

To the Laundry

WHY BOTHER WITH IT?

Give your week's wash to the Rutherford County Steam Laundry and forget all about it. Your clothes will come back to you even better than you could do them at home, and the cost is about the same. We'll end blue Mondays for you.

FOREST CITY, N. C.

The Credentials of BUICK

EXAMINE the credentials of the builder of any car you think of buying. Be sure there is stability behind the car. Be certain that it will not some day join the ranks of the million and more unmarketable "orphan" cars whose builders have quit.

Buick motor cars are backed by vast resources of men, equipment, investment and success. The Buick factory is a mile and a half long. The Buick engineering staff is the largest in the service of any motor car manufacturer. The

Buick sales and service organization numbers 4000, with millions invested in show-rooms and Authorized Service Stations all over America.

And Buick leads in public preference, the indispensable factor in motor car success. For eight consecutive years, the public has invested more money in Buicks than in the cars of any other member of the National Automobile Chamber of Commerce.

Not one of the million "orphans" on the roads today was built by Buick. None ever will be!

BUICK MOTOR CO., FLINT, MICH., Division of General Motors Corporation

the Better Buick

FOREST CITY MOTOR CO.

When better automobiles are built, Buick will build them

MULES!
MULES!

RUTHERFORD COUNTY COURT HOUSE
RUTHERFORDTON, N. C.

LOUIS H. ASBURY ARCHITECT CHARLOTTE, N. C.

The new Rutherford County Court-house will be a two-story and basement building, and for size, second to none in the State. In designing this building nothing but the very best grade of materials were contemplated.

The exterior is to be of selected Indiana Limestone, of classic design and Corinthian order.

On the interior the floors, except in the court room, are to be of terrazzo. The stairs at each end of the building are of wrought iron with marble treads. All interior furniture is to be of steel. The record rooms

in connection with the Register of Deeds office and clerk of court's office are arranged so that all records up to January, 1927, may be placed in the first floor record room and all new records after this date on the second floor record room which is on the same level as the main floor offices on the main floor, as well as the building.

Ample space has been provided for all the court offices and all necessary court rooms. Besides the main court room, rooms have been provided for the judge, jury, prisoners, solicitor, grand jury and witnesses. The county physician's offices are on the sec-

ond floor. The supt. of schools and the county commissioners have offices on the main floor, as well as the sheriff, treasurer, auditor, clerk of court and register of deeds. In the basement is located the farm demonstrator's office and recorder's court room, storage space and available space for any future offices that may develop.

The building is to be of fireproof construction with marble wainscoting in the corridors and, all in all, nothing has been spared in making it a first-class, attractive and permanent building.

Louis A. Asbury, Architect for

the Rutherford County Court House has had considerable experience in various large buildings.

He was trained at the Massachusetts Institute of Technology, Massachusetts, and has offices in Boston and New York. He has recently been named architect for the new courthouse for Mecklenburg County, N. C.

at Charlotte, N. C.

FOREST CITY M. E. CHURCH NEWS

(Dr. W. R. Ware in News Herald) Since the last issue of the News Herald the following members have been received into the Forest City church: Miss Pearl Irvin and Mr. E. G. Morrison. We give to them a cordial welcome.

Our hearts go out in unaffected Christian sympathy and prayer for Mr. and Mrs. F. B. Harrill and family in the sudden and unusual going of their precious child, Ruby, just at the Christmas time. Ruby was a sweet and lovely child. Just three weeks she has been in heaven, short ones to her, perhaps, but long ones to you that see her not. Her joys with the true, real Santa Claus are perpetual while yours were marred and blurred with inexpressible grief. She is waiting your coming to share the gifts and joys eternal in our heavenly Father's house in that best Christmas time that has no end. What would be her wish to each of her dear ones if she could make it known? Would it not be something like this: That your joys and pleasures may be as are hers. May the family circle be unbroken in our Father's house above.

Every cog has its place in the wheel, Every rose its place in the garden, Every petal its place in the flower, Every star its place in the firmament. And every member his place in the church. So he must have the right to sing and to serve and to pray and to pay. To deny him the last of these privileges is as great a sin as

to deprive him of any other part of the sacred service. Don't fail to make the every-member canvass for your church, thus helping to develop the all-round, complete Christian member of your local church.

Personal Items (Mrs. G. C. McDaniel) Our pastor, Rev. W. R. Ware, has returned from the Young Peoples' Convention at Memphis. He reports a great and inspiring meeting. Mrs. Ware spent the time with relatives in Shelby while Dr. Ware was away.

Mrs. J. F. Alexander and Miss Nell Young left last Sunday for St. Petersburg, Florida, for a short stay.

Mrs. Clyde Whisnant has taken charge of the Amy Hackney Missionary Society. We are sure she will make a success of it.

Born, to Dr. and Mrs. Ralph R. Howes, December 20th, a girl. Heartiest congratulations!

Mrs. A. W. Falvey was selected president of the Woman's Missionary Society. The installation of all the new officers will take place Sunday night, Jan. 17, at the Methodist church. Our January meeting will be at Mrs. Ed. Dorsey's Tuesday afternoon the 19th.

Mrs. Charles Flack has taken charge of the Junior Epworth League to assist Misses Sudie Young and Ruth Dorsey.

Our Christmas Musical Concert was given last Sunday night. It was greatly enjoyed by a large congregation. Many expressions of appreciation have been given for the splendid program. Mrs. R. W. Minish, our pianist and choir leader, deserves much credit.

Our pastor, Dr. Ware, assisted in the funeral services of Mr. and Mrs. Preston Goforth who died a few hours ago.

The burial took place at Centennial Methodist church in the northern part of the county in the presence of an immense congregation.

The Sacrament of the Lord's Supper will be observed Sunday morning, Jan. 17. Let all the church members be present and partake of this ordinance.

Many of our Methodist college students were home for the holidays. It seemed good to have them with us.

Mrs. John McMurry is much improved. Her many friends hope she will be out in a few days.

We welcome to our town the families of Mr. E. G. Morrison and Mrs. Elmore. Mrs. Morrison lives in the McDaniel house just east of Mrs. J. F. Alexander. Mrs. Elmore occupies the Harrill house on West Main street.

A class for larger boys will be organized at Forest City Sunday School next Sunday. There should be quite a number to join this class and make it one of the best in the school.

A children's choir is being organized at the Methodist church. This choir will have a special part in the church music every Sunday night. Come and hear the children sing every Sunday in the evening service. It will do you good.

The Christmas concert which our choir had intended to give on the Sunday afternoon before Christmas but which was postponed on account of the death of our beloved townsman, Mr. J. F. Alexander, was given last Sunday evening to a large and appreciative audience. The entire program was well rendered and thoroughly enjoyed by the audience.

and much interest has been manifested.

We hope that this concert will be the beginning of many such musical treats in store for us.

The Sacrament of the Lord's Supper will be administered at Pleasant Grove church Sunday morning, Jan. 24th. It is earnestly desired that as many of the church members be present as possible and partake of this sacrament. This should be made a service of very great help spiritually. Our Lord said, "I will do this in remembrance of me." (Luke 22:19.)

BACK BAD TODAY!

Then Find the Cause and Correct As Other Forest City Folks Have.

There's little rest or peace for the backache sufferer.

Days are tired and weary— Night brings note respite. Urinary troubles, headaches, dizziness and nervousness, all tend to prevent rest or sleep.

Why continue to be so miserable? Why not use a stimulant diuretic to the kidneys?

Use Doan's Pills. Your neighbors recommend Doan's. Read this Forest City case:

L. C. Lowrance, ex-mayor, Broadway, says: "My back hurt and sometimes when I arose from a sitting position, a sharp catch seized me in the small of it. My kidneys were too active and the secretions were unnormal and contained blood. I saw Doan's Pills and bought a box. I took them and the pain was relieved and the blood disappeared. I am now well and happy."
