The Farmer Can't Stand Much More Help Like He Has Been Getting

Congress say they are helping the Farmer. They are in Washington ON salary. He is home trying to pay it. Farmers have had more advice and less relief than a wayward son. If advice sold for 10c a column, Farmers would be richer than Bootleggers. And when they get all through advising, there is just one thing will help the Farmers. That is eliminate some of the middlemen and let the two ends meet. The Consumer and the Producer are two men in America that have never even seen each other. Cut out the middle and tie the two ends together. When a steer starts from the feed pen to the table, there is about 10 to take a bite out of him, before he reaches the family that pay for him. Who wears the best clothes or drives the best car, the fellow who raises a bushel of wheat, or the working fellow who goes up to buy a sack of flour? Why neither one of them. The ones in between these two have their private Tailor and "Straight Eights."

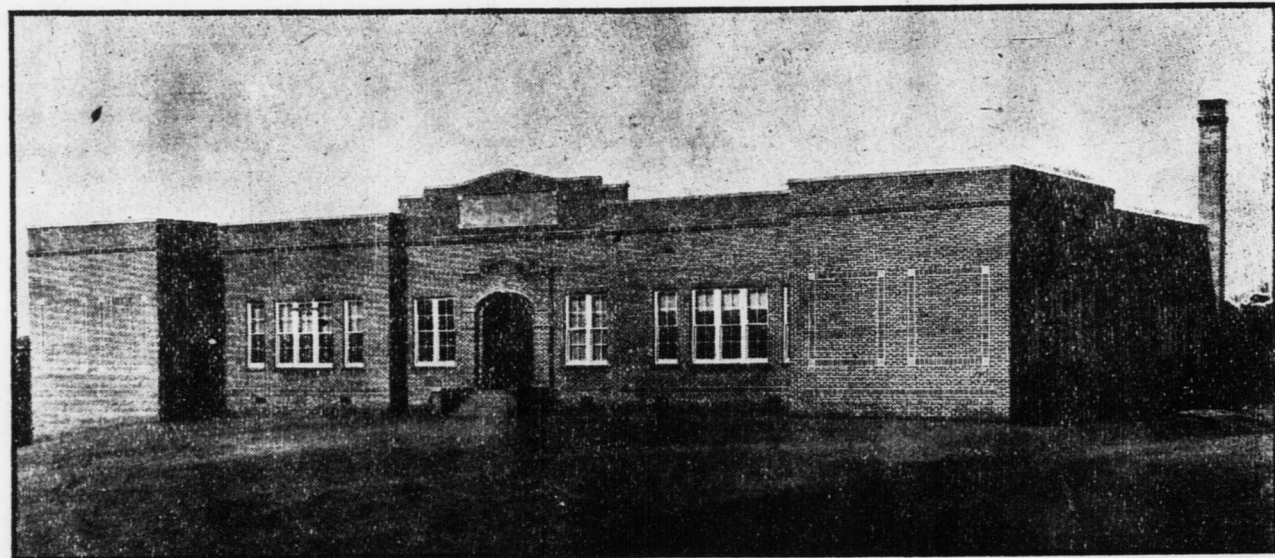

The Government just told Agriculture, "You are in a hole." They didn't offer to pull them out, but they did say, "We will get down in there with you." I want to tell you right here, I don't know what would have happened to the poor farmer if it had not been for his old friend, "Bull" Durham. It's the only thing he has been absolutely able to rely on. And I want him to know that myself and "Bull" Durham are with him right to the poor house door.

Wile Rogers
P.S. There will be another piece here a few weeks from now. Look for it.

AVONDALE'S HANDSOME NEW SCHOOL BUILDING

—Courtesy Rutherford County News. Photo by Gilbert.

**AVONDALE HAS MODEL
NEW SCHOOL BUILDING**

Worth \$50,000—Ample Room, Light, Heat and Ventilation—School Has Had Remarkable Growth.

Avondale, June 7.—Avondale recently closed the best school in her history. The same faculty will return next year. Prof. F. S. Hall is principal. He has charge of the seventh and eighth grades and has been head of the Avondale school for seven years. Miss Alice Edwards has charge of the fourth and sixth grades and has taught at Avondale one year. Miss Lola West is in charge of the fifth grade. She has been there two years. Miss Ila Freeman teaches the second and third grades and has been in this school two years. Miss Bess Jackson is teacher of the first grade and has been in the school one year. Miss Muriel Barnes was domestic science teacher. This department was a decided success. There was 15 perfect attendance certificates awarded, 12 seventh grade diplomas and three certificates for excellence in spelling. The total enrollment was 175. The attendance has been 97 per cent of the enrollment for the past two years. Miss Barnes gave a prize for the most improvement in domestic science. This was won by Miss Nellie Robertson while the best notebook kept of the work was won by Miss Luna Harrill. Jessie Nanney and Sue Smith were given prizes for being the best spellers in their grades.

Model School Plant.
Avondale has a school building that the county and state can justly be proud of. There is nothing like it in the county. It was occupied March 8, 1926. It is a one-story brick building, built of Bostic brick. It is well lighted and heated. It has sanitary drinking fountains, toilets and laboratories for both sexes. It has eight class rooms, six of which

are used for regular class work and two for the Domestic Science department. There are 13 rooms in the building. The auditorium will seat 700 people with a possibility of 1,000. It contains a large stage with storage, dressing and music rooms adjoining.

There is an attractive superintendent's office and a good library. The building is well equipped. It has about 500 lineal feet of slate blackboard. There are five exits to the building, three have double doors. No front door is exposed to the weather. The architect was Mr. T. E. Davis, of Asheville. The windows, doors and frames were made at Cliffside Mills wood working plant. The building was built for safety, service and comfort. Mr. T. E. Biggerstaff of Avondale, supervised the carpenter work, while Mr. P. B. Freeman was in charge of the brick work.

Many school officials have inspected the building and pronounced it the latest and best of one-story buildings. All space is well utilized. The Haynes Mill built most of the building. The plant and equipment is valued at from \$45,000 to \$50,000. Avondale has a nine months term, the mill paying for three months.

Prof. Hall started at Avondale seven years ago with two teachers and about 45 pupils in two cottages, joined together for a school house. Hollis community will erect a school building similar to Avondale this summer. Other schools are using it as a model. This plant is a great monument to the officers of the Haynes Mill and the people of Avondale. It shows that they are deeply interested in the education of their boys and girls.

**GREAT PROGRESS MADE
AT BEAUTIFUL LAKE LURE**

Chimney Rock, June 7.—Great progress in the creation of a mountain lake resort of first magnitude will be reported at the annual meeting of stockholders of Chimney Rock Mountains, Inc., which was held at the headquarters office at noon Tuesday, June 8, according to official announcement now being sent to those interested.

Since the last meeting a large number of major projects have been successfully launched, and work pushed upon other construction phases at Lake Lure. The gigantic dam is reported more than half completed, Lake Inn will open its doors on August first, the initial water works system on Pool Creek is now under construction, contract has been let for installation of a \$25,000 sewer system, many miles of roads in Luremont in addition to the link of N. C. 20 have been graded and ready for hard surfacing, and a large percentage of Lake front and lake view lots in the initial residential section have already been purchased even before the grand opening which has been set for June 15.

ADMINISTRATOR'S NOTICE

Having qualified as administratrix of the estate of B. J. Baynard, deceased, late of Rutherford county, North Carolina, this is to notify all persons having claims against the estate of said deceased to exhibit them to the undersigned at Forest City, N. C., on or before the 26th day of May, 1927, or this notice will be pleaded in bar of their recovery. All persons indebted to said estate will please make immediate payment.

This 26th day of May, 1926.
JULIA BAYNARD, Administratrix.

FERRY NEWS

Among those leaving for summer school today are Misses Ethel Scruggs, and Birdia Byrd who will attend at Lenoir-Rhyne college at Hickory.

Miss Irene Scruggs left last Monday for Boone to attend summer school there.

Mrs. C. S. Hemphill and family, of Forest City, visited Mr. Bud McGinnis and family, Sunday. Mrs. Hemphill and Mrs. McGinnis are sisters.

Mr. J. F. Kimbrell and family, spent Sunday with relatives in Polk county near Melvin Hill.

Mr. England Honeycutt has been suffering for some time with an inflamed arm.

Mrs. J. S. Sherlin spent a few days last week with her daughter, Mrs. Zorah Dobbins near Concord church, Mr. Dobbins and family were here Saturday enroute for Hendersonville, where Mr. Dobbins will ply his trade as carpenter for a while.

Mr. and Mrs. O. R. Padgett visited at Mr. Gaither Kennedy's Sunday. Mr. Padgett is employed at Chimney Rock this summer.

Mr. B. W. Goode and daughters, Misses Maude and Mary, spent last week-end at Mr. M. L. Goode's, Mr. Goode and family live at Chesnee, S. C.

The oat crop is real good through here which is of great value to the farmers. Mr. Sherlin has been harvesting his bumper crop for over a week, he intends using the oats as hay.

**Headache
dizziness**

"I HAVE headache once in a while, usually coming from constipation or torpid liver," says Mr. L. A. Morphis, of Pottsville, Ark., "and the very best remedy I have found to correct this condition is Thedford's Black-Draught. It acts quickly and easily, and it just can't be beat."

"Black-Draught is the very best laxative I have found. I always feel so much better after taking it."

"My wife takes Black-Draught, too. For dizziness, costiveness and any little stomach disorder, we find it most satisfactory, and consider Black-Draught a family medicine."

Constipation, with an inactive liver, locks up poisons in the body and allows them to do their dangerous work.

Being purely vegetable and containing no harmful drugs, Black-Draught acts gently, helping the system get rid of impurities and preventing serious sickness. Get a package today. Sold everywhere. 25 cents.
