TWO HOMES WERE BURNED SUNDAY

Houses Occupied by Messrs. Adams and Fisher on Harrill Street Destroyed

Two houses belonging to Mr. Bradley and sons, located on Harrill street, just across the railroad tracks, were destroyed by fire Sunday morning at 2:30 o'clock.

The fire department answered a call to come to the fire, but arrived too late to save the houses. A high voltage electric wire over one of the houses made firefighting extremely dangerous.

The fire originated in the house occupied by a Mr. Fisher and family. The origin of the fire is unknown, as no one was at home that night. When discovered it had made such headway that the adjoining house, occupied by Mr. Adams and family was soon in flames. A heavy wind fanned the flames, and it seemed for some time as if the entire block would be burned. The good work of the fire department kept the flames from spreading beyond the two houses.

The two houses were a complete loss. The household furnishings of Mr. Adams and Mr. Fisher were all destroyed.

YOUNG CLIFFSIDE MAN IS KILLED IN AUTOMOBILE WRECK

William Clingman Pritchard Dies in Marion Hospital Following Auto Wreck Last Week.

Cliffside, Nov. 8.—The town was greatly shocked when they learned of the tragic death on Thursday of last week of Mr. William Clingman Pritchard, son of Mr. and Mrs. L. E. Pritchard, who died in the hospital in Marion following a wreck on the Marion-Morganton road Tuesday.

It is reported that the young man was driving a Dodge touring car on the road between Marion and Morganton Tuesday afternoon. Two others were in the car with the youth and they say that they were meeting a car that crowded them off the road near Nebo and the car turned over several times down a steep bank, crushing the back of William Pritchard. It is also reported that the car was going at a rapid rate of speed.

He was immediately taken to the Marion Hospital, where an X-ray picture showed that his back was crushed, and other injuries had been sustained. He was conscious until the very minute of his death, dying Thursday afternoon at five o'clock.

His body was brought here to his home on Cliffside street. Funeral and interment was held Friday at Prospect Baptist church with his pastor, Rev. R. C. Smith, in charge of the services. The young man was only about eighteen years of age and was a fine looking young man, his youth making his death seem all the more tragic.

He is survived by his parents, Mr. and Mrs. L. E. Pritchard, of Cliffside, one brother and four sisters. His family is well known in the county, and his father was until about a year ago a mechanic at the Cliffside Mills.

The other occupants of the car escaped with slight injuries.

Mr. Amos Beam, efficient agent of the C. C. & O. railway office here, spent several days last week in Johnson City, Tenn., on business.
