

THE GUIDING STAR

THAT PROCLAIMS

Increased Mileage! Reduced Upkeep!

That red Texaco star on pumps and tanks along boulevards and highways shows where you will be promptly and fairly served with TEXACO Gasoline, the volatile gas and TEXACO Motor Oil, clean, clear, golden. Get the habit of stopping only under the Texaco star, for here's where your money buys:

TEXACO GASOLINE		TEXACO MOTOR OIL	
Volatility	Highest	Lubricating	Highest
Mileage	Increased	Qualities	Minimum
Power	Increased	Motor wear	Reduced
Easy Starting	Incomparable	Upkeep	Complete
Flexibility	Increased	Piston Seal	Increased
Manifold	Uniform	Oil Mileage	Cleanest
Distribution	Minimum	Spark Plugs	Minimum
Carbonization	Minimum	Carbonization	Minimum

Texaco means the clean, clear, golden motor oil, and Texaco means the volatile gas.

One name for both—at the sign of the Texaco Star.

WHAT RUTHERFORD BOYS ARE DOING AT WAKE FOREST

Rutherford County Club Organized — Large Attendance From Rutherford County — Monday A Holiday.

Wake Forest College, Oct. 30.—The Wake Forest College boys from Rutherford County met October 27th and organized the "Rutherford County Club." The following officers were chosen to direct the affairs of the club: President, C. Rex Long; Vice President, Joe D. Hamrick; Secretary and Treasurer, Chas. L. Gillespie; Reporter, Wade B. Matheny.

The enrollment of Rutherford County boys in Wake Forest College is the largest ever. Eighteen men are enrolled and are as follows: C. Rex Long, Joe D. Hamrick, Clarence D. Matheny, Morris Hamrick, David Roberts, J. J. Sparks, Yates Spurlin, S. A. Scruggs, Lewis W. Nanney, B. Bridges, James Ayers, Chas. B. Trammel, James Jadgett, Charles Padgett, Willie Moss, Marion D. Blanton, Wade E. Matheny and Chas. L. Gillespie.

Three members of the club are in the Senior class. They are C. Rex Long, Marion D. Blanton and Chas. B. Trammel. The latter two are ministerial students, while Mr. Long is going into school work.

Much interest was manifested among the boys at the night of organization. The club decided to hold monthly meetings. Its purpose is to cultivate a deeper fellowship among each other to further the best interest of Rutherford County.

The club is well represented in outside activities of the college. Several of the boys hold responsible offices in the religious and literary organizations of the campus. Some of the ministerial members of the club are pastors of churches near Wake Forest. Willie Moss and James Ayers are regular members of the freshman football team. They play the fullback and quarterback positions, respectively. Moss is following the record of his brother, Tom, who was chosen all-state tackle when he was here. In the last freshman game Willie scored all the points for his team mates.

Dr. W. A. Ayers passed through Wake Forest the other day on his way to Washington, North Carolina to assist in a meeting. He spent the night with his son, James. Another visitor from home recently was Mr. Hague Padgett, of Forest City. Mr. Padgett was passing through on his way home and only stayed for a short time.

Monday, November 2nd, being the autumnal celebration of the two literary societies, is a holiday. Debates, orations, and social events will characterize the day. Since Monday is a holiday, some of the Rutherford County boys are planning to go home, and others will attend the Baptist Student Conference at Chapel Hill.

Every Wake Forest student from Rutherford County is proud of her and her achievements. The boys are always glad to get The Courier.

WADE B. MATHENY, Reporter.

HIGHWAY NO. 20 TO BE COMPLETED BY DEC. 15

Chimney Rock, N. C., Nov. 2.—State Highway Number 20, which extends from Wilmington to Asheville, via Charlotte, Rutherfordton and Chimney Rock, it is now anticipated will have completed the 24 miles between Chimney Rock and Asheville by December 15th. This is the expectation of the contractor, but travelers over this route have been so accustomed to being promised this short cut route on given dates during the past two years of delay that it is hard to put a credence in any statements issued. During this extended period motorists have been compelled to detour via Hendersonville, lengthening the route to 42 miles instead of 24 when the new road is opened to traffic.

Only two miles remain to be hard surfaced to complete the 24 miles and this will be accomplished in less than sixty days according to best information available. Route 20 also has a short detour around the site where the Lake Lure Dam is being built, but this detour is as good as a lot of the main roads, and no slack up in speed is essential.

BLANTON & GREENE ENTER COLUMBUS

Prominent Real Estate Men Of Mooresboro, Establish An Office In Columbus, Polk County.

Blanton & Greene, prominent real estate dealers, of Mooresboro, and who do a big business in Rutherford county, have established an office at Columbus.

The Polk County News says: "C. R. Blanton and A. V. Greene, under the firm name of Blanton & Greene, have opened a real estate office in Columbus in the Polk County Bank & Trust building. This new firm is a valuable acquisition to the county seat town, and will do a general real estate business including buying and selling of property, sales and rentals, and are prepared to give listings of properties for sale. This firm has been conducting a real estate office at Mooresboro, where Mr. Greene will still remain in charge, while Mr. Blanton will operate the Columbus office. Columbus and Polk County extend a welcome to this new firm."

Mr. Blanton was a caller at The Courier office Monday. He said that in addition to offices at Mooresboro and Columbus, his firm expected to do a big real estate business in this county, especially in Forest City, where he sees a great future.

THE MESSRS. LITTLE TO MANAGE BROGON MILLS

The Appleton Manufacturing Company, a corporation organized in South Carolina, has been formed to take over the property of The Brogon Mills, of Anderson, S. C., which was recently purchased by The Appleton Company, of Lowell, Mass.

At their first meeting, Mr. D. D. Little, of Spartanburg, was elected Treasurer of the new Appleton Corporation and will have entire charge of the property. Hugh F. Little, of Marion, has been appointed to assist Mr. D. D. Little in the management of this property.

The Brogon is a fancy goods mill, and with the improvements being made and the additions completed will have 60,000 spindles and 1800 automatic and check looms on fancy outings, flannels and other fabrics. This will be one of the largest fancy goods mills in the South and represent an investment of about \$3,000,000.00.

DAVID COX INJURED

Chimney Rock, N. C., Nov. 2.—Word has been received here of the injury received by David Cox in a football game at Charlotte yesterday, together with the information that he was in the Charlotte Sanitarium in a serious condition. He came there with the Raleigh team and was participating in the game when the accident occurred.

Young Cox, came from Raleigh last summer to Chimney Rock to be assistant at the information bureau and made a favorable impression upon those who came to know him.

KINGS MT. PRESBYTERY

That Forest City is an important factor in the minds of our neighbors of four counties was demonstrated at the fall meeting of Kings Mountain Presbytery, held at the old Log creek church in Gaston county last week, where Mr. J. E. McFarland was the representative of the Forest City Presbyterian church. In extending an invitation for Presbytery to meet here next spring Mr. McFarland eloquently set forth a great many reasons why Forest City should be the choice of this church court, representative of the ministers and elders of five counties. Despite the fact that the important and growing towns of Lincolnton and Kings Mountain also presented most glowing tributes of their ability to entertain and please, the vote stood 1 for Lincolnton, 1 for Kings Mountain and some 40 or more for Forest City, the latter being made the unanimous choice.

Kings Mountain Presbytery will meet in Forest City Presbyterian church on the first Tuesday after the second Sunday in April, 1926.

WOMAN'S STATEMENT WILL HELP FOREST CITY

"I hated cooking because all I ate turned sour and formed gas. I drank hot water and olive oil by the gallon. Nothing helped until I took Adlerika." Unless due to deep-seated causes, Adlerika helps any case gas on the stomach in a surprisingly QUICK time. It is a wonderful remedy to use for constipation—it often works in one hour and never gripes. Reinhardt Drug Co.

Is your Protection costing Too Much? Each defect or hazard about your place adds to the cost of your fire insurance. Small changes sometimes will make a surprising difference in your premium cost. When we inspect your property we show you how to reduce your fire insurance cost to the lowest possible figure. This assistance is but one illustration of the service which we are equipped to render to our policyholders.
