

THE GUIDING STAR
THAT PROCLAIMS

Increased Mileage! Reduced Upkeep!

That red Texaco star on pumps and tanks along boulevards and highways shows where you will be promptly and fairly served with TEXACO Gasoline, the volatile gas and TEXACO Motor Oil, clean, clear, golden.

Get the habit of stopping only under the Texaco star, for here's where your money buys:

TEXACO GASOLINE		TEXACO MOTOR OIL	
Volatility	highest	Lubricating	Qualities
Mileage	Increased	Motor wear	Minimum
Power	Increased	Upkeep	Reduced
Easy Starting	Incomparable	Piston Seal	Complete
Flexibility	Increased	Oil Mileage	Increased
Manifold	Uniform	Spark Plugs	Cleanest
Distribution	Minimum	Carbonization	Minimum

Texaco means the clean, clear, golden motor oil, and Texaco means the volatile gas.

One name for both—at the sign of the Texaco Star.

S. C. MAN IS ELECTED TO LAKE LURE BOARD

Mr. J. A. Carroll, Of Gaffney, Accepts Place On Board Of Directors.

Spartanburg, May 7.—J. A. Carroll, prominent manufacturer, banker and philanthropist, of Gaffney, S. C., has accepted a place on the Board of Directors of Chimney Rock Mountains, Inc., according to an announcement by officials of the company here today at the newly opened offices in the Cleveland Hotel Building. Mr. Carroll has not only become interested in a substantial financial way, but intends to take an active interest in the general affairs of the company. "Since a boy I have watched with keenest interest the growth and development of all of Western Carolina, but particularly of Chimney Rock," said Mr. Carroll, in speaking of his election to the directorate of the big development company. "Certainly there is no more beautiful spot on earth, than that embraced in the properties of this company, and the creation of Lake Lure with its twenty-seven mile shore line, in the matchless setting of great mountains, will provide a lake resort of size and beauty not surpassed on this continent. I am looking forward with a great deal of satisfaction to the time I expect to spend at Chimney Rock while the development is going forward."

Mr. Carroll is the first South Carolinian to join hands officially with the men of the North State who are backing the Chimney Rock development, and whose directorate includes some of the most prominent business and professional men in the South. The proximity of this section to Western North Carolina, and the increasing trend of tourist travel to the "Land of the Sky", much of which is through South Carolina, has wrought an ever growing interest here in the big developments which are going forward near Asheville. Chimney Rock Mountains, Inc., is already well represented in the state through R. M. Marshall and Bro. of Charleston, and Jos. Norwood, of Columbia, and with the announcement of the election of Mr. Carroll and the opening of Spartanburg offices, it is anticipated that the interest of South Carolinians generally will be adequately served.

Mr. Carroll is the president of Limestone Mills, president of the Carroll-Byers Co., the Carroll Grocery Co., and the O. P. C. stores, vice-president of the First National Bank of Gaffney, and a director of the American State Bank, the Gaffney Manufacturing Co., the Hamrick, Broad River, Musgrove and Alma Mills, and a trustee of Limestone College. Intensely interested in higher education, for many years devoted to the interests of the college and active in the direction of its affairs, Mr. Carroll recently established the Carroll School of Fine Arts, and donated a building to house this department, costing fifty thousand dollars. The building which is modern in every particular, is now nearing completion, and is said to be one of the finest of its kind in the South.

HARRIS NEWS

Forest City, R-1, May 11.—The play "A Microbe of Love" advertised by the Federated Home Demonstration Clubs to be given at Harris, on Saturday, May 9th, could not be secured to the regret of all concerned. However Mr. Peeler of the Mt. Pleasant section with his usual spirit of generosity volunteered to bring his imitator minstrels "The Medmore Boys." The cast consisted of Mr. Peeler, his son, Mr. Adalade Peeler, Messrs. Ralph Elmore Yates and Clyde Holland, Glen Toms and Clarke Matheny. The excellent representation of the carefree, loafing darkey was highly applauded by the appreciative audience. From the first act through the last the house was in an uproar of laughter and applause.

Excellent music was furnished by the Jenkins String Band.

These talented musicians are always well received.

Readings given during the evening by Misses Rose Eaves, Josephine Young and Mable Rollins added materially to the merits of the program.

After the entertainment refreshments, consisting of delicious sandwiches, cake and iced tea were served to those taking part in the program by the Harris Home Makers Club. The net proceeds of the entertainment amounted to \$17.25 and will be applied to the fund for the purchase of an Edison for the County Home.

Tom Tarheel says the life of an expert must be a hard one because he is always expected to make some big change.

NEWS FROM THE COUNTY SEAT

Confederate Veterans Met Saturday—Home Of Mr. McEntire Damaged By Fire.

Rutherfordton, May 12.—The Rutherford County camp of Confederate veterans met at the courthouse Saturday at 11 o'clock a. m., and was called to order by Commander K. J. Carpenter. Chaplain Rev. J. B. Carpenter led in prayer after which the roll was called by Adj. O. C. Erwin, 27 members answering, representing companies as follows: 16th, 34th, 50th, 56th, 62nd, 1st N. C., and 17 year old boys.

The same officers were re-elected as follows: K. J. Carpenter, commander; A. H. McDaniel, lieutenant-commander; J. B. Carpenter, chaplain and O. C. Erwin, adjutant.

Short and appropriate talks were made by Rev. J. B. Carpenter, J. M. Taylor, K. J. Carpenter and O. C. Erwin.

O. C. Erwin was appointed to draft resolutions on the death of veterans occurring since last meeting which numbered ten and have same published in the county papers.

The meeting adjourned and the veterans repaired to E. & W. cafe where they were served an elegant and substantial dinner, the daughters present and assisting in serving.

Home Damaged By Fire.

The home of K. H. McEntire was damaged by fire Friday night about 9:30. Fire was discovered by neighbors and the alarm turned in. Mr. and Mrs. McEntire were at Union Mills having left the house about six o'clock and the doors and windows were securely fastened. This of course kept smoke and fire in and made it almost impossible for any one to get inside to bring out the furniture after the door had been broken open. Everything in the pantry, kitchen and dining room was a complete wreck and furniture in the other rooms damaged by smoke, heat and water. There have been various theories advanced as to the origin of the fire which evidently started in the pantry and the general impression is that it must have been caused from a defective electric wire. There was some insurance but the loss falls heavily on Mr. and Mrs. McEntire who had just recently moved into and furnished their home.

To Open Tea Room.

On Friday afternoon and evening, May 15, Mrs. R. W. Logan will open a tea room at her residence on Washington street near the City Hall. To this formal opening a few friends in Rutherfordton and nearby towns have been invited. Beginning Saturday, the 16th, the tea room will be open to the public, and will no doubt prove an attractive place for ladies and girls to entertain their friends, clubs and parties. Iced drinks, sandwiches, salads, ice cream and sweets will be served.

The invited guests will be requested to suggest a name for the tea room and the one selected will be announced later.

Mr. J. G. Carver, a confederate veteran, who lives near here, who is 80 years of age fell a few days ago and broke his leg near the hip. He was carried to the home of his son and given medical attention and is resting as comfortable as could be expected.

IS EVERY DAY A BACKACHE DAY?

Forest City Folks Have Found the Cause and Corrected It.

Is your back lame and achy? Are you tortured with sharp, rheumatic pains; miserable with headaches, dizzy spells and kidney irregularities? No wonder, then, you feel worn-out and discouraged. But have you given any thought to your kidneys? You should! Weak kidneys cause just such troubles. Don't risk neglect! Use Doan's Pills—a stimulant diuretic to the kidneys. Here's a Forest City case:

A. W. Lavender, agent Watkin's Products, Arlington Ave., says: "My back hurt and ached right across my kidneys and I got so I couldn't do any work at all. Those sharp, stabbing pains in my back were almost more than I could stand. I had to get up a good deal at night to pass the kidney secretions, but they were always scanty. After using two boxes of Doan's Pills, I was cured."

60c. at all dealers. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

About 148 commodities may be made from corn including such items as axle grease and face powder, shoe heels and chair cushions, cigarette holders and gun powder, shaving soap, varnish and other things. The value of the corn crop is greater than the value of any other crop grown in this country.
