

BIG PROGRAM AT HIGH SCHOOL THIS AFTERNOON

Declamation and Recitation Contests—Field Day Events.

It was decided to have the declamation and recitation contests at the high school auditorium Thursday afternoon. After these contests are over, contests in athletic events will take place on the new athletic field.

This is the first year that the grammar grade schools of the Cool Springs Township agreed to have a field day. Also this will be the first inter-school declamation and recitation contest. It is creating much friendly competition between the different schools. All of the schools will be well represented at the high school Tuesday.

The high school will have one class after noon. Then all the doors of the school will be opened and all the parents and grammar grade pupils will have an opportunity to inspect all departments of the high school. The grammar grade schools will dismiss at noon and assemble at the high school in the afternoon. The teachers of the grammar school and most of the pupils will be at the high school. It is estimated that a crowd from fifteen hundred to twenty-five hundred will be present Thursday afternoon.

OLLIE HAMILTON'S SHOW PLEASES LARGE CROWDS

The Ollie Hamilton Dramatic Stock Co., opened a weeks engagement in their tent on Main street Monday night to a large and appreciative audience. This is their first visit to our city and they made a splendid impression with the opening performance and are keeping up that reputation, with the promise of better things to come for the week-end.

The show is clean throughout and conducted on a high plane. The acting is good and the plays all interesting. Good order is maintained.

Thursday night, Friday and Saturday night good bills are to be presented, while the Charleston contests should prove a scream.

BOY SCOUT NEWS

On Wednesday night of last week Messrs. Fred L. Smyre, R. M. Schiele, of Gastonia and G. R. Gillespie, of Forest City, appeared before the Tryon Chamber of Commerce at Tryon and officially received Polk County as a member of Piedmont Council, Boy Scouts of America.

A large number of representative Tryon men were present and listened with interest to possibilities and developments of scouting as set forth by these officials of the council. At the conclusion of the addresses a committee from several districts was appointed to secure leaders for troops and \$1,000 was subscribed at once for the quota of Tryon and Polk County. Voluntary contributions of from \$250 down to \$25 were made without solicitation and Tryon welcomed with open arms the opportunity to be identified with the Scout movement and to give liberally of their means to its support.

Mr. W. D. Harmon, of Atlanta, who will be assistant to Executive Schiele, was present and it was decided he would open headquarters in Forest City just as soon as the quota of Rutherford had been made available.

MAUNEY-DORSEY

A wedding of interest to their many friends here was that of Miss Olive Mauney, of Charlotte, and Mr. Marvin Dorsey, formerly of Forest City, but now of Charlotte, on Saturday, April 3rd, at 10:30 a. m. Rev. A. L. Stanford, pastor of the Methodist church, officiated. Only the immediate families and a few intimate friends witnessed the ceremony. Mrs. Dorsey is a charming young woman and has visited here and has made many friends. Mr. Dorsey is the son of Mr. and Mrs. M. E. Dorsey, of this place, and is a popular and splendid young business man. After the ceremony they left for Asheville, where they spent a few days at the Vanderbilt hotel. They are now located in Charlotte temporarily. Their many friends join in best wishes for them.

BUYS THE PRICE STOCK

Mr. E. I. Sinkoe bought the J. M. Price & Son stock of goods Wednesday, which they will add to their already large stock. The Messrs. Price have been noted for the quality of their goods and this purchase will be a valuable addition to the large Sinkoe stock.

J. M. Price & Son have been in business here for the past six years and have enjoyed a large business. They were the first to install a steam presser in the county and this business has had a steady growth, reaching proportions that has caused the Messrs. Price to decide to sell their stock of goods and concentrate exclusively on the pressing and dyeing business.

If you do not think a hydraulic ram gives service, ask C. M. Watson of Bostic, R. F. D.

RUTHERFORDTON IS WINNER IN DEBATE

Rutherfordton, April 3.—Central high school of this place won over Forest City and Cliffside high schools last night in the triangular debate and will go to Chapel Hill April 15 for the finals. Miss Lucile Callahan and Horace Elliott upheld the affirmative here against Irma Bridges and Craig Watkins, of Cliffside, while William Jones and Roger Edwards defeated Charles Dalton and Reid Harrill, of Forest City.

SUCCESSFUL EASTER SERVICES

A large and appreciative audience filled the First Baptist church Sunday night to hear the "First Easter," a sacred cantata, rendered by the choir. Miss Goggans, the organist, demonstrated her ability, not only as a performer, but also as a director. The cantata consisted of choruses, solos and duets and every part was rendered with such ease and proficiency as to inspire the large audience with the glad spirit of Easter. The solos were rendered by Misses Gaines, Wilder, Meares, Mrs. H. Padgett and Mr. Walker from the Alexander Schools at Union Mills.

Mr. Abe Glickman contributed much to the rendition by playing a beautiful and most pleasing violin obligato running through the entire cantata. The church considers itself fortunate to have a person of Miss Goggan's ability in charge of its music.

The music Sunday morning was beautiful and appropriate.

Mrs. Glickman sang, most effectively, "He is Risen" and a quartette, composed by Mr. A. T. Helton, came as the closing number.

The service generally was uplifting at the conclusion of which the pastor received five new members into the church.

CLEAN-UP WEEK APRIL 12 TO 17

The week of April 12th has been set aside as clean-up week. Each property owner is asked to get all rubbish put into barrels or boxes and put out so that the city can have the truck call for same and haul away. Owners of vacant lots are asked to have all old lumber and trash removed. Let's clean up our town and premises. Let each one take a pride in their lawns, streets, etc.

"Paint up and Clean Up!"

April 1st is the time for all hogs to be removed from town premises. Owners of any hogs that are in town are asked to remove them at once. This order is in accordance with a law passed by the town board and will be enforced. The chief of police will make an inspection and any one found having hogs on premises will be brought before the Recorder's Court.

DR. A. C. DUNCAN,
Health Officer.

PIEDMONT EXPOSITION

Spartanburg, April 7.—The third Piedmont Exposition will be the biggest show of its kind Spartanburg has ever experienced. The number of exhibitors already enrolled is larger than in either of the two previous expositions and it is expected that when the show opens on Friday night, April 16, the efforts of past years will be far eclipsed.

An elaborate style show will be staged on three nights of the exposition, Tuesday, Thursday and Friday nights. The stage will be provided with special flood lights to give to the fashion parade the brilliance of a sun-lit pageant.
