LADIES' REST ROOM—MAID IN ATTENDANCE—2nd Floor

DO YOU KNOW THAT AUTOMOBILE ACCIDENTS

ARE CAUSING MORE LOSS TO THE COUNTRY EVERY YEAR IN DOLLARS AND CENTS THAN THE DROP IN THE PRICE OF COTTON? THE LOSS IN HUMAN LIVES IS ENORMOUS.

THIS WEEK -- DECEMBER SIXTH TO ELEVENTH INCLUSIVE

A drive will be made by the representatives of The Pilot Life Insurance Company in this territory to protect every man, woman or child between the ages of 15 and 65 against financial loss resulting from injuries due to an automobile accident. Read the letters from leading citizens of Cleveland County endorsing the Pilot's plan of protection. When you've read the letters call our representative listed below and your protection will be arranged for you or any additional information you desire furnished. C. P. PARKS, Special Agent, Telephone 264, Forest City, N. C.

Forrest Eskridge, Cashier, First National Bank, of Shelby, N. C., who knows a good investment when he sees it, writes as follows:

Mr. C. R. Webb, General Agent,
Pilot Life Insurance Co.,
Shelby, N. C.

Dear Mr. Webb:

That \$10.00 Automobile Accident Policy appears to be one of the best buys for the money of any policy on the market and I find it difficult to understand how any person driving a car under present day conditions can feel at ease without such protection.

The Company's record for the payment of its claims is excellent, and the fact that I carry this protection is evidence of my own belief in the Company and its policies.

I not only add my endorsement to that of others familiar with the Company and its policies, but also wish for you a most successful week in inducting those who are not protected to carry this coverage.

Signed: FORREST ESKRIDGE

Robert D. Crowder, Auditor Southern Cotton Oil Co., Shelby, N. C., says:

"I learned with a great deal of interest that the Pilot is putting on an Automobile Accident Week through your agency beginning December 6th and I am again taking this opportunity of extending to you my best wishes for a most successful week.

"As stated in my letter some time ago my personal experience with your Company has been very satisfactory indeed."

Signed:
Robert D. Crowder

Mr. Chas. A. Burrus, Solicitor of Cleveland County, says:

"The prompt and courteous manner in which the Pilot paid my claim in full was certainly appreciated, and I am very proud of my policy.

"I like the manner in which you do business, no arguing or quibbling. You just paid it and did it in a nice way."

Signed:
Chas. A. Burrus.

The automobile can easily become a dangerous instrumentality and a "deadly weapon." It is my judgment that every owner and driver of an automobile should protect himself against the hazards of the road and the negligence of the traveling public. Your policy in the Pilot Life Insurance Company appears to me to be a sound and safe and reasonable security.
