Charming Summer Dresses

Every One New Every One a Real Value Every One Smart

This event will be of equal interest to two classes of women—those who are going away for the summer and those who are going to stay at home. But whether or not you are going away, or are staying at home, this group of specially priced dresses will appeal to you. There is a dress here for every daytime need. The charm of the youthful, smart styles shown in the illustration typify the collection of dainty summer frocks we are displaying.

These styles and colorings are unusual, because they are diversified. There are summer silks; canton, crepe de chine, flat crepe, georgette, and chiffon. There are cotton fabrics; linens, voiles, gingham, and broadcloth. There are bright colors—and there are conservative shades. There are gay plaids, stripes and tiny checks.
