BOILING SPRINGS LOSE TO SPINDALE

Visitors Drop Game by 38 - 31 Score Friday Evening at Spindale House

Spindale, Jan. 9.—The Spindale basketball teams played three games before a packed house here Friday evening. The first game, between the Spindale House Junior Boys and the Gilkey town quint, resulted in a 33-35 victory for Gilkey.

The Spindale Athletic Club won easily from the Boiling Springs High School cagers by a score of 38-31. Practically all of the Spindale men had a chance in the game. The original line-up took in all of the first string men but one, and in the second and third quarters substitutions were made to give all a chance in the play. Despite the fact the Spindale was never seriously threatened during the entire game, the old pep and machine-like passing, which characterized the team when they rode rough-shod over the mighty Spartan Mills Quint here a week previous, was lacking.

Line-up and summary:
Spindale (38) Pos. Boiling 3. (31)
Clay (8) Thompson (10)
R. F.
Grose (4) McDonald (14)
L. F.
Elliott (2) Canady
C.
Williams (4) Henderson (7)
R. G.
Berry (8) Powell
L. G.

Substitutions: Yelton (6) for Grose; Grose for Clay; Sherrill (6) for Elliott; Walker for Williams. Boiling Springs; Moore for Powell; Haynes for Canady, Smith for McDonald.

Following this game the Spindale girls team defeated the Gilkey girls by a wide margin.

Those playing on the Spindale House Junior team were Horton, Freeman, Sherrill, Harrill and Lavender. Freeman and Harrill were high scorers, each securing eleven points, a total of twenty-two points of the team's 33 points. The Gilkey team was composed of Spratt, Hines, Burgess, Killian, and Lawing. Burgess, center, led for Gilkey in scoring, getting twenty of the team's 35 points.

FIND BURKE MAN FROZEN NEAR STILL

Marion, Jan. 9.—A few hours after federal and McDowell county officers had staged a raid which netted a large distillery and 2,000 gallons of beer near Dysartville, just across the McDowell county line in Burke county, Thursday, the body of John Henry Cowan, 40 years old, was found a short distance from the spot where the still was taken. The body also was found on the Burke side of the line.

An inquest held by Burke county Coroner Anderson and Sheriff Halliburton found that Cowan came to his death from exposure to cold. McDowell officers stated that a bottle of whiskey was found with Cowan, who made his home with his mother, and who had been missing since Wednesday afternoon.

The outfit was discovered by Prohibition Officers John B. Banks, of Marion, and W. W. Owens, of Hendersonville, raiding with Sheriff McCall of McDowell and Deputies C. C. Boone, W. A. Fender and J. R. Reynolds.

The distillery was a complete one, of copper, and a fire was still going under the outfit, although no one was found at the spot.
