The Finish That Stays

Duco is the up to date finish for automobile bodies because it holds that soft, shiny gloss regardless of time and weather conditions. As auto painters of experience we know of nothing quite as effective. When you are ready to have your car repainted by all means let us do it the Duco way. You will be delighted with the result

We also do varnish work on cars, also contract painting on houses, large or small.

We carry a complete line of Benjamin Moore Paints. Every bucket guaranteed.

Ford
THE UNIVERSAL CAR

Ford Prices are Not Going to Be Reduced

We wish to say for the information of our customers who have recently bought Fords, and for those who are expecting to buy new Fords, that there is no truth in the rumor that Ford Prices are going to be cut. We have received an official telegram from the Ford Motor Company saying that they are not even thinking of cutting prices. This advertisement is inserted because of an article appearing in last Sunday's newspapers that Ford was expecting to cut prices, and which is discussed elsewhere in this issue of The Courier.
