ATTENDANCE CONTEST AT SPINDALE CLOSES

Young Men Winners In Friendly Rivalry With Men's Class.

(Clarence Griffin)
The Young Men's Class, Mr. G. B. Howard, teacher, won out in the contest with Prof. B. L. Smith's class of men. The contest opened November 1st and continued thru the last day in December, the losing class paying the expenses of the supper and together meeting. January 1st has been set as a tentative date for a meeting, which will be held in the Memorial Building.

The contest was spirited. Although the Young Men's Class won by a narrow margin the men were not idle.

Members of both classes was considerably and a number of members added to the Sunday school. It seems that the interest in the contest was not confined to the two competing classes. The Sunday school in general caught their spirit of enthusiasm and during the month of December the Sunday school attendance was the highest in its history.

Mr. Simpson, in his report to the first quarterly conference, after reviewing briefly the work done last year, said, "We are now well started on what I confidently believe will be the best year of the charge to this date. This calls for an even better statistical report at the next annual conference and far more important than that, an advance in ideals, a nearer approach to Christ's way of life."

The following have been received into church membership recently: Mrs. Dazel Williams, Misses Sallie and Dorothea Parnell, Mr. and Mrs. William Monfrado, Mr. and Mrs. H. A. Biggerstaff.

Mrs. W. R. Wells and Mr. Shur.

"IF THEY LIFT NOT HANDS OF PRAYER"

Pray for my soul. More things are wrought by prayer than this world dreams of. Wherefore let thy voice

Rise like a fountain for me night and day

For what are men better than sheep or goats

That nourish a blind life within the brain,

If, knowing God, they lift not hands of prayer

Both for themselves and those who call them friend?

For so the whole world is every way Bound by gold chains about the feet of God.

—Alfred Tennyson ("The Passing of Arthur.")

It is not only unnecessary to let a persistent cough rob you of sleep and strength. For through a very simple treatment you can get almost instant relief, and very often break the most stubborn cough completely in 24 hours.

This treatment is based on the famous prescription known as Dr. King's New Discovery for Coughs. You simply take one teaspoonful at bed-time and hold it in your throat for 15 or 20 seconds before swallowing it. The prescription has a double action. It not only soothes and heals soreness and irritation, but it quickly removes the phlegm and congestion which are the real cause of night coughing. So the coughing quickly ceases and you sleep right through undisturbed.

Dr. King's New Discovery is for coughs, chest colds, sore throat, hoarseness, bronchitis, spasmodic croup, etc. Fine for children as well as grown-ups—no harmful drugs. Economical, too, as the dose is only one teaspoonful. At all good druggists. Ask for

Soon Felt Improvement

"The first time I took Cardui I was in an awful bad way," says Mrs. Ora Carlisle, R. F. D. 5, Troup, Texas. "I went fishing one day. A heavy storm came up and I got soaking wet in the rain. I was afflicted with awful smothering spells. I could not get my breath. My mother had some

in the house that she was taking, so she immediately began giving it to me. In a few days I got all right. "Last fall I got run-down in health. I was weak and puny and I began to suffer. I would get so I could hardly walk. Having taken Cardui before, I sent to the store for a bottle of it. Almost from the first dose I could feel an improvement.

"Cardui has helped me a lot and I am glad to recommend it. I don't feel like the same woman I was last fall. My appetite is good now, and I'm sure it's Cardui that's made it pick up."
