RUTHERFORD COUNTY TAX RATES BY TOWNSHIPS

Henrietta Mills Pay Largest Tax of any Corporation in County With C. C. & O. Railroad Second.

Taxes are always a vital subject. The regular county tax rate for this year is \$1.46 on each \$100 worth of property. Most people in the county will pay more taxes than that for many have special taxes.

Rutherfordton, Green Hill, Cool Springs, Chimney Rock and Colfax Townships, have a special 4 cents tax on account of the Charlotte-Asheville highway. Colfax Township has a special township bonds tax of 6 cents on each \$100 worth of property. In other words, citizens of Rutherfordton, Green Hill, Cool Springs and Chimney Rock Townships have a county tax rate of \$1.50, exclusive of special school tax, while Colfax has \$1.56, exclusive of special school. High Shoal Township has a special road tax of 1 1-2c, making the total county tax \$1.47 1-2c, not counting the special school tax.

Special School Tax

The majority of the school districts of the county have a special tax to supplement the regular school fund. Spindale has the highest special school tax rate of any district in the county it being \$1.10 on the \$100 while Rutherfordton is second with 95c. We must remember that all these special taxes were voted by the people on themselves for improvements which they desired.

Following is a complete list of the special school tax of the county on each \$100 worth of taxable property by districts with the amounts: Spindale, \$1.10; Rutherfordton, 95c; Hampton, or Ruth, 90c; Caroleen-Henrietta, 90c; Cool Springs Township, 66c; Ellenboro, 55c; Buck Shoals district, 15c; Chimney Rock, 20c; Wrights, 25c; Dobbinville, 10c; Floyd's Creek, 30c; Ferry, 10c; Haynes, 20c; Harris, 30c; Hicks Grove, 30c; Gilkey, 25c; Green Hill, 25c; Glenwood, 10c; Gray's Chapel, 25c; Mt. Vernon, 30c; Mt. Harmony, 10c; Maria (Duncan Creek Township), 30c; McKinney, 20c; Providence 5c; Pinehurst, 30c; Piedmont, 35c; Oakland, 10c; Oak Grove 10c; Race Path, 20c; Sunshine, 20c; Strickland, 15c; Second Broad, 10c; Washburn, 20c; Walls, 30c; Watkins, 30c.

For example, a person owning property in Chimney Rock Township should have a tax rate this fall of \$1.70; a person in Harris district should pay taxes at the rate of \$1.76 on each \$100 worth of property. In Cool Springs the total county rate should be \$2.16.

Poll Tax

All able bodied men between the ages of 21 to 50 years pay a flat county wide poll tax of \$2.00 each while able bodied men between the ages of 18 and 45 years, living outside incorporated towns should pay \$2.00 per years road poll tax.

For example, an able bodied man forty years of age living in Forest City, who has property listed for tax-

ation should pay a total of \$3.91 on each \$100 worth of property as follows: County rate, \$1.46; Charlotte-Asheville Highway, special, 4c; special school tax, 66c and town tax \$1.75. This does not include the \$2.00 poll tax.

Big Tax Payers

Who is Rutherford county's largest tax payer? At present it is the Henrietta Mills with an assessed valuation last year of \$2,538,964, and a tax of \$49,509.79. Their special school tax last year was \$21,158.19.

The second largest tax contributor to the county is the C. C. & O. Railroad, which paid \$43,241.16 last year on a valuation of \$3,099,031. This corporation's valuation is larger than that of the Henrietta Mills by nearly a half million dollars but they do not pay as large a special tax.

Other corporations that are helping in a large material way to run the county government are: Seaboard Air Line Railway with a tax last year of \$17,858.89 and a valuation of \$1,059,752; Southern Railway with a tax of \$5,284.13 last year and a valuation of \$311,422; Cliffside Mills with a tax last year of \$27,822.16 and a valuation of \$2,529,288; Florence Mills with a tax last year of \$23,357.02 and a valuation of \$1,304,862. Dreaded Aches, PAINS Disappeared

"My health had been poor for ten years, before I took Cardui," says Mrs. Anna Cronin, of Rockport, Ind. "I was lifeless and 'no account'. I dragged around day after day, every move an effort, and never feeling the joy of being well.

"At times, I had a dreadful ache across my back, and my sides hurt me. I worried along, sometimes hardly able to leave my bed, but the demands of a growing family had to be attended to, so I would get up, do what was absolutely necessary, and then lie down again.

"One day, someone suggested Cardui to me. I took it for several months, and all the time I was growing stronger, and less nervous. My aches and pains finally disappeared.

"That was two years ago. My improvement has been permanent. The good health, which followed the taking of Cardui, is still with me, so I do not hesitate to recommend it to my friends."
