

## FORD HAS SALES RECORD FOR JUNE

Total Sales 195,300 Ford Cars and Trucks—Good Outlook For July.

A new June sales record was established by the Ford Motor Company during the month just passed, when approximately 6,000 more Ford cars and trucks were delivered to retail customers in the United States than during the same month a year ago, which held the previous high mark for June.

Reports indicate a continued large

volume of business through the summer months with a higher buying level than is usual during this season of the year. The outlook is for another record-breaking month for July. Urgent requests for additional shipments have made necessary increasing the company's July production schedules, which now calls for several thousand more cars and trucks than were produced in June.

Sales figures just given out by the company show that the total sales for June were 195,300 Ford cars and trucks. Of this number, 176,256 represent domestic sales, as compared with 170,547 cars and trucks sold in June a year ago.

Buying conditions also continue good in the high priced car market. Evidence of this appears in the sales

of Lincoln cars during June, with deliveries to domestic customers totaling 892, and increase of 95 over a year ago.

Owing to the appalling toll in human life that the automobile is taking, we suggest that the newspapers print the list, in bold type, and all of the list for the current issue, be shown on one page, in order that the people may see just how great the list will run each day, especially over Sunday. They may take warning and slow up a bit.

Miss Dollie Shober has returned after a week's visit to Mrs. W. F. Doggett at Gilkey.

Mr. J. F. Grant, demurrage and storage inspector, was a business visitor in town today Monday.

## LINES TO A LITTLE BOY I SAW SUNDAY

(By Chas. E. Shober)  
O, you chubby little elf,  
With your mass of auburn hair,  
I so want you for myself,  
As I see you standing there.  
With your busy little hands,  
And your eyes of deepest blue,  
They have drawn with loving hands,  
My heart, and tied it unto you.

With your sunny winsome smile,  
Making glad the golden hours,  
You are busy all the while,  
Scatterin' sunshine sweet with flowers.

O, you chubby little elf,  
With your mass of golden hair,  
You have drawn me to yourself,  
When I see you standing there.

Rutherfordon, July 18.—Rutherford County recently shipped out its fifth car of poultry for the year, about 6,000 pounds being loaded at that time. County agent F. E. Patton, reported that this brought the total up to 54,000 pounds for this season and that the entire amount sold at approximately three cents a pound more than was being offered by the local market. This saving of \$1,620 to the farmers is equal to the amount paid each year by the county for the services of its farm demonstration agent, stated Mr. Patton.

## ALL OUT OF SORTS?

So Was This Forest City Woman Who Tells Her Experience.

All too often women accept their pains and aches as natural to their sex. They fail to realize that weak kidneys are often to blame for that backache, those headaches, dizzy spells and that tired, depressed feeling. Thousands have found new health and strength by helping the weakened kidneys with Doan's Pills—a stimulant diuretic. This Forest City case is one of many:

Mrs. G. B. Enloe, says: "My kidneys sometimes acted too often and then again, they were inactive. I had headaches a good deal, which were usually followed by severe dizzy spells, when specks danced before my eyes. My back was weak and sore and if I stooped, a sharp pain darted across the small of it. That tired, weary feeling never left me until I started to use Doan's Pills. One box, from the Long Drug Co., cured me." 60c, at all dealers. Foster-Milburn Co., Mfrs., Buffalo, N. Y.
