Efird Store Appointed Outfitters

The Efird store of Forest City have been appointed official outfitters to the Boy Scouts of America in Rutherford county and are equipped to serve scout and scout troops in the county with regulation uniform and parts of other equipment.

Scouts and scout leaders are asked by the officials of the Piedmont Council to bear in mind the regulation that uniform can only be purchased by scouts or officials who present their membership cards at the time of purchase.

Neckerchief Colors

The following colors have been officially adopted by Troops of Rutherford county and are asked to comply with these regulations; Rutherfordton, Royal Blue; Forest City, red with yellow border; Spindale navy blue; Cliffside, black. Other Troops in the county are asked to apply for their official colors and are requested to state their first and second choice. Application should be made to the Piedmont Council, Boy Scout headquarters at Gastonia, N. C.

Summer Camp

Applications for Troop reservations for the Piedmont Council Summer Training Camp Lake Lanier are being received by the Council Headquarters. Scout Executive R. M. Schiele reports that many troops in the council have already registered for definite camp dates. It is expected that a record attendance will be had at the Piedmont camp this summer.

PRE-EASTER SERVICES

Special services will be held at the Main Street Methodist church next week. The services will begin at 7:45 each evening and will continue only one hour. It will be a time of worship in song and prayer, with a message by the pastor.

It is said that in Korea great placards are placed at crossroads on which is written this request: "If any of the Jesus people come this way, let them stop and tell us the story." How hungry they must be to hear the story of Jesus and His love! Next week we shall let our thoughts linger about the cross of Christ as we shall speak at each service about some word that he uttered while suffering there.

Let all Methodist make their plans to attend the services, and may we assure all the people of the city that they are cordially invited to come and worship with us.

M. F. MOORES, Pastor.

Mrs. G. P. Reid and Mrs. M. F. Moores, delegates from the local Methodist Sunday school, are in Salisbury attending the Western North Carolina Sunday school convention.

Important Announcement to every owner of a Model T Ford

ON MAY 25, 1927, when Henry Ford first announced his plans for making a new car, he announced also that he would continue to make parts for the Model T Ford. He said:

"The Model T Ford car was a pioneer. It blazed the way for the motor industry and started the movement for good roads everywhere. It broke down the barriers of distance in rural sections, brought people in these sections closer together, and placed education within the reach of everyone. We are still proud of the Model T Ford. If we were not, we would not have continued to make it so long."

For twenty years, the Model T Ford led the automobile industry and it still serves more people than any other automobile. Over one-third of all the automobiles in use today are Model T Fords—an indication of the sturdy worth of the car and its value to people in all walks of life the world over.

The Ford Motor Company will continue to make replacement parts for these cars "until the last Model T is off the road." That is a part of Ford service. That is what Henry Ford meant when he said: "We believe that when a man buys one of our cars we should keep it running for him as long as we can and at the lowest up-keep cost."

Because of this policy a considerable part of the Ford manufacturing plants is given over to the making of parts for the Model T Ford. These replacement parts are made of the same material and in the same way as those from which your car was originally assembled.

Make it a point, therefore, to see the nearest Ford dealer and have him look over your Model T Ford. You may find that a very small expenditure will enable you to get thousands of miles of additional service, and at the same time protect the money you have invested in your car.
