

How Doctors Treat Colds and the Flu

To break up a cold overnight or to cut short an attack of grippe, influenza, sore throat or tonsillitis, physicians and druggists are now recommending Calotabs, the purified and refined calomel compound tablet that gives you the effects of calomel and salts combined, without the unpleasant effects of either.

One or two Calotabs at bed-time with a swallow of water,—that's all. No salts, no nausea nor the slightest interference with your eating, work or pleasure. Next morning your cold has vanished, your system is thoroughly purified and you are feeling fine with a hearty appetite for breakfast. Eat what you please,—no danger.

Pains Very Severe

"I suffered from womanly troubles which grew worse and worse as the months went by," says Mrs. L. H. Cantrell, of R. F. D. 9, Gainesville, Georgia.

"I frequently had very severe pains. These were so bad that I was forced to go to bed and stay there. It seemed to me my back would come in two.

CARDUI

For Female Troubles

"I taught school for a while, but my health was so bad I would have to stay out sometimes. This went on till I got so bad I didn't know what to do.

"One day I read about the merits of Cardui, and as I had some friends who had been helped by it, I thought I would try it. I began to get better after I had taken half a bottle. I decided to keep on and give it a thorough trial and I did. I took in all about 12 bottles and now I am perfectly well. I do not suffer any pain and can do all my housework."

RESOLUTION

At a regular meeting of the Mayor and Board of Commissioners of the Town of Forest City, held in the Mayor's office at and in the said town on Friday the fourth day of December, 1925, the following act or resolution was duly passed and adopted:

Be it Ordained and Resolved: That for the purpose of expediting justice and punishing offenders of the law a Municipal Recorder's Court should, in our judgment, be established in the town of Forest City, and an election be called for the purpose of voting upon the establishment of same.
