WOWMAN TAKES CAR; FLEES GAFFNEY

(Continued from First Page)
three youths and the woman all jumped out and ran. After the sheriff's party passed without stopping, the woman beat the youths back to the car, stepped on the starter and headed north at top speed. Constable McGraw was notified by telephone. Less than 20 minutes after the occurrence he was in hot pursuit, but the woman maintained her speed despite handicaps and the officer was never able to overtake her.

Astonishing Pre-Season Sales Record Announced at Lake Lure Opening

Assures Immediate Colonization of Great Mountain Lake Playground Development the like of which the world has never seen

In six short weeks, thirty-six actual working days, the public has bought 268 plots in Luremont on Lake Lure, for \$803,000.00. Many will be built on immediately.

Thus the stamp of approval is placed upon Dr. Morse's dream of twenty years--a splendid vote of confidence rewards the faith testing efforts of the past.

These early buyers have vision. They see Lake Lure now. These purchasers have enhanced the value of their own pieces, well ahead of the arrival of the eager summer throng from the lowland states. Their judgment was justified Tuesday when General Bowley dedicated Lake Lure town.

Catch the foresight of these pioneers. Luremont is 40 per cent sold. The remaining 60 per cent includes some of the prettiest property that will ever be offered on Lake Lure. Come in at the original prices.

The hour strikes. The time is now.
