### THE GUIDING STAR THAT PROCLAIMS

#### Increased Mileage! Reduced Upkeep!

That red Texaco star on pumps and tanks along boulevards and highways shows where you will be promptly and fairly served with TEXACO Gasoline, the volatile gas and TEXACO Motor Oil, clean, clear, golden. Get the habit of stopping only under the Texaco star, for here's where your money buys:

TEXACO GASOLINE		TEXACO MOTOR OIL	
Volatility	highest	Lubricating	
Mileage	Increased	Qualities	Highest
Power	Increased	Motor wear	Minimum
Easy Starting	Incomparable	Upkeep	Reduced
Flexibility	Increased	Piston Seal	Complete
Manifold		Oil Mileage	Increased
Distribution	Uniform	Spark Plugs	Cleanest
Carbonization	Minimum	Carbonization	Minimum

Texaco means the clean, clear, golden motor oil, and Texaco means the volatile gas. One name for both—at the sign of the Texaco Star.

**HARRIS OIL CO., Distributors**  
Texaco Petroleum Products

Yes, they are on the way—as are countless others—to our store.

Where they will receive the best of attention, courteous treatment and prompt service at all times and their orders carefully put up.

### COUNTY CLUB MET TUESDAY AT GILKEY

**Mr. James G. McClure Principal Speaker—Committees Make Reports.**

The Rutherford County Club held one of the most profitable meetings in its history at Gilkey consolidated school Tuesday, May 19th at 1:00 p. m., was served by the ladies of that good community and it was one of the best the club has ever had. Around 60 plates were served.

County Supt. W. R. Hill made a report for the Moonlight school committee.

Secretary Z. O. Jenkins made a report of the Star route committee from Gaffney here and stated that if reasonable bids were submitted the Government would establish the route soon.

Messrs. M. L. Edwards and C. D. Geer made a report for the road committee and stated that every effort possible will be made to secure the hardsurfacing of Highway No. 20 especially from Forest City to the Cleveland county line, at an early date.

R. E. Price, chairman of the program committee announced that the bankers of the county would have charge of the June meeting and the County Medical Society at the July meeting.

President, K. S. Tanner introduced the speaker of the day, Mr. James G. McClure, president and general manager of the Farmers Federation, Inc. He is also connected with the State Department of Agriculture, Division of markets.

The address of Mr. McClure was practical and vital.

He told of the founding and growth of the Farmers Federation and how it has grown in five years from an infant organization until last year it did \$681,000 worth of business. He stressed the value of advertising and told of instances where markets had been found. He closed by stating that the Anglo Saxon people must save civilization and that it was up to our purebred mountain people to do this.

### GENERAL BOWLEY'S PARTY CHIMNEY ROCK VISITORS

Chimney Rock, May 25.—Among the prominent visitors to Chimney Rock section and Hickory Nut gorge here Friday was a party in charge of Brigadier General A. J. Bowley, commander of Fort Bragg. The party consisted of Congressman Jeremiah E. O'Connell, of Rhode Island and Mrs. O'Connell and Major W. E. Burr, aide to General Bowley.

If the afternoon the party went in General Bowley's car to Asheville. While in this section they witnessed the preliminary work being done in getting started on construction of the Lake Lure dam, which, when completed, will be 104 feet high and 585 feet across the top, being anchored between two mountains. It was remarked that this constituted the most natural site for a dam at any place seen along the Rocky Broad river.

When this party passed the construction camp now being erected to care for some 900 workmen, there were no new houses at one of the locations which had upon their return five cottages ready for the weatherboarding. The superintendent in charge stated that his carpenters made a record that day, but this was only typical of the progress they hoped to make in construction of the dam which would begin just as soon as they had houses ready for the workmen to sleep in. The detour from the main highway around the construction camp at the dam site is about half completed and traffic can be routed this way within a couple of weeks.

Drilling of stone and blasting is going forward in this vicinity to produce the stone necessary for a very large culvert under the new highway.

### ROUTE 3 NEWS

Forest City, R-3, May 25.—Mrs. John Young spent Friday afternoon with Mrs. Curlee and Mrs. George Young at Spindale.

Prof. and Mrs. H. J. Cherry, of Alexander, have purchased the lovely bungalow recently vacated by Mr. and Mrs. Burwell on the highway near Harris Oil Station. We welcome Mr. and Mrs. Cherry in our community.

Mr. and Mrs. Henry Wells visited at Mr. T. B. Harrill's Sunday.

Mrs. J. M. Randall spent Sunday night at Mr. T. E. Randall.

### STAR ROUTE GAFFNEY TO RUTHERFORDTON

Efforts made by citizens of the town and communities concerned have been successful in bringing about the establishment of a star mail route from Gaffney, S. C., thru Cliffside, Henrietta, Avondale, Forest City and Spindale to Rutherfordton. The new route will be inaugurated June 15, according to official announcement. The length of the route is a fraction less than 32 miles.

The schedule calls for leaving Gaffney at 5:30 a. m., and arriving at Rutherfordton three hours later. The hour of departure from Gaffney is approximately 30 minutes after the arrival of Southern trains No. 29 from Charlotte and the north.

At present and for some time past The Charlotte Observer has maintained a truck service between Gaffney and Rutherfordton to deliver the paper. The inauguration of the star route means the delivery not only of the morning paper, but of first class mail also.

The star route is scheduled to operate only six days a week, but The Observer has begun negotiations looking toward making it a seven-day-a-week route, with the belief that it will succeed.

A large number of applications are being filed with the fourth assistant postmaster general for the contract for the star mail route from Gaffney to Rutherfordton, according to Postmaster F. B. Gaffney, of Gaffney, who has been supplying the application blanks. The route is scheduled to be started June 15, and all bids must be filed not later than June 2. Mr. Gaffney said one of the applicants resided in Spartanburg and another at Ellenboro, while there are several others all along the route. Cliffside, Henrietta, Caroleen, Forest City, Spindale, Avondale, and Rutherfordton will be served by the route.

The Courier has been told that the establishment of the route depends upon whether applicants for the position of carrier are reasonable in their bids. If all bids are considered high, we may not get the route.

Sunday, they also called to see Mrs. Alpha Cole.

Miss Jackie Yelton of Nebo, returned to her home last Friday after spending several weeks with her sister, Mrs. W. C. Lattimore.

Mr. Solon Stacy of the Midway Service Station recently purchased McFarland Bros. Service Station at Rutherfordton.

Mrs. Sarah Harton, Miss Theola Harton and Mrs. W. S. Cade spent Sunday afternoon in Spindale visiting Mr. and Mrs. J. C. Harton and family.

Mr. Garnett grose spent Sunday in Rutherfordton visiting friends.

Miss Frances Morrow Magness returned Tuesday from Asheville Normal to spend the vacation with her parents, Mr. and Mrs. R. E. Harton.

Mr. H. P. Stacy, Miss Mittie and Curtis Stacy spent Sunday with Mrs. T. C. Cash. Mrs. Cash is a daughter of Mr. Stacy.

### SULPHUR SPRINGS NEWS

The B. Y. P. U. from Holly Springs gave a program at our church Sunday night which was thoroughly enjoyed by a large number. After their program a B. Y. P. U. was organized at Sulphur Springs with Mr. W. M. Hopper for president.

Rev. Horn, from Spindale, preached Sunday night, filling the absence of our pastor.
