know what to do with it, and those who haven't got any know just how it ought to be used.

Buicks are As Good As They Look

By the distinctive appearance of Buick motor cars, you may judge their inner quality. The same engineering thought that developed the Valve-in-Head engine, Sealed Chassis, automatic lubrication, Buick mechanical 4-wheel brakes, and like factors of superior performance, is also responsible for the grace and the symmetry of Buick body lines.
