THE WOFFORD GLEE CLUB HERE TONIGHT

Comes Under Auspices of Parent-Teacher Association—One of Best Clubs in South

The Wofford Glee Club will be at the Cool Springs High School Thursday evening March 31, at 8:00 P. M. Wofford has one of the best glee clubs in the south. All of those who had the pleasure of hearing it last year need no introduction.

The Glee Club comes under the auspices of the Forest City Parent-Teacher Association. 30 per cent of the proceeds will go to the Association to help buy books for the pupils who are perfect in attendance. For a number of years the Parent-Teacher Association has placed a number of good books in the homes of Forest City. This stimulates the attendance of the pupils and does more than any one thing to create a desire in pupils to be perfect in attendance. Also this adds very much in increasing the number of pupils who are promoted. This is due to the fact that pupils who are regular in attendance seldom fail to be promoted at the end of the year.

The admission will be 35c and 50c. The 35c will include children and all pupils in the schools of Forest City. This price is lower than has been charged for admission to other performances. This price was set in order that a large number of school folks could take advantage of the opportunity of hearing this wonderful glee club. It is expected that every seat in the auditorium will be filled Thursday night.

Dr. H. N. Snyder, president of Wofford College, will deliver the baccalaureate sermon Sunday evening, May 22, at 8:00 p. m. in the high school auditorium. For this reason it is hoped that Forest City will turn out in large numbers to hear the Wofford boys Thursday evening. There is a treat in store for everyone who attends this performance. If you miss this number you will miss one of the best treats of the year.

Mr. and Mrs. Miles Young, of Washington, Ga., visited the former's mother, Mrs. Julia Young here last week end.

Z. O. JENKINS ADDRESSES THE KIWANIS CLUB

Pays Nice Tribute to the Progressiveness and Cleanliness of Forest City

A fairly good-sized crowd was present at the weekly meeting of the Kiwanis Club Monday evening. The supper was served by Miss Robbie Biggerstaff and Mrs. Thos. G. Stone, Mrs. R. R. Blanton having been taken ill during the afternoon. All Kiwanians were sorry to learn of the indisposition of the popular hostess and are glad to know that she has made recovery from her illness.

After the appointment of several committees, President John Dalton introduced the speaker of the evening, Mr. Z. O. Jenkins, of Cliffside, who is widely known and greatly beloved in Forest City. Mr. Dalton told of the kindness and courtesy always received by himself while in the employ of the Cliffside Mills Stores, of which Mr. Jenkins was the manager, and also said that Mr. Jenkins had been a wonderful factor in the growth and development of Cliffside, one of the South's greatest mill towns.

Mr. Jenkins made an instant hit with his joke on "Tan" Harris and was in happy vein throughout his short talk. He called attention to Forest City's strategic position as relating to shipping facilities, calling attention to the fact that the city is the only one within a radius of 75 miles which has three great railroads passing through its boundaries.

"Forest City has made wonderful progress and shown a very rapid growth in the past few years," said the speaker, "and I would not be surprised if it doubles in population within the next five or six years. The town is blessed with vigorous young leaders of a progressive spirit, has the strongest country bank in this congressional district, and should progress rapidly. Given a new payroll, the city should double in size within three years," according to Mr. Jenkins.

The speaker then went on to tell of the good work of the Kiwanis Club, declaring that it was good to meet together, co-operate in movements for the betterment of the town and to give service as the club does. He then related that he resided in Forest City at one time and contrasted conditions as existing then and now.

Mr. Jenkins told of the clean-up campaigns in Cliffside and outlined their plan of offering prizes for the best kept premises in his city. That their methods have been effective is best attested by the beautiful appearance of Cliffside and the contentment of its citizens.

After praising the cleanliness of Forest City, Mr. Jenkins well said that a town was measured by its appearance and that strangers were always governed by first appearances, which made it imperative that all towns should strive for beauty and cleanliness. His informal and friendly talk was greatly enjoyed by all present, and the club hopes he will come again soon.

MUNICIPAL RACE IS WARMING UP

City Election to be Held Tuesday, May 3—Two for Mayor and Eight for Alderman Have Announced

Forest City's municipal election will be held Tuesday, May 3, for the election of a Mayor and Board of Aldermen. Registration books will open at the city hall tomorrow and remain open until Saturday, April 23. Considerable interest is being manifested in the municipal election and a hot fight is expected for both Mayor and the Board of Aldermen.

The first to announce for Mayor was Mr. Chas. Z. Flack, whose entry into the race, after the earnest solicitation of many friends, was made last week. This was followed this week by the announcement of Mayor L. C. Lowrance, who stands for reelection. So far as The Courier knows, there are no others contemplating entering for Mayor and the race will be between these two men.

However, there are many aspirants for the Board. Eight candidates have announced, as follows: G. V. Frye, W. E. Moore, R. K. Hollifield, B. B. Doggett, J. C. Harrill, V. T. Davis, W. L. Horn and M. June Harrill. Of this number, Messrs. Frye, Doggett and Horn are members of the present board. There is talk of several more gentlemen entering the race for the Board of Aldermen.

It is important that the voters awake to the necessity of taking part in the municipal election, as only in this manner can a fair and impartial record of the will of the majority be had. If you have not registered, do so, and then come to the polls and vote in the election. It is also urged that the ladies exercise their right of suffrage in this election.

One of the best known local men remarked last week that the only photograph of himself which ever did him justice was an X-ray of his kidneys.

JIMMIE LYNCH IS KIWANIS SPEAKER

Delegates from Lincolnton, Gastonia, Forest City and Rutherfordton Gather at Shelby Thursday Night

Jimmie Lynch, eloquent president of the Carolinas District of Kiwanis International was chief speaker at Shelby Thursday night before 125 members of five clubs, representing Rutherfordton, Forest City Gastonia and Lincolnton who were guests of the Shelby Club at Cleveland Springs. J. D. Lineberger, vice-president of the Shelby club, was toastmaster, and after calling for reports on the activities of the various clubs represented, Mr. Lynch delivered a most informative address on the principles of Kiwanis.

In 12 years since the organization of Kiwanis in Detroit it has grown to a membership of over 100,000 in 1,600 clubs, all the membership working harmoniously for more cordial relationships between each other and greater civic pride and patriotism. Mr. Lynch outlined in beautiful language the objects and objectives of Kiwanis as stated in the constitution which encourages the daily living of the Golden Rule in our everyday relationships. In the second place the Kiwanis strives to promote the adoption of the highest business and social standards. The development by precept and example peace-time patriotism is the third great teaching of Kiwanis and at this point Mr. Lynch declared that if the men, such as compose the civic clubs of America would consecrate themselves to the task, they can correct all the evils of bad government and the social degeneracy. He urged co-operation to maintain righteousness, peace and justice and to give emphasis to the human and spiritual rather than the material things of life.

The Forest City club was represented by eighteen delegates.
