

Made to Match Your Complexion

Some one of the several tints of Cara Nome Face Powder will blend with your complexion perfectly. And the powder adheres beautifully.

These, however, are only two of Cara Nome's many virtues.

The odor of Cara Nome is entrancing—the box in which it is packaged, a delight to the eye.

Miscellaneous Shower For Miss Harris—B. Y. P. U. Gives Program—School Closing.

Bostic, May 11.—A delightful party of last week was a miscellaneous shower given by the Parent-Teachers' Association at the home of Mrs. W. B. Hollifield, complimenting Miss Mattie Harris, a member of the school faculty, whose marriage to Mr. Dumont Green, of Washington, D. C., will take place the latter part of May. The guests were met at the door by Mrs. R. L. Likens and ushered into the living room which was beautifully decorated with rainbow colors. Little Sybil Moore and Harrill Hollifield drew into the room a wagon decorated in rainbow colors and filled with many pretty and useful gifts. These were received by the bride-elect at one end of a rainbow, which was draped across the room while at the other end had been placed a pot of gold.

Misses Eunice Hollifield and Glenn Harris rendered several piano and vocal selections. At the close of the evening a delicious ice course was served. Those enjoying the party were: Mesdames S. L. Talbert, Joe Gunner, Ellie Thomas, John Whitaker, R. L. Likens, J. D. Clemmer, C. T. Wright, R. L. Harrill, G. C. Blair, L. L. Moore, F. L. Hollifield, B. B. Biggerstaff, W. W. Harris, D. C. Martin, C. E. Laughridge, R. C. Dayton, W. B. Gurley, S. Swink, Stanton Likens, Misses Mae Smith, Mattie and Glenn Harris, Eunice and Aileen Hollifield.

The Bostic B. Y. P. U., went to Mount Lebanon last Sunday evening and rendered a program for the benefit of the B. Y. P. U. of that church which has recently been organized. A large crowd was present for the program.

Bostic school commencement exercises will be held next Friday and Saturday, May 15th and 16th. Friday morning at 11:00 o'clock the sermon will be delivered by Rev. W. L. Barrs, of Lexington. At 2:00 p. m., the Junior Order will present a flag to the school. At 4:00 p. m., there will be a ball game with Cliffside school. The program Friday evening will consist of choruses, pantomime and seventh grade playlet. Diplomas will be awarded to seventh grade pupils by Supt. W. R. Hill. Saturday evening beginning at 8:00 o'clock the high school pupils will give "Son John" as their commencement play.

TEN YEARS IN THE "HOME TOWN" NEWSPAPERS

United States Rubber Company Celebrates Tenth Anniversary Of a Pioneering Advertising Program.

In 1915 there were 2,445,666 automobiles in this country.

It seemed a tremendous number. Some people were already talking about "the saturation point" being not far ahead.

But if there were some men who couldn't see the woods for the trees, there were others whose faith never faltered.

It took a lot of vision for them to see that the true market for the automobile had hardly been touched.

It took a lot of courage for them

to bank on the ultimate success of the automobile in that market.

They had both. Back in 1915, the United States Rubber Company said "The real future of the automobile is not in the big cities but away from them."

It is not in short runs on city streets, but in mile after mile on country roads."

So back in 1915 the United States Rubber Company began to prepare for this movement—and to help it.

In 1915—ten years ago—the first U. S. Tire advertising began to appear in the "home town" papers.

Few people saw these papers in their true dimension.

Few realized the influence they had on what the people thought and did and wore and bought. Because few people realized the place they filled

develop their little "side line of tires" into real business—always with the support of "U. S." Advertising in the local papers.

Co-incident with the tenth anniversary of "home town" advertising by the United States Rubber Company, this company announces another long step forward in the perfection of automobile tires—the greatest since the introduction of the cord itself—in its perfected Latex treated—Web Cord Royal Balloon Tire with the flat low pressure tread.

Today there are 16,000,000 automobiles in this country. 80 per cent of them are owned by men and women on the farms and in the smaller communities.

Where there was one U. S. tire dealer in the small towns then there are hundreds today—real merchants. What was only a vision in 1915 has

come true in 1925. in the minds and lives of their readers.

The United States Rubber Company saw.

As clearly as it saw that the development of the automobile would in the smaller communities, it saw that the people in these communities would have to have tires to measure up to the service and tire merchants to sell them.

And it saw that in the "home town" newspapers it had, ready to hand, the medium to help it put tire merchandising where it would have to be in the new era of the automobile.

So ten years ago people began to read the first U. S. Tire Advertising in their "home town" paper—over the name of their "home town" dealer.

They have been reading it ever since. They have seen these home dealers

What are the Protestant Churches Coming to?

ARE YOU A PROTESTANT CHURCH MEMBER? Are you aware of the fact that American Protestantism is fast slipping from the rocky heights of true Bible faith? Do you know that scores of theological seminaries, where your future ministers are being trained, have ruled out an infallible Bible; that thousands of ministers are preaching a man-made gospel; and that literally hundreds of thousands of church members are being swept along by this ever-rising tide of "modernism"?

Do you know that this country today is thickly dotted with churches that are mere shells of their former selves? Do you know that a general collapse of American Protestantism was actually threatening some time ago; that a mighty counter-movement has started; and that we are IN THE GREAT CRISIS right now?

We want to reach EVERYBODY that calls himself a church member—also those who do not read a church paper, and they are legion. Hence this general announcement in your secular paper. Men and women, are you in favor of retaining the Bible that your fathers believed in and that your mothers trusted in, that was their hope and stay in times of grief and sorrow, that gave them cheering visions of a heavenly rest—the rest that your liberals do not believe in because it belongs to the "supernatural" and, therefore, "unknowable"? Will you join us in saying "Whatever you do, or don't do, but HANDS OFF THE BIBLE?" Will you help save the Bible for America? Will you join in the fight for its integrity? Will you, too, deny modern scholarship the right to rob us of the only sure foundation upon which our feet can stand, in these shifting sands of time?

Then you are interested in the news that we are now able to convey to you—the greatest piece of news heralded for a long time. It is this, THAT A NEW REFORMATION IS COMING! There are rumblings everywhere of the approaching battle—the battle between faith and unbelief, between true religion and false science, between FUNDAMENTALISM and LIBERALISM. And there is yet more news. It is this—that A GREAT GENERAL MAGAZINE is now being published, for all the Protestant denominations, edited by the great leaders of conservative Protestantism, which is here to keep its readers promptly informed of every new development in the "new Reformation" movement, and which is blazing the way to a "new Protestantism" in America! The magazine is bigger than any denomination; it has nothing to do with this sect or that. It is interdenominational. It is here to fight, on a huge, nation-wide scale, for the sanctity of the Bible! It is here to place the Bible where our fathers placed it—far above all the thoughts and philosophies, and in- And it is here to adore a DIVINE CHRIST in that DIVINELY INSPIRED BIBLE! Men would want for their Saviour in the hour of death; that is the only begin to strike their feet, weary of travel.

CONTINUOUS TIMES, READ
