METHODIST NEWS

Rev. M. W. Heckard preached on last Sunday morning June 6, from the book of Exodus 20:1-11. He explained very briefly the first four commandments.

The Woman's Missionary Society will begin their next study class on Tuesday evening, June 8. The title of the book is "Heating Ourselves," with Mrs. N. W. Heckard, teacher.

A large number attended the district meeting of the Woman's Missionary Society at Spindale on last Tuesday, June 1. We are proud to say that we had the largest delegation of any church present those who attended were: Mrs. W. H. Haynes, and daughter, Amanda; Mrs. J. S. Rudisill and daughter, Dorothy; Mrs. S. L. Thompson, Mrs. P. C. Hawkins, Mrs. C. B. Martin, Mrs. Carl Black and Mrs. C. D. Hughes; Misses Mary Quinn and Lee Womack, Fannie, Jennie, and Lillian Atchley, Eunice White, Aileen Jonas, and Virginia Steel. All reported a nice time.

Mrs. J. P. Hardin spent a few days last week with her mother, Mrs. J. R. Biggerstaff, of Mooresboro.

We are sorry to note that Mrs. John Harrison is very sick at present, but we hope for her a speedy recovery.

Mr. Thomas Rudisill is spending the summer with his brother, Dr. J. S. Rudisill.

The Epworth League gave a radio program on last Sunday evening, and it was enjoyed by all leaguers present.

Mrs. L. G. Garvin has returned home after spending two weeks with Mrs. N. W. Darby, of Anderson, S. C.

Mr. J. C. McLeod, who recently underwent an operation at the Presbyterian Hospital, at Charlotte, returned last Friday and is able to be out on the streets again.

Mr. D. F. Greene, of near Gaffney, spent Monday here.

BAPTIST CHURCH NOTES

On Thursday of last week, Dr. John T. Henderson arrived here to conduct a series of Layman's Conferences. Dr. Henderson is secretary of the Southern Baptist Layman's Movement which we believe has recently been renamed the Baptist Brotherhood. A large crowd greeted Dr. Henderson at the first service which was held in the main auditorium of the church. After the service an informal reception and lunch was held in the dining room of the church.

Services were held each night and on Sunday Dr. Henderson spoke four times. After records were made in the Sunday school all the departments met in the auditorium and enjoyed hearing Dr. Henderson. He spoke at the 11 o'clock service and at 3 o'clock in the afternoon and brought his last message of the series at the evening hour after which he left for Spartanburg where he is entrained for his home at Knoxville, Tenn.

Dr. Henderson's coming has been of inestimable value to the church and community. His messages dealt principally with stewardship and many have been greatly benefited. The pastor has been called to pray with parties who have come to the realization that they have not been giving God a fair deal in their lives. Dr. Henderson has a way of impressing his hearers with the deep sincerity of his message. He is himself a business man and knows the value of taking God into business and every phase of life. As some one expressed it his messages cannot but make men think seriously of their duties and obligations to God.

Several remarked to the pastor during the conferences that they felt it would be a good thing to start a series of revival meetings with the pastor leading. Sunday morning the pastor announced that he wanted all interested in the progress and work of the church to meet him at the church at 7:15 Sunday evening. There were really more present than expected and it seemed that each one present felt deeply impressed that the pastor should announce services for Monday night and continue as long as interest demanded. Services were announced and on Monday night the interest seemed good. The pastor brought a splendid message founded on the raising of Lazarus. Prof. Carl Jordan has been secured to conduct the music each night by soloists, quartettes, etc. There has been no time to advertise the meetings before they started, but it is hoped that the public will join in these services and especially are all Christians asked to come and help in the services by your prayers or in any way possible. The members of the other denominations are cordially invited to attend and the members of the choirs

are asked to co-operate with the music.

Dr. Henderson remarked just before he left that he felt the time very propitious for a great meeting. Dr. Henderson while here was the guest of Rev. and Mrs. R. C. Smith. He is a cousin of Mrs. Smith.

At the close of the services at Baptist church Sunday night the pastor announced that somehow he felt that the people should pray for rain and asked that all who would like to join in a special prayer for rain to remain after the benediction. Every one remained and several joined in the prayer.

Local Happenings

Mrs. J. C. McCraw, who some time ago suffered a stroke of paralysis, is still very ill. Her condition was thought to be improving for a few days but for the past few days she has grown very weak. Mrs. McCraw has a host of friends here and elsewhere who are deeply interested and hope for her recovery.

We are glad to welcome to our town Mr. Grady Morehead and family, who moved here last week from Henrietta. Mr. Morehead has succeeded Mr. C. C. Tate as overseer of the carding department of the Cliffside Mills. Mr. Morehead has taken the house on Main street formerly occupied by Mr. J. J. Frye and Mr. Frye has moved into the North Main residence previously occupied by Mr. G. C. Tate before his removal to Forest City.

Mr. R. C. Hinkle who a few weeks ago accepted a position with the Irene Mills, at Gaffney, S. C., moved his family here last week and Mr. and Mrs. V. V. Fortune now occupy the house vacated by Mr. and Mrs. Hinkle.

The Henrietta and Cliffside teams crossed bats here last Saturday and the result was a victory for the visitors, 5 to 6. The locals have won two of three games which is not so bad at all. Let's boost and back up the home team.

Mr. Alton Mcaniel has been pretty sick for several days but is able to be out again.

Mr. and Mrs. Grover C. Haynes, and children, have arrived from Winter Haven, Fla., and will spend the summer here.

Mr. Roy Scruggs, of Charlotte, spent last week with friends here.

Mr. and Mrs. Claude Grose, of Shelby, visited Mr. and Mrs. J. B. Freeman, last Sunday.

Miss Mable Bridges left Sunday to attend summer school at Hickory, N. C.

Mrs. L. G. Garvin returned last Sunday after spending several weeks with her parents, Mr. and Mrs. Darby, of Anderson, S. C. She was accompanied home by her brother, Mr. Walter Darby, who will visit here for several days.

Mr. B. H. Pritchard has returned after spending some time in Florida.

Master Joe Shull, of Charlotte spent the week-end here with Mr. and Mrs. B. P. Caldwell.

Mr. and Mrs. R. E. Carpenter spent the week-end at Gastonia. Mr. and Mrs. Chas. Burrus, of Shelby, and Mr. and Mrs. W. R. Wells, of Spindale, visited Mr. and Mrs. G. C. Shuford, Sunday.

Miss Mary Sue Edwards left Monday to enter Robinson's Business College at Spartanburg, S. C.

Mr. and Mrs. John Roach and the latter's mother, Mrs. Edwards, accompanied by Mrs. J. R. Frye and children, Miss Lucille and Master Jack of Avondale, visited South Mountain Institute Sunday.

Messrs. Z. O. Jenkins, Prof. F. S. Hall, J. C. Hames and J. G. Roach returned the last of the week from Virginia, where they went in the interest of the Black Bear Trail. They made the trip in Mr. Roach's car and report a fine trip.

Mr. J. Y. Padgett is still improving and made a trip to Shelby Monday.

Mr. Fred Dobbins spent last Sunday in Shelby.

Mr. Ivey Shuford, who was a student at Weaver College at Weaver-ville, last term, is visiting his brother, Mr. G. C. Shuford.

Miss Holland Shull of Twin

Springs, S. C., visited Miss Alice Carpenter last week.

Mr. Thomas Rudisill, brother of our pharmacist, Dr. J. S. Rudisill, has accepted work here for the summer.

Messrs. G. K. Moore, Jr., Frank Hanlan and O'Sullivan, of St. Petersburg, Fla., are spending this week here.

Born recently to Mr. and Mrs. Martin Black, a girl.

RURAL HOMES IMPROVED BY ATTRACTIVE ROOMS

Raleigh, June 8.—One of the easiest ways to improve the rural home is by having attractive rooms and these may easily be improved by studying the house and plan the individual room.

"The ideal house plan will provide the exposure best suited to each room," says Miss Helen Estabrook, of the home demonstration division at State College. "The kitchen needs

the cool exposure to the north or northwest while the dining room should have an eastern exposure to secure the joy and health giving qualities of the morning sunlight. The living room should be located to the south and west so that it might have the sunlight and air necessary to the health of the entire family. Each room should have at least two windows and cross ventilation is needed for the kitchen and sleeping rooms."

Miss Estabrook states that rooms with a warm exposure need cool background colors, such as blue, green, grey, or mauve. Warm colors are orange, yellow, tan or red. Light colors make a room seem larger and dark colors make the room seem smaller. The floor should always be darker than the walls or draperies. If the ceiling is low, it should be lighter than the walls to give an effect of greater light.

The room should be carefully studied before any furnishings are added, Miss Estabrook states. Then the selection of furnishings should be with the idea of securing harmony

between the architecture and furnishings as well as between the furnishings themselves. By a little careful study of the situation, many homes can be made much more attractive by some simple changes and groupings of the furniture as well as by refinishing the walls and adding needed draperies and hangings.

A farmer in Anson county is getting an income of about \$200 per month from the sale of milk from six cows. This man grows all of his hay and nearly all of his grain feed on his own farm.

Union county farmers have adopted lespedeza, vetch and soybeans in a soil building program in Union county. Over 40,000 pounds of vetch seed were planted last fall and much of the crop has been plowed under this spring.

A second application of quick acting ammonia like nitrate of soda or sulphate of ammonia will help to bring cotton to a healthy growing condition.
