SPINDALE NEWS

Much Interest in Baseball—Boy Scouts on Outing.

Spindale, July 13.—The chief topic of conversation centers around baseball during the hot weather here. A great deal of interest is being manifested in the Textile League, composed of teams from each of the mills and the office force. Games between these teams are played twice weekly: Tuesday and Friday. To date the club standings are as follows:

Team	Won	Lost	P.-C.
Spencer-Spindale	2	0	.1000
Stonecutter-Horn	2	0	.1000
Office-Supts.	0	2	.0000
Spinners-Ethore	0	2	.0000

The town team is doing some good work this year. About two games per week are played. An interesting game was had Thursday afternoon, when they met Alexander on the local ground. Joe Hamrick, for Spindale, put two home runs over the fence in as many innings, and was followed by a home run by Dazel Williams, of Spindale. Batteries for the game were Miller, Lancaster and Lancaster, Alexander; and Corn, Watson and Tomblin, Spindale. The final score was 8 to 9 for Alexander.

A baseball feature of Thursday afternoons are the games between the merchants, clerks and business men of South Spindale and North Spindale. All mercantile business is suspended in town on Thursday afternoons, during the hot months, in order to allow the employees a half holiday. Occasionally their games go one better on the traditional 40-11 negro match; but more often real talent is shown in playing these games. Last Thursday the results were 6-7 in favor of the "lower" or south end of town, and no serious injury to any player. Batteries were: Lower End—Gross, Patterson, Scoggins. Upper End—Houser, Sherrill and Byrd.

Spindale Troop one, Boy Scouts of America, left Monday morning for a week's outing at the Piedmont Council Boy Scout Camp at Lake Lanier, near Tryon. This live troop of scouts has come to be realized as a big asset to the town. On practically every public occasion they are called upon for various forms of public service, which is cheerfully rendered. And in everyday life they exercise a wholesome influence in the community. The record of the troop during the year is an enviable one, and under the leadership of Rev. O. L. Simpson, as scoutmaster, promises to maintain its present high standard.

Those on the second annual encampment are: Billy Hill, Clyde Shytie, Herman Harrill, O'Neil Shytie, Bob Padgett, Gilbert Monfredo, Scoutmaster O. L. Simpson, Deputy Scout Commissioner Clarence Griffin.

Know Your Cook Book, Girls, Advice of Diva

Margery Maxwell, prima donna with the Chicago Civic and Ravinia opera companies, and who enjoys the distinction of being among the first American girls to be recognized in grand opera circles, takes particular pride in her culinary skill. Cooking, in her estimation, is a fine art which is rapidly being lost.

Margery Maxwell.

"Doubtless one of the big reasons for this condition is that modern young men don't expect the girls they marry to know much about cooking," said Miss Maxwell.

"In the future, before man pops the question, he's going to find out whether the girl knows what calories are and whether she's wise to the elements of a balanced diet."

"A few questions before the minister asks, 'Do you take this woman?' would save a thousand recriminations later."

There are certain dishes to which Miss Maxwell is partial. As she explains them, they are readily prepared. Miss Maxwell uses for Maryland Chicken.

- Two 2 1/2 lb. chickens (broilers)
- 1 cup water
- 2 eggs
- 2 cups bread crumbs
- 1 cup fat
- 1-3 cup butter
- 1 cup evaporated milk diluted with
- 1 tsp. salt
- Dash pepper
- 2 tbsp. flour

Dress, clean and cut up chickens. Sprinkle with salt and pepper, dip in crumbs, egg, and crumbs. Place in a well-oiled dripping pan, and bake twenty minutes in a 450-degree F. oven, then reduce the temperature to 350 degrees F. and cook until tender, about twenty minutes longer. Baste every ten minutes during cooking with 1/2 cup melted butter. Remove to platter and pour around a cream sauce made of fat in dripping pan, the flour, diluted milk, salt and pepper.

- Asparagus on Fri.
- 1 bunch fresh asparagus
- 6 rounds toast
- 6 poached eggs
- 1/2 cup evaporated milk diluted with
- 1/2 cup water
- 2 tsp. butter
- 2 tsp. flour
- 1 tsp. salt
- Pepper
- 1/2 cup grated cheese

Prepare a white sauce of the butter, flour, salt, pepper and diluted milk. Cook the asparagus in boiling salted water. Drain and add to white sauce. Place a poached egg in center of toast. Pour asparagus around the egg and sprinkle grated cheese over top of all. Serve at once. Serves six.

New Addition

Lakeview Roller Mills

At a cost of several thousand dollars we have installed additional wheat cleaning and finishing machinery. With this new equipment the mill is now prepared to turn out flour second to none, we care not from what mill nor what brands. We guarantee every bag of flour that goes out from our mill to give entire satisfaction in every way. We solicit the patronage of the people in this and surrounding counties. G. P. McMurry, our miller, has wide experience and thoroughly understands the grinding of wheat. Our mill turns out 50 barrels of flour per day. Same is located on State Highway No. 207, one mile North of Cliffside.

In placing orders we buy the very best No. 1, soft, Winter Wheat.

We shall be pleased to have prospective customers stop in and inspect our plant at any time.
