

—JOE R.—ROBT. B.—CARL H.—

Tramp! Tramp! Tramp!

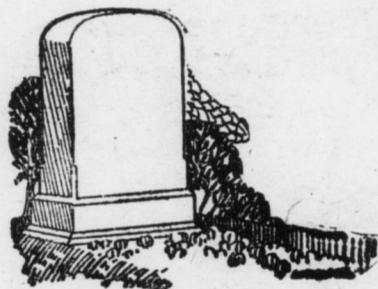

lot of our boys are "marching back" to the old job to replenish the losses they incurred by betting that the Yanks would win the world's series from the Cardinals. Babe Ruth smashed half a dozen world's series records thereby keeping his picture on the front page.

We're not particular about getting on the FRONT page, but we do want to impress upon you the money-saving opportunity our present grocery prices extend. This is the ideal opportunity for laying in a big supply before prices once must go back to their original level.

AVONDALE NEWS

Avondale, Oct. 28.—Miss Vera McGinnis spent Saturday night with her aunt, Suid Padgett, at Henrietta.

Mr. S. T. Greene and family visited in Spartanburg last week. Mr. P. E. Wooten is visiting in Gilkey this week.

Miss Kathleen McGinnis and Miss S. E. Green and Mr. Fred Hawkins, of Pennsylvania, visited her aunt, at Henrietta.

Those visiting Mr. S. T. Green's Sunday were: Mr. and Mrs. Vernia Yelton, Mr. Bunin McGinnis and family, Mr. Robert and Ray Padgett and Mr. Furman and Zora Greene, of Mooresboro.

RE-SALE OF REAL ESTATE

Under and by virtue of the power of sale contained in a certain deed of trust executed by Q. A. Collins and wife Elizabeth Collins to R. R. Blanton, the undersigned trustee, dated the 10th day of February 1926 and recorded in the office of the Register of Deeds for Rutherford County in Book A-1 at Page 186, and default having been made, in the payment of the indebtedness secured by said deed of trust, I will on

Saturday, November 13th, 1926

at 10 a. m., in front of the Building and Loan office in the Town of Forest City, N. C., re-sell for cash to the highest bidder, the following described lot of land to-wit:

Lying and being in the Town of Forest City on the south side of Young street and on the West side of Church street and on the East side of lot owned by W. L. Park's heirs and on the north side by lot owned by L. R. Coffey and bounded as follows:

Beginning at a stake at the intersection of Young and Church street and runs with Young street north 69 west 154 feet to a stake in edge of Young street; thence with W. L. Park's line south 21 west 100 feet to a stake in W. L. Park's line, L. R. Coffey's corner; thence with L. R. Coffey's line south 69 east 154 feet to a stake in edge of Church street; thence with the edge of Church street north 21 east 100 feet to the place of the beginning.

This being a part of the land purchased by Q. A. Collins from J. B. Blanton and wife and G. E. Young by deed dated 4th day of December 1907 and recorded in the office of the Register of Deeds for Rutherford County; in deed Book No. 111 at page 203.

This 25th day of October, 1926.
R. R. BLANTON, Trustee

THE HENRIETTA CAROLEEN SCHOOL NEWS OF INTEREST

Caroleen, Oct. 26.—Wednesday evening, Misses Etta and Amanda Head, Margaret and Ella-Lynch, Hollifield, Wilson, Eborn and Smart, gave a picnic to the teachers of the Henrietta elementary school, Central high school and a number of specially invited guests.

The party met at Hotel Caroleen where a number of cars were waiting to carry them to Sulphur Springs for the evening. At the Springs, a huge bon fire was built and coffee made. Then everyone assembled around a bountiful picnic table where a delicious supper was served. Afterwards apples were passed and marshmallows were toasted. When the picnic adjourned all left declaring the Caroleen elementary teachers most gracious hostesses.

The seventh grade gave the following safety-first program in the assembly Thursday:

A plea for carefulness from the railway company—Ardath Willis.

Safety scout pledge—Bill Weese.

Losses by fire—Frances Burgess.

Little orphan Annie's return—Ruby Neal.

Play, "Safety-First"—by several pupils.

We were sorry to lose Miss Etna Bridges, who was a member of the senior class. She has accepted a position at Rutherfordton and is also taking a business course at the Central high school there.

Miss Lucille Wall spent the weekend with her sister, in Hendersonville.

The high school boys and girls feel like they have something to do with the control of this school. Mr. Jones has asked each room to elect a representative to meet with the teachers to talk over the needs of the school.

The seventh grade defeated the eighth grade in two games of basketball last week. The seventh grade has some players who will make the high school team early in their high school life.

The seniors had the highest percentage in attendance last month.

THE MILLIONAIRE'S SECRET

To be a millionaire, a man must not only get rich; he must be able to stay rich. A certain well-known millionaire, when asked how he stayed rich, said: "I invest my money only in sound, established companies."

That man has learned a valuable secret. But a man's money, however, much he has, is never worth so much to him as his mind, his intelligence.

Has it ever occurred to you that you should invest your intelligence just as carefully as you invest your money?

Why not invest your intelligence in a sound company by subscribing to the Youth's Companion? It is the oldest magazine for young people in the world—and nearly the oldest of all the American magazines. It is also one of the most interesting.

Practically every famous author of the past hundred years has written at one time or another for the Companion. Only this fall, for example, the Companion published a new story by Jack London. Do you like stories of adventure? Mystery? Romance? They are all in the Youth's Companion.

Here are the terms of an investment guaranteed to be profitable:

1—The Youth's Companion—52 issues in 1927, and

2—The remaining issues of 1926. All for only \$2.00.

3—Or include McCall's Magazine, the monthly authority on fashions. Both publications, only \$2.50.

"THEN AND NOW" TO BE FROM PRESS SOON

Four Hundred Page Book Dealing With Interesting Period of County out Dec. 1.

"Judge" D. F. Morrow's book, "Then and Now" is expected from the press by December 1st. This book deals with an interesting period of Rutherford county; that of 1856-'65, and is written by a man who is in possession of first-hand information.

The book is being printed now by the J. W. Burke Co., of Macon, Ga., and will be from press by December 1st. It will contain more than 400 pages, 51 chapters and will be profusely illustrated. The scenes are practically all laid in and around Forest City, and the old Morrow farm, two miles below Forest City. It deals with the decade 1856-'65. This story ran in The Forest City Courier last year and attracted much attention, not only in the county, but over various portions of the nation.

The following letter, received from Prof. Clyde A. Erwin, county superintendent of public instruction, has this to say:

"I have just read your reminiscence, 'Then and Now', with a great deal of interest and profit. Your idea of preserving the early history of this county, and at the same time comparing customs with the present day is very good indeed. Also it is highly important that the rich lore of the country be preserved for posterity by one that is possession of first-hand information rather than our early history should be legendary. I consider that your effort is a distinct contribution to the life and history of the county."

"The characters illustrating customs, habits and conditions existing in 1860-'65, and between the north and the south are so vividly depicted that the reader lives over again the dark days of the Civil War, yet the whole story is spiced with romance which keeps both old and young readers interested and thrilled to the end."

These books will be for sale at The Courier office as soon as they come from the press. They will also be offered on a clubbing list with The Courier. It is expected that many thousands of these books will be sold the first year after publication. Many advance orders have already been placed with the author, Mr. Morrow.

SUNSHINE ROAD BEING GRADED AND EXTENDED

Two crews of sixty men each, and eighteen teams are employed at present grading the Sunshine road and completing the new short route from Forest City to Morganton. One bridge crew of eight men are also at work on this project. This work is under the supervision of the Rutherford County Board of Commissioners.

When completed, this new route will shorten the distance between here and Morganton approximately 12 miles. A movement to secure this road was agitated by the local Kiwanis Club and a number of county citizens more than a year ago.

The road is to be 24 feet wide and will be top-soiled. The road is well graded, and many of the curves have been eliminated.

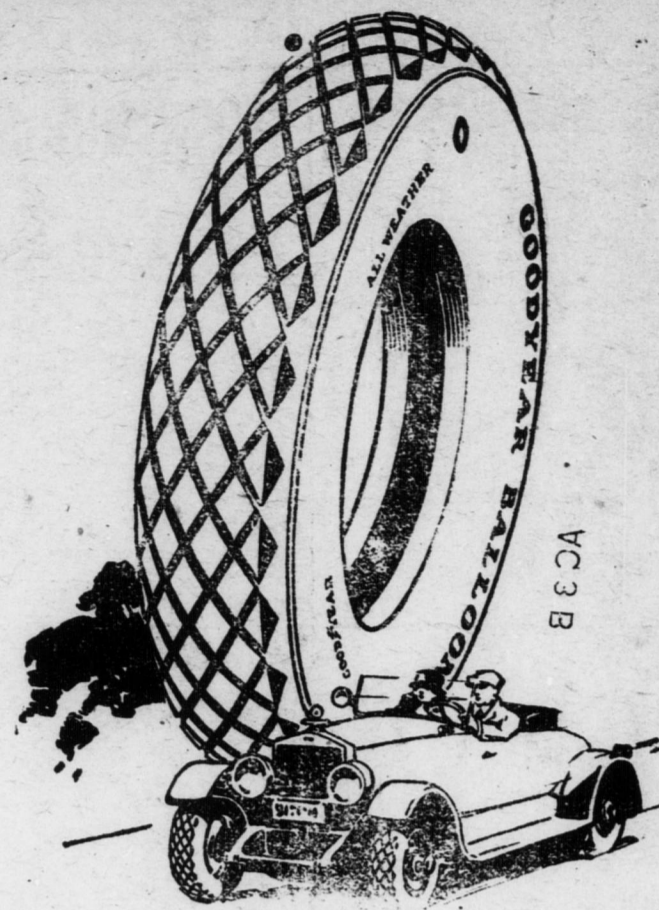

This new route is a connection between routes 19 and 20. Beginning at the South Carolina line, it extends through Floyd's Creek section and Alexander to Forest City, and from Forest City through the progressive sections of Sunshine, Bostic, Golden Valley, South Mountain and to Morganton.

It is expected that work will be completed on this highway by the first week in December.

CAROLEEN STUDENTS ENJOY 'POSSUM HUNT

Caroleen, Oct. 26.—The eighth grade students of the Caroleen school enjoyed a 'possum hunt Monday night. Mr. J. E. Robinson furnished conveyance for the students, while Mr. Virgil McFalls kindly loaned the class the use of his 'possum hounds. Miss Ethel Robinson, the popular eighth grade teacher, was sponsor for the occasion. Those enjoying the outing with their teacher were Misses Mildred Harmon, Ruth Robinson, Messrs. Reid and Virgil McFalls, Frank West, J. B. Robbins, Cecil Neal, Chester Rutledge, Maurice Wilson, Eugene Holland, Earl Hicks, also Mr. J. E. Robinson. The hunt was very successful, four 'possums being caught.

6,000 Miles in 1912

Remarkable!

The other day I was talking over the "good old days" with a representative from the Goodyear factory—We sell their tires, as most people know.

He told us about a tire they have in the factory museum back at Akron. It was made in 1912. It ran 6,000 miles, was used in show windows all over the country and finally placed in the museum. 6,000 miles was remarkable mileage in 1912.

Think that over.

Today you expect—and get—double and triple that mileage. And here's something else to think over—and act upon.

That 6,000 mile-tire cost its owner between two and three times what it would cost him today.

And that goes for every other tire size.

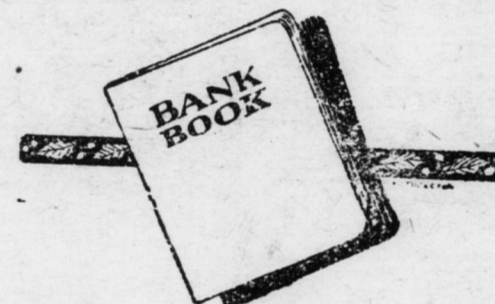

Now, I can sell you a long-lived Goodyear Balloon with its comfort, economy and safety at less than half the price of the old short-lived, hard riding, high-pressure tire.

Come in and Make us prove it.
