

LADIES' NIGHT AT KIWANIS CLUB WAS HIGHLY ENJOYED

Club Has Splendid Meeting,
Graced By Presence Of
Ladies—Hendersonville
Quartette Delights
With Singing.

The ladies were out in large numbers Monday night, making the meeting of the Kiwanis Club one of the most enjoyable held for some time. The occasion, ladies' night, was entered into with a vim and spirit that made for success. The true Kiwanis spirit was manifest throughout, the program was good and the culinary efforts more than up to standard.

The program committee is to be congratulated upon getting the Hendersonville Quartet for the occasion. The neighboring Kiwanians delighted the large crowd with their singing and were splendid in their efforts to please and entertain. Round after round of applause greeted their every number, all of which were delightful.

The quartet, every one an artist, is composed of Kiwanians E. T. Brown, J. T. Wilkins, Roy Bennett and Frank A. Barber. All are prominently identified with the best business interests of our neighboring city. Mr. J. T. Wilkins is mayor of Hendersonville, and is a brother of Mrs. J. F. Weathers, while Mr. Frank Barber is a brother of Mr. F. I. Barber, of this city. We hope to again have the pleasure of hearing these splendid singers.

Messrs. J. M. Edwards, F. I. Barber and W. L. Brown, committee in charge of the program, are to be congratulated upon their arrangements for the entertainment.

Mr. Brown's toast to the ladies, Mr. Barber's jokes and Mr. Edwards' part in the program were all well received.

In the contest for the attendance prize, Mrs. A. W. Falvey and Mrs. C. E. Alcock exhibited artistic ability in beautifying Messrs. T. R. Padgett and G. C. McDaniel. With deft and experienced hands they applied the powder and paint, the lipstick and eyebrow pencil, and their efforts were pronounced good. The prize went to Mrs. Falvey, who had so beautified Mr. Padgett that the shade of Valentino, hovering in the thin ether, turned green with envy.

A rising vote of thanks was given the visiting Kiwanians composing the quartet, the ladies for the splendid supper, the program committee and the club for the success of the occasion.

Messrs. J. F. Weathers and C. E. Alcock announced a meeting of the business men of the city, to be held at The Courier office at 8 o'clock Thursday evening. At this time a proposition will be explained that will interest and profit every business man of the town. Let every one be present.

There will be little of formal business and the day will be featured by a mid-day luncheon to be attended by all Kiwanians present. At present plans are underway for a big Kiwanis golf tournament for the afternoon with a prize to be awarded the winner by the Shelby Kiwanis club.

Important Matter, Relating to the Welfare Of the City As a Whole, to Be Outlined By M. W. Harriss and Others.

Every business man in the city is asked to meet in a called meeting at The Courier office at 8 o'clock Thursday evening, at which time Mr. M. W. Harriss and others will outline a proposition that means money and a bigger business to every business house in the city, and at the same time affect no changes in the present policies of the firms participating in the movement. We want every business man, and especially every merchant, to be present at this meeting. The whole proposition will be outlined to those attending and no one should be absent. This is no stock selling scheme, but a proposition that will be of interest and profit to all taking part and especially will it be for the interest of the city as a whole.

It is to be a co-operative movement that will mean big business to the merchants of the city.

POPULAR TEACHER MARRIED AT SHELBY

Miss Sallie Wacaser Becomes Bride Of Mr. Buren Phillips, Of Caroleen.

Miss Sallie Wacaser, popular teacher in the Henrietta school, daughter of Mr. and Mrs. C. D. Wacaser, of Caroleen, were married in Shelby at noon on Tuesday, August 25, with a ceremony of quiet beauty, at the handsome home of Mr. and Mrs. Z. J. Thompson the nuptials being performed by Rev. C. F. Sherrill, in the presence of only relatives and a few close friends. To the strains of the wedding march from Lohengrin played by Mrs. Loy Thompson, who was dressed in orchid chiffon and lace, the bridal party entered the living room. The altar arrangement before the mantel of the living room was banked with ferns and white clematis, and white peonies. On each side were floor baskets filled with these same flowers. Pedestals held white tapers lighted, making a beautiful effect.

Miss Mary Wacaser, sister of the bride, was maid of honor. She wore orchid georgette and carried an arm bouquet of pink roses and clematis. Mrs. Z. J. Thompson was matron of honor and wore orchid chiffon and carried an arm bouquet of white roses and clematis. The bride entered with Mr. Z. J. Thompson and was met at the altar by the groom and his best man, Mr. Paul Doggett of Henrietta, cousin of the groom. The bride looked lovely in a stunning fall model of coco brown crepe satin with faille fur trimmed coat, hat and accessories to match and carried a shower bouquet of roses and clematis. During the ceremony soft music was played. Immediately after the ceremony a beautiful buffet luncheon was served. The dining room table was exquisite with its handsome lace cloth and centering this was a beautiful basket with white roses, petunias and clematis. Silver candle sticks holding white tapers were placed at each end of the table. After the luncheon Mr. and Mrs. Phillips left for Eastern Carolina and will be at home in Caroleen after September the first. RUTHERFORD FAIR TO BE HELD FROM OCTOBER 6 TO 10

To Be Best Fair In History Of County—Will Be in Class With Best Fairs Of Carolinas—Number New Attractions.

Work at the Rutherford county Fair grounds is progressing nicely. Mr. O. R. Duncan, who has charge of the construction there, stated Monday evening that everything would be in shape to give the county one of the best fairs in its history. The race track is nearing completion. The exhibit building, one of the best of its kind on any fair ground in the state, will be complete in a few more days. The grounds are being enclosed with a ten foot fence and will do away with much of the guard-line business this year. Everything will be in readiness for the opening October 6.

The fair will rank with the foremost in the state. With the new added features it will be in the class with Spartanburg, Sanford, Sand Hills, Concord and Columbia Fairs. The mammoth fireworks display will be well worth going miles to see. They will be the best ever shown at any fair in the state, and will be given every night except Saturday. The Ohio Fireworks Company will put on this feature.

Tuesday will be Children's Day. All of the schools in the county will close on this day and all the children will be admitted free to the Fair grounds.

Other feature attractions will be horse racing and aeroplane flights each day, with a big line of free acts day and night. Daily band concerts will add much to the enjoyment of the free entertainments.

The midway shows will be many and varied, and will be high-class, clean and up-to-the-minute attractions.

The exhibits will be bigger and better than ever and will show the choice products of Rutherford county. It will be time well spent to see the exhibits and booths alone.

With the new features added, new grounds and buildings and the adding of the race track, Rutherford county's fair is to take rank with the best in the two Carolinas. The people should be pleased with this move on the part of the Fair directors for a better Fair, and should give their solid support. It will not only prove a pleasure and a profit to the home people, but will be a splendid means of calling attention of the state to the large and varied resources of this county.

LANDS BIGGEST FISH EVER CAUGHT AT BRIDGEWATER

Dr. Wm. A. Ayers had been considered the champion fisherman, with his catch of a black bass weighing over six pounds, up to last Thursday, when Mr. Harry Camnitz, well known Buick salesman, went him one better by catching a black bass at Bridgewater that weighed an even eight pounds.

In the party going up from Forest City last Thursday were Mr. Camnitz, Dr. R. L. Reinhardt and Mr. Paul Reinhardt, all ardent disciples of Isaac Walton. Bridgewater was right on that day, for it was not long after getting on the water that Mr. Camnitz caught the eight-pound black bass. Before the excitement of the catch had subsided, Mr. Camnitz hooked another, which upon being weighed, scaled six and one-half pounds. Altogether, the party caught 21 pounds of fish. The eight-pound bass was said by one in authority at Bridgewater, to be the largest ever caught there.

Born, to Prof. and Mrs. A. C. Finch, Sept. 2, a fine 9 1-2 pound boy. To Mr. and Mrs. A. C. Allen, Sept. 1, a fine boy was born.

business man of Caroleen, being connected with the Henrietta Mills Store. Among the out of town guests who attended the wedding were Miss Reba Phillips, Mrs. Denis Camp and sister, Miss Camp; Mr. Louie Smith, of Henrietta; Mr. and Mrs. Hall Gilman, sister of the bride from Fallston.

GRAMMAR GRADE SCHOOLS OPEN

Largest Enrollment In History Of Schools—Prospects Brighter Than Ever Before.

The grammar grade schools of Alexander, Bostic and Forest City began work Monday. The work was so planned that it went off almost like any other day of school. The pupils names, room numbers and grades were posted early Monday morning. When the doors were opened at eight-thirty, the pupils knew where to go. A few new pupils who did not come to school Saturday for classification had to be classified. The lessons were assigned and school was dismissed at noon. Tuesday the teachers went through a regular schedule, with full time periods both morning and afternoon sessions. Most of the pupils had bought books and came to school with lessons prepared.

The enrollment of Alexander was around two hundred, Bostic had over one hundred present, and Forest City enrolled above six hundred. This is the largest enrollment in the history of the grammar schools. With the group of interested pupils, a well trained and conscientious faculty Cool Springs Township should have the best session in the history of its schools. Mt. Pleasant opened school six weeks past and they have an enrollment of over one hundred and have a splendid school in every respect.

The large enrollment indicates much interest in the schools this year. However, there are a number of pupils who have not entered school this year. The parents who have children between ages of seven and fourteen that are not in school should send them at once. If it is absolutely necessary that the parents keep their children out of school, they should get a permit from Mr. Price, the Welfare Officer.

School Census At an early date a complete school census of Cool Springs Township will be taken. It is the plan of Mr. W. R. Hill, the County Superintendent, to have a complete school census of the county taken this year. The co-operation of all the people in the district is requested in order to make this work complete.

Jackson Training School In all towns the size of Forest City a number of boys of school age try to stay out of school. Often it happens that the parents of these boys start them to school but can not for some reason or other keep them in school. It is hoped that we will not have any pupils in Cool Springs District of this nature. However, if we have them that will not come to school in the district, Jackson Training School is now prepared to care for a number of Rutherford county
