BAPTIST CHURCH NOTES

Rev. R. C. Smith, our pastor is ill with cold and "grippe" and was unable to preach last Sunday. He had to keep his bed Saturday and it will be several days before he will be able to be out again. He thought until Saturday afternoon that he would preach Sunday and when he found that it would be impossible it was rather late to get a supply so he planned a service for both, the morning and evening hours. Sunday morning after the close of Sunday School, the Supt. Mr. B. E. Roach spoke of plans and goals for the Sunday school for the year. Mr. D. C. Whitaker set forth the objects of the B. Y. P. U.'s and spoke of the work being done by the four Unions. The Baker Union composed of eleven and twelve year old boys and girls set in a front section reserved for them account of some fine work that has been done by this Union. To the accompaniment of a march they marched up on the rostrum on one side and off the other, one of the boys proudly carrying the "Spizerinkum" banner which they won the Sunday evening before.

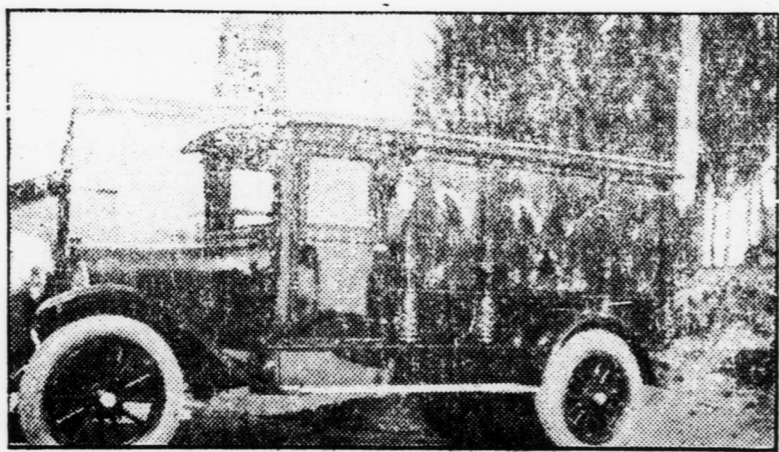

Mr. Whitaker was followed by Mrs. R. C. Smith who spoke briefly but very interestingly of the W. M. U. work and urged that the husbands should encourage their wives in the work and stated that as they attended their various lodge meetings to remember to stay at home once a month and take care of the children so their wives could attend the Circle and Regular meetings of the organization.

Mr. P. C. Hawkins, church treasurer then made a report of the finances of the church and it was a very gratifying report. The report for January exceeded what was expected. Usually January is termed as

"off" month as it is so soon after Christmas as a rule contributions are not quite so good as at other times. The Intermediate assembly room was about filled when the four B. Y. P. U.'s met Sunday evening. Those who heard the program by the Intermediate Union beginning at six o'clock were delighted with it. The program was original and very interesting.

At the evening hour a song service was held in place of the usual sermon. A number from Avondale attended and took part in the singing of the fine old hymns. The Avondale quartet rendered some fine numbers and Mr. Plemmons played a violin obligato to all their numbers, also the congregational singing. Mr. Goin Rollins and Mr. Plemmons used the violin and guitar to accompany the Avondale quartet instead of piano or organ.

The Lord's Supper will be celebrated on next Sunday morning. For quite a long while this service has been held on Sunday evenings, but it will be held next Sunday morning at this time.

Mr. M. C. Blanton and his class of men, generally known as the "Fathers' Class" will conduct the prayer service this week. It is hoped the pastor will be able to resume the study of "The Life of Christ" on the following Wednesday evening.

Account of the illness of the pastor the Friday night Bible Study Class will not meet this week.

Some of our people attended the Sunday School meet at Alexander last Sunday afternoon and we are glad that the next meeting on the first Sunday in March will be held with our church.

Troop No. 1 B. S. A. sponsored by the church held a meeting Monday night at which time they planned an oyster supper to be held in The R. R. Haynes Memorial building next Saturday evening at 7:00 o'clock at which time their fathers, members of the local committees will be their guests. This week is being observed as "Anniversary Week" all over the United States. Wednesday of this week, February 8, marks the 18th anniversary of Scouting in America. After their meeting Monday night they enjoyed a game or two and then they drilled for awhile in marching formations.

The Men's Bible Class certainly looked good last Sunday, having forty-five present with one or two visitors which shows that the different Group Captains and their men are at work. Mr. Hames, the teacher brought a fine message in his teaching. We think he gets better every Sunday.

The Young Mens' Berean Class has been invited to meet with our Class next Sunday and Mr. Hames will teach the lesson. At a later date the Mens' Bible Class will visit the Young Mens' Class and their teacher, Mr. O. G. Morehead will teach.

CLIFFSIDE LADY DIED TUESDAY

Mrs. Lily Jane Bridges Passes Unexpectedly After a Short Illness

Her many friends were shocked Tuesday morning to learn that Mrs. Lily Jane Pearson Bridges had passed out of this life at her home on the Shelby Highway at 2:30 a. m. Tuesday morning, February 7. Mrs. Bridges was taken ill on Thursday of last week, but none of her friends seemed to think her condition serious, nor did it appear to be serious until an hour or so before the end when suddenly she was seized with convulsions. The doctor was called, but she was past all mortal aid and soon expired leaving five children, most of them quite young and her husband who has been ill for several weeks. Mrs. Bridges was the daughter of Mr. and Mrs. William Pearson who for several years made their home here. Her father and three brothers and two sisters, besides her husband, Mr. Forest Bridges and the five children survive and with her friends mourn their loss.

This family has had quite a hard time for the past few years as the father's health gave way and there has been sickness in the home most of the time. About three years ago Mr. and Mrs. Bridges lost a little boy by death. Mrs. Bridges was nearing her thirty-eighth birthday which is in April. For several years the entire family have been among the most faithful attendants at all church services unless hindered by illness. Their loyalty has been inspirational. Mrs. Bridges with her husband was always present when possible and regardless of their bad luck and hardships they gave their tithe to the Lord's work. Mrs. Bridges will be missed by others besides the family.

As we write this funeral arrangements have not yet been fully made. The interment will be at Sharon Church in Cleveland County about two o'clock Wednesday afternoon. Rev. R. C. Smith who is ill at the parsonage will be unable to conduct the funeral, and we have not yet learned who will be secured. The church extends sympathy to the bereaved ones and will do everything possible for them in this hour of trouble.

World's Greatest Value

Looks it-Acts it and You Can Prove It— Altogether or Part by Part

The New Essex Super-Six is a delight to the eye—in lines, fine exterior appointment and careful finish. Inside, you receive an immediate impression of luxurious quality enhanced by every detail.

The high-backed, form-fitting seats are richly upholstered. Sitting behind the new slender black steering wheel you look out over the shining beauty of cowl, hood, saddle-type lamps, heavy arching fenders, to the winged figure that expresses the spirit and fleetness under your hand. And before you is the handsome grouping of dials and meters upon the new ebony instrument board. Starter and electro-lock are here, too.

Bendix four-wheel brakes give positive stopping action and a sense of greater security. All doors are weather-stripped. The body is of silenced construction. And, withal—you have the famous Essex chassis, powered with the Super-Six, high-compression, high-efficiency motor that turns waste heat to power, giving brilliant, sustained performance never before known in this field.

To see, to examine, to ride in the New Essex Super-Six can bring only one conclusion—it is the World's Greatest Value—altogether or part by part.
