EIGHT YEARS AFTER.

Eight years ago a mad world celebrated its temporary return to reason in a mad manner.

November 11, 1918, will be hard to forget for anyone who spent it either in a front trench grown all of a sudden oppressively quiet or on Main Street in an American town grown all of sudden oppressively noisy.

But the lessons November 11, 1918 should have taught seem easy enough to forget. Looked at impassionately, the world seems but little nearer a lasting peace now than it was then. Universal brotherhood is yet only a dream.

When the Armistice was signed to end the greatest war the world had ever known, all nations looked to the United States with what amounted almost to reverence. Today this attitude is changed. Europe has gone so far as to nickname Uncle Sam as "Shylock" of nations. Our attitude toward European nations has also undergone a change.

Throughout the world, Armistice Day will be observed at public demonstrations where tributes will be paid to those who gave their lives in the World War. These demonstrations and these tributes are fitting. But they are only a slight return for the sacrifice these men made.

A far more fitting tribute would be that advocated by a wise leader in another war—our dedication to the task remaining before us.

On this November 11, we should renew our obligation to the cause for which they died—the cause of universal and lasting peace.

HENRIETTA NEWS OF LATE INTEREST

(Special to The Courier.)

Henrietta, Nov. 9.—The Henrietta Parent-Teachers Association met at the school house last Thursday afternoon. A short program was given by the children. Miss Harris' room won a prize of one dollar for having the most mothers present. May Wilson Holland, the attractive young daughter of Mr. and Mrs. T. C. Holland, told a Halloween story which was enjoyed by all present. Prof. J. B. Jones, at the request of the president, Mrs. T. C. Lovelace, made a short talk mentioning specifically some of the things a parent-teachers association can do for the school. Mr. Jones made many helpful suggestions which no doubt will bear fruit during the coming year.

A resume of last year's work and a report by the treasurer showed that much had been accomplished during the past year and there is still a balance of nearly \$100 in the treasury.

A story telling contest will be conducted in the spring and prizes will be given by the Parent-Teachers Association.

Five dollars was donated at this meeting to buy phonograph records suitable for the smaller children. A number of the parents pledged themselves to give records for the higher grades.

The question of beautifying the school grounds was discussed. While it is not desirable to plant shrubs and flowers over the ground needed by the children for play, a grouping of shrubbery and flowers near the schoolhouse would add much to its appearance.

The question of having a fair for the school in which each grade would exhibit the work done in the school room was also brought before the meeting.

Officers for the year were elected as follows: Mrs. J. P. Hornbuckle, president; Mrs. W. S. Moore, vice-president and Miss Kimsey, secretary and treasurer.

Mr. Chas. McAbee and family, of Inman, S. C., visited Mr. and Mrs. W. C. McAbee last Sunday.

Among those who attended the textile exposition at Greenville, S. C., last Tuesday were: Messrs. D. F. Clark, C. F. Weese, B. H. Moss, Fred Rollins, Sam McAbee, Jr., and Mr. and Mrs. W. C. McAbee.

Mr. and Mrs. M. B. Mahaffee, Messrs. Clyde, Walter and James Mahaffee spent Wednesday in Greenville, attending the textile exposition.

Mr. and Mrs. W. S. Moore and sons, Cody and Joe, spent Friday night and Saturday at the textile exposition in Greenville.

Grand Jury Report

To His Honor James L. Webb, Judge presiding: We, the grand jury for the above term, respectfully submit the following report:

We have passed on all bills submitted.

We have visited the County Home for the aged and infirm and found it in good condition. The crops were good and inmates said they were well treated. The superintendent seems to be thoroughly efficient in the management of this institution. At his suggestion we recommend that the chain gang be used as much as possible in gathering crops and other work needed around the home.

We found the county jail to be well kept and in a sanitary condition. The prisoners apparently well fed and cared for. We recommend that

MT. PLEASANT NEWS

Forest City, Route 1, Nov. 9.—Many from this section attended the Downie Bros. show at Forest City, Thursday night.

Mr. G. W. Matheny, of Gilkey, spent Thursday night at his son's, Mr. J. W. Matheny. He was a member of the grand jury at court last week.

The people of this section were shocked to hear of the death of Roland Hamrick. He was reared in our community and was a member of Mt. Pleasant church for a long time. Roland was attending school at Carson-Newman College at the time of his death. He was studying for the ministry. Sometimes the best are taken away, while they are in the bloom of life.

Mrs. Forest Davidson is spending this week in the mountains visiting relatives.

Miss Mattie Toms visited Flora Matheny Sunday.

Mrs. J. W. Matheny, Flora, Clark, and Bill Toms and Mattie Toms, visited at the home of Mr. Webb Kennedy's Sunday afternoon.

Mr. Summers and family visited Mr. Pink Summers, near Rutherfordton Sunday.

Mr. and Mrs. G. A. Davidson spent Sunday with Mrs. J. L. Elmore.

A large crowd attended the B. Y. P. U. Sunday night. The record was fine. We have reached the standard which is 75 per cent for the past two Sunday nights. That is fine. Let's keep it up all the year.

The W. M. U. will meet just after preaching services Saturday afternoon. A program will be given at this time. The subject will be "Europe and the Near East." We hope all the members will be present.

Mr. Wade Matheny, who is in school at Wake Forest College, won out in the debate which was held there November 3. The debate was discussed by members from the two societies. The debate was given on Society Day, November 3. Mr. Wade Matheny and R. O. Hendrick upheld the negative side of the query. The judges' decision was 3 to 0 in favor of the negative.

Mr. Bruce, a fertilizer agent, spent Wednesday night at the home of J. W. Matheny.

Mr. Thomas Toms, of Georgetown, Ga., will be here about November 20, with a truck load of hogs. We will lot them at Forest City Oil Mill. Please call and see them. We believe we can save you money on your next year's pigs.

NOTICE

Notice is hereby given that the Standard Oil Company has made application to the Board of Aldermen of the town of Forest City for a permit to erect a filling station on the corner of West Main and Yarbrough streets, on the Mrs. J. H. Gettys' lot. Friday night, November 19, 1926, 8 o'clock, at the Mayor's office has been set as the time and place the said Board will hear objections why the permit should not be granted to the said applicant.

This November 5, 1926. Ordered published November 11, 1926, and November 18, 1926, in The Forest City Courier. J. E. CALDWELL, Clerk for the Town of Forest City. 5-2t.

Mr. and Mrs. Roy Smith, of Taylorsville, spent the week-end here with her parents.

new toilets be put in the jail, and understand that these have been ordered. We also recommend that some leaking water pipes be repaired. We strongly recommend that the Commissioners erect a retaining wall about the jail, and that some fencing that is already on yard be erected. Also that some guttering on the building be repaired.

We found that the chain gang is being well treated as could be expected.

We wish to highly commend the county commissioners for their progressive spirit in constructing our new courthouse, which we find to be well designed, well built and modern in every respect, and of which every citizen in the county should be proud. We recommend that the commissioners complete the work on the courthouse grounds, as in our opinion the grounds in the rear of the courthouse can be made into a beautiful park.

We wish to thank His Honor Judge James L. Webb, and the solicitor, Mr. Pless, for the courtesy shown us. We also wish to thank the Sheriff and his deputies for their courtesy and efficient discharge of their duties.

Respectfully submitted, M. L. JUSTICE, Foreman.
