FRUIT TREES BLOOMING

Mr. J. L. Butler, who lives in Forest City, reported at The Courier office Tuesday that he had a half dozen or more early apple trees in full bloom. This is unusual for this time of the year, yet during the past few days it has been reported that a number of trees over the county are blooming. There is a cherry and apple tree in bloom on the highway between Forest City and Spindale, and a reader from near Henrietta reported some apple trees in bloom a few days ago.

The "Average" Man

Roy L. Gray, Ft. Madison Ia., has been termed America's "average" citizen. The American Magazine, after careful survey, gives the title to Gray because he earns an average income; conducts a one-man tailor shop and clothing store in the average small sized town; belongs to church—but doesn't attend regularly; has an average education; and his principal interests are in his family of wife and two children—and his business.

The Golden Tornado-- "As Others See Them"

WRITERS CLUB OF COOL SPRINGS HIGH SCHOOL

Entering into the football season with a rush the Golden Tornado has won fame throughout the country on account of excellent playing. Out of the games played so far we have lost only two to our opponents.

The statistics are as follows:
Chesnee 0—Cool Springs Hi 13.
Hendersonville 14—Cool Springs Hi 6.
Central Hi 0—Cool Springs Hi 13.
Dallas 0—Cool Springs Hi 57.
Boiling Springs 6—Cool Springs Hi 0.
Lincolnton 0—Cool Springs Hi 18.
Games are scheduled for the remainder of the season:
Friday, November 4, Newton High school.
Friday, November 11, Chandler.
Friday, November 18, Not settled.
Thanksgiving, Marion.

We are looking forward to these games with the anticipation of seeing the best playing of the season. The players are in good condition and ready to fight, and fight to win.

It is indeed gratifying to see the excellent team-work of the players. Not one of them but plays for the good of the school and team and not for individual honor. When one makes a good play they praise him; when one fails to star when he has a chance, he is encouraged by his fellow players. The team as a whole pulls together.

1. Ernest Watkins is captain of the squad. "Red" is indeed a grand player, a hard worker, and is noted for his good sportsmanship. He has won laurels in other sports, also.

Charles Laughridge's football course never runs smooth. He is always hurt but this doesn't keep him from being one of our best men. "Locke" is a football fiend.

Fred Blanton, "Geeks", quarterback is a "streak of lightning" when he is turned loose with the ball. All the girls, especially the ones from Bostic, attend the games just to see "Geeks" make a touchdown. He usually gets one.

Thomas, "Guinea", Blanton, a "go-gettin'" half-back, goes into the game and "gets about" until it is all over. He stays back of the line both in line-up and fighting. He's always up "rearing" to go.

Adelaid Peeler: End. His specialty is rushing in behind the line and stopping end runs before they materialize. He makes life a misery for opposing back-field men.

"Tim" or Emmet McKeithan is like greased lightning on the field. You can always depend on "Tim" to be right on the dot, and working like fury. He is not only a football player but knows other sports. He's the girl's "hero."

Glenn McKeithan received his nickname of "Dick" way back when he wore blue jeans. He is a born player in football, a good sport, and clean player in all sports; he goes out to win, and puts his life into the game.

V. G. Whitlock, better known as "pink," plays guard for the "Golden Tornado". He knows what, when, and how to do whenever he is in the game, and we all feel sure of winning when we see his "pink" head among the others.

Charles Hemphill or "Wig", as he is known by all the pupils, is "center" of our "Golden Tornado." Although he does not wear a "wig", he makes all the players of the opposing teams wear 'em. When the signals are given and a play ended it is soon found that "Wig" has knocked two or three out of their wits.

Charles Summey, who plays left guard, holds the line with a bull-dog's grip, and is always right where you want him. For a clean sport, and hard worker, get Charlie.

Stanley Hall, who is a "Stan" or a "Hall" at will, is to quote a fellow player "a thorough-bred, solid gold all the way through." Any man, who is held in such a light by his companions, must be all and then some.

a peppy run for a touchdown against Dallas.

Wyman Wood, whose nom "de football" is "Y-wood" might in reality be called Stonewall Jackson, for the way he holds that line. "Though this is his first year out he's a regular, a hard-worker, and a real sport.

Clark Matheny is left guard, and one of our heavy-weights. Clark is the bane of enemy rushes. His favorite pastime is calling for water and his favorite saying is, "What quarter is this?"

Reid Parks—End. Reid is one of our best players. His "educated toe" places the ball many yards away, down the field on the kick-off. He makes a habit of downing his man just as he catches the ball.

Cecil Meares, who is a back-field man has not played much this year on account of an injured foot, but that doesn't mean he is not a good player. He is always on hand to do his part, and is a real, clean sport.

Salem Suber is having his first year on the varsity, and is doing fine. He is rather light of weight but works hard and is a clean sportsman.

Robert Whitlock, labeled "Birch," has not played in any of this year's games, but he's been working hard in practice. So look out for next year! He'll show you what football means! You'll see his little tow-head flashing up and down the field like lightning.

James Lattimore, who plays guard on our second team, is catching on to the game very fast and by hard work will be our star player. "Lattie" is a freshman this year.

Harold Reynolds, mostly known as "Red," or "The Shiek" is a new member of our second team. He came from Asheville a few weeks ago and hasn't played any yet.

Clyde Smith otherwise known as "Flop" was one of the stars on A. C. Finch's junior team a few years ago. Now he bids fair to be one of the regulars on next year's varsity. By the way, the cognomen of "Flop" was given him on account of the way he flops the opposition. A regular fellow and all around sport, that's "Flop."

Kenneth Gurley is another one of the numerous "Dicks," including "Diamond Dick" and "Dick Rover," who have won fame for their prowess and daring in athletics. Young "Dick" is now engaged in making the jump from an obscure junior team to the much heralded team of old gold and Black Warriors.

Hubert Moore or "Snag" is a fine half-back. He is one of the best players and never argues with his team-mates or coach. He works very hard and is known for his brilliant passing. In most of the games so far he has scored high for our team. He is a good line player and a smooth working back.

Rudolph Blanton is considered good though this is his first year. "Tater" is a good sport and holds no grudge against his team-mates or coach. He plays well and has worked hard all the season.

Albert Womack or "Tobey" is the tallest boy on our team. Even though this is his first year out he plays a good game.

Coach Seitz: No team is stronger than its coach. This has certainly proved true with Mr. Seitz. Perhaps one reason why our team has been so successful is because he is loved by all the boys, and is sure to back them up.

Mr. Seitz formerly lived in Newton. He was graduated from Lenoir-Rhyne and taught in Lenoir High School three years.

Three Passengers Injured When Cars Collide at Crossing Saturday Night

Kannapolis, Nov. 2.—Funeral services for Mr. Plato Durham Wiseman, aged 52 years, of this place, was held at Greenlawn cemetery, China Grove, N. C., Sunday afternoon at 3:00 p. m. with Rev. J. F. Moser in charge.

Mr. Wiseman died Saturday after a seven week's illness of heart trouble. He was the son of the late Billy Wiseman, of Mitchell county. He was born and reared in Henrietta and lived there until he moved to Kannapolis about 11 years ago. He married Maude Langford. Five children were born to them, four of whom are living. HALLOWE'EN FROLIC GIVEN BY KIWANIS

Sumptuous Supper and Interesting Program Enjoyed By Large Crowd of Merrymakers.

No business was allowed to interfere with the Halloween program at the Kiwanis meeting Monday evening, the entire time being given over to the splendid supper prepared by Mrs. R. R. Blanton and the snappy program of R. C. Alexander. Halloween decorations and favors, turkey and oysters with all the trimmings, orange ice, fruit cake, etc., were on the menu and the large crowd enjoyed to the utmost the supper. Quite a number came in masks and costumes and a spirit of frivolity prevailed throughout the evening. Every noise making device must have been included in the favors and the guests were not backward in using them.

After the sumptuous supper the program was turned over to "R. C." and the fun began. The first number and about the best was an apple eating contest which provoked much merriment. Three ladies and three men were entered, the honors finally going to Prof. J. W. Eaks.

Next was a song by R. W. Minish, who dressed as a Jew, was a scream as to costume and brought down the house with a typical Minish song. This was followed by a humorous speech by Atty. Thos. J. Moss.

Forest City's splendid young artist, Mrs. Nell Padgett Norris, "Our Nell" to the Kiwanians, then favored the assemblage with one of her talented solos and was compelled to respond to a vociferous encore.

Just about this time some one created much merriment by requesting the president to have Tom Stone pull down his dress. Tom, not being just exactly familiar with the handling of the female garb, had unwittingly allowed his skirts to approach the danger limit in height. After this had been adjusted to the satisfaction of the presiding officer, an old-fashioned, apple bobbing contest was inaugurated. Several contestants strove manfully to snatch the elusive apples, E. O. Thomas proving the winner in handy fashion.

The last thing on the program was the awarding of the prize to the lady having the most appropriate costume. The winner was Mrs. R. W. Minish, who was most bewitching in a costume depicting "Maude Muller."

HOME DESTROYED BY FIRE

The home of Mr. Ezra Sherrill, who lives on the Oakland-Tanners Grove road, was destroyed by fire Tuesday morning about eleven o'clock, along with practically all of his household goods.

The fire originated in one of the closets in the house and when discovered had gained such headway that it was impossible to stop it. Part of the family was at home when the fire originated.

Mr. Sherrill lost practically all of his household goods, only a few pieces were saved from the flames.

Mr. Sherrill was away from home at the time of the fire, working in Forest City. The loss is about \$3,000, which was partially covered by \$1,000 insurance.
