The New Jersey mail bandits escape by the only open road. That sounds like the logical thing to do.

Here's the Contractor, the Mason and Carpenter to Rebuild it.

INSURED against loss by fire—you are always certain of sufficient money with which to rebuild. Insurance has been the means of replacing many a home that otherwise would have remained a mass of charred ruins.

A policy in the Hartford Fire Insurance Company will furnish you the money to bring the contractor, mason and the carpenter to rebuild the property fire destroys. To delay buying this protection may be disastrous. **INSURE TODAY.**
