SPINDALE SCHOOL NEWS

Spindale, Nov. 17.—On Wednesday morning, November 10, the elementary grades of the Spindale school met together in the auditorium of the school in a memorial service to honor the brave soldiers who sacrificed so freely in our late war.

The spirit of love and gratitude was strongly manifested in an Armistice program given by the seventh grade. The history of November 11 was given with several very appropriate poems and readings. At the close of this chapel period, Capt. Smith gave a short talk on "Why the War Was Fought." These remarks made a very fitting close for such an occasion.

This same spirit of patriotism was again expressed in a flag day program given by the sixth grade on Friday morning, November 12. The flag pledge, history, and ideals for which it stands, were given in well chosen songs and readings.

On Friday, November 12, the basketball team of the Spindale school met the Central High freshman team at the Spindale House. This was the first game for Spindale. The first quarter of the game was in Central High's favor, but in the second quarter, Spindale tied them by Woodrow Freeman's field goal and a goal on a foul. In the third quarter, the game went against the Central Highs. But in the last quarter, Spindale was brought to the front by Aubrey Clay's five field goals and they kept in the lead the rest of the

game. The final score was 21 to 16 in favor of Spindale.
