BRITAIN HOME-COMING

The Brittain Presbyterian church Home-Coming will be held Saturday and Sunday, August 15th and 16th. All former pastors of the church, who are living, are expected to be present. The cemetery has been cleared off and is now a joy to see. There are more than 3,000 graves in this burying ground, dating from the establishment of the church in 1768 to the present. Relatives of these people will gather from over the south-eastern United States and pay tribute to those whose endeavors in the early days of the republic established a church in the wilds, settled the richest and best county in the state and later helped carve a new state out of the wilderness beyond the Blue Ridge. It is fitting that honor and tribute should be given to these brave pioneers, many of them who sleep in unmarked graves in this cemetery.

An interesting program has been arranged for the two days and hundreds of former residents and people of other states will assemble to mingle with friends and relatives and discuss by-gone days.
