It was organized May 24, 1925, with 17 members and now has a membership of 44 and every one seem to be bubbling over with enthusiasm, ready and anxious to do any thing that will better the League.

We have very interesting programs every Sunday night, as well as good programs we have our monthly socials which have proven to be enjoyable. The League is doing something for which it deserves especially credit, it is helping the church in general.

Our church services, Sunday school and prayer-meetings are attended now better than ever before and more interest is being shown by the entire church. Our wide-awake president, Mr. B. H. Carson, is due much praise for the success of the League and good it is accomplishing.

Am glad to note that Mrs. J. I. Grose, who has been on the sick list, is improving.
