

COL. ELMORE ADDRESSES THE KIWANIS CLUB

International Field Representative Delights and Instructs Interested Audience

Col. Eltinge Elmore, field representative of Kiwanis International, father of Mr. S. E. Elmore, popular textile executive of Spindale, appeared before the Kiwanians of Forest City Monday evening at the weekly luncheon, making a most interesting and instructive address.

Col. Elmore is a figure of national prominence in Kiwanis work, aside from being a successful business man who has made his mark in every line of endeavor, and the local club was most fortunate in securing his services.

Starting out with a description of the lack of system and co-operative effort in early Kiwanis work, the speaker told of his experiences when he became secretary of a Kiwanis club in Milwaukee a number of years ago. First efforts were directed to getting rid of non-workers and the creation of better system. Those efforts met with instant success and wonderful results were soon evidenced—offering to the local club a vision of what can be accomplished here in following the instructive advice of the speaker. "To be a member of Kiwanis, you must work," said the speaker, "as work—constructive work—is the object of Kiwanis."

In offering advice on the upbuilding of the local club, Col. Elmore said Kiwanis in Forest City must also take over the duties of a Chamber of Commerce in addition to its other duties. "Co-operation and team work counts most in the work of building up the club," said Mr. Elmore, who went fully into instructive advice on club work in its every phase.

Col. Elmore, just before closing, repeated the following poem, written by himself several years ago, incorporating the Kiwanis slogan, "We Build."

We Build for the ages, not merely today!
We Build for the Truth, which points us the way!
We Build for a cause, men fear to assail!
We Build in the Hope that Right will prevail!
We Build for a Manhood that's noble and just!
We Build with the Faith that "In God we trust."
We Build with a Love that forgiveth the wrong,
We Build with fine Courage, go forth with a song.
We Build for the down-trodden, help him to rise,
We Build for the hopeless with sorrowful eyes.
We Build to make cheerful and bright every life,
We Build to free men from meanness and strife.
We Build for Kiwanis, its power, its fame;
We Build that the world may honor the name.

Many new members are coming in and Kiwanis faces a busy and fruitful year, according to the judgment of The Courier.

BOY LOSES EYE AT MOORESVILLE

Mooreville, Jan. 18.—Roy Troutman, 15, son of L. L. Troutman, lost an eye today at Park View school in a peculiar manner. He leaned forward over the shoulder of Clyde Nesbit in the desk seat in front just as the Nesbit boy made an upward stroke with a knife in cutting a band which was around his examination papers.

The knife blade struck the left temple of Troutman and made a laceration across the ball of the eye. Nesbit was unaware of the other's presence. The eye was taken out at the local hospital.

COUNTY EXECUTIVE COMMITTEE OF BOY SCOUTS MEET

Outlines Program of Scouting in County and Transacts Business of Interest to All Scout Troops

Spindale, Jan. 25.—The first meeting of the Rutherford County Boy Scout Executive Committee for 1927 was held at the Spindale House Monday evening at 8 o'clock. Tentative plans for administering the scout program in Rutherford County during the coming year were discussed briefly, and members of the committees were instructed as to their duties.

The outstanding business transacted was in reference to scouts presenting certificates of conduct, signed by their public school teacher, when appearing before the Court of Honor in the future. In the past scouts coming before that body gave no evidence of having observed rigidly the scout oath and laws in their daily routine. This plan has been tried in the Gaston County courts of honor and has proved satisfactory. On motion of Captain E. L. Smith this plan was adopted for Rutherford County and boys appearing for advancement at future meetings will be required to present a good conduct certificate.

It was also decided to hold the next court of honor meeting at the Henrietta-Caroleen school building on February 15th.

The matter of the reorganization of the County Scoutmaster's Club was brought before the committee, and plans were made to hold a joint meeting of the scoutmasters of the county, the County Executive Committee and the troop committees of the various troops at Forest City, sometime in March.

On motion and second Jack Michalove, of the Leader Store, Forest City was recommended as the official outfitter to Boy Scout troops in the county, and the recommendation forwarded to National Headquarters.

Those present at Monday's meeting were Scout Executive R. M. Schiele, Vice-President Fred Kinzie, Scout Commissioner G. R. Gillespie and following committee chairmen: B. A. Buff, Court of Honor; Prof. B. L. Smith, School Relations; O. C. Erwin, Troop Organization; Dr. A. C. Duncan, Camping; Clarence Griffin, Publicity and J. H. Hill, member-at-large.

With Rutherford County completely organized and all committees functioning the outlook for the year for Scouting in the county is encouraging. With the exception of Gaston County, Rutherford is the outstanding county in Boy Scout work in the Piedmont Council, and leads in having the largest membership, in scout advancement and in general scout activities.
