STATE PRIMARY TO BE HELD SATURDAY, JUNE 5

May 22 Closes Registration and Filing Date—Registrars and Judges.

The State wide primary will be held Saturday, June 5. This is not a Democratic primary, but a primary for both, or all parties where used by them. If there were, say two or three candidates in Rutherford county running for sheriff, register of deeds, or any other office on Republican ticket they would be voted on by the Republican voters in the primary, just like the Democrats will do. In other words, the Republicans of the county usually name their candidates in open convention while the Democrats name theirs in the primary. If there is only one candidate for any given office on the Democratic ticket, in the county, the board of elections will declare him or her the nominee of the party and their name will not appear on the ballots in the primary, says The Rutherford County News.

The County Board of Elections is composed of J. R. Anderson, Chm., P. C. Rollins, secretary, Reev. Barney Hamrick, the Republican member, has not qualified yet. This board met Saturday. The Republican judges for the various precincts will be appointed later.

Time For Filing.

The time limit for candidates to file for county and township offices with the County Board of Elections expires midnight, May 22nd. All pledges must be signed by candidates in person. Pledges are available at the chairman's office in the City Hall here. Mr. Wayne Bridges will take pledge and fee for filing same when the chairman is out. Mr. Bridges can be found upstairs when not in the chairman's office in the City Hall.

Registration.

Registration books open April 30 and close May 2nd. All voters coming of age, new comers, etc., must register if they expect to vote in the primary.

Republicans can not legally vote in a Democratic primary unless he or she takes oath to support the nominee in the general election.

"Landscaping," Subject of Notable Lecture at Redpath Chautauqua.

Edward A. Marshall, nationally known authority on landscape gardening, will be heard at the coming Redpath Chautauqua in a highly illuminating and helpful discussion on "Landscaping."

Mr. Marshall has made a lifelong study of landscape gardening in its relation to more attractive home surroundings. For the prospective buyer of property he gives important information regarding the selection of a home site; while for the renter, the

home owner of average means, or the possessor of a large estate, his plans for making the grounds more attractive are thoroughly practical, and at the same time productive of highly artistic results.

To illustrate the various points of his lecture, Mr. Marshall arranges on a huge screen before his audience realistically painted pictures of a house, the grounds, trees, shrubs, walks, etc., until a well-landscaped ensemble is clearly depicted.

His talk on landscape gardening is one which everyone interested in home or civic beautification will thoroughly enjoy and from which they will derive immeasurable benefit.

DELEGATES TO B. Y. P. U. CONVENTION

The Goode's Creek B. Y. P. U. sends in the following delegates to the convention held at the First Baptist church, Hendersonville, April 30, May 1 and 2: Mr. Roy Scruggs, president of the union; Miss Birdia Byrd, Bible readers' leader; Miss Willie B. Allen, A croup captain, and Mr. Vance Rollins. The mark for the union will be given by Misses Byrd and Allen. The Goode's Creek union is a lively and busy one. The young church members are learning "to be about the Father's business." The community has stood by the union in their endeavors to carry forth a worth while unit to the church. The young people have not yet failed to have the older people come to hear their interesting programs.

After Miss Birdia Boyd gave a B. Y. P. U. course the union voted to become an A-1 within the quarter.

The following are to be congratulated on their marked improvement in public speaking: Messrs. Jack Alexander, Charles Alexander, Baxter Scruggs, Vergil Scruggs, and Roy Scruggs. Misses Bernice Dobbins, Lucile Sherlin, Estele Lawing, Willie B. Allen, Ruth Goode and Mallie Scruggs.

In Loving Remembrance

Often our thoughts turn with great reverence and love to those who are no longer with us. Over the graves, nature lays her carpet green. Flowers too, help some. But have you done your part? Before another day is passed come in and select the stone or design for a fitting tribute.

Is Your Car a Steamer?

The use of cheap bootleg gasolines, that are more widely sold than you imagine, has ruined the delicate "digestive organs" of thousands of cars. Slow pick up, jerky motions, hard to start, loss of power, are a few of the effects from such fuel. Some so called gasoline is watered, others diluted with various chemicals claimed to eliminate knocks, etc.

Don't be a sucker and use any kind of gas—use only Texaco gasoline—the standard of all. Lightning on the pick up and high on power.

Your car deserves the best and WE HAVE IT!
