**Play "Fortunate Calamity." Well Received — School Commencement Program of Shiloh Consolidated School — Locals and Personals.**

Rutherfordton, R-1, March 26.—"A Fortunate Calamity." A comedy drama in three acts, was presented Wednesday evening, March 21, at Shiloh Consolidated school by the high school pupils. The play was directed by Prof. H. L. Wells and showed careful study and good talent on the part of both pupils and director. The cast was well selected and all carried their parts so successfully

as to make the play one of the best ever given at Shiloh.

Charlie Nash and Gladys Roach, as negroes, kept the audience in an uproar of laughter with their ready humor. Arthur Wilkie and Lizzie Thompson were excellent as hero and heroine. Alton Tate, as villain, with his accomplice, Orrie Robbins, lent a trend of suspense to the audience until the climax was reached when the villain was trapped by a revenue officer, played by J. B. Robbins. Elva Spurlin and Ila Bradley, others of the cast were all chosen for their parts and were at ease on the stage.

The capacity of the auditorium was

taxed to accommodate the large crowd who witnessed the play. Between acts the Pitts boys furnished several selections of string music which was enjoyed by every one present.

A free-will offering, taken at the close of the play, went to defray incident expenses.

The commencement program of the Shiloh Consolidated school will open Sunday, April 15, with the commencement sermon. The commencement proper will be held on Thursday and Friday, April 19 and 20.

The program is as follows: Commencement sermon, Sunday April 15. Thursday evening, April 19, opera by lower grades, Exercises by upper grades.

Friday morning, April 20, 10 o'clock, Invocation; 11 o'clock, address.

Dinner picnic style at noon. Recitation and declamation contests will be held at 1:30, followed with field day exercises at 2:30.

A play "The Path Across the Hill," by the dramatic club, will be given at 8 o'clock Friday evening.

**Chiropractic For Stomach Trouble**

Where the Gastric Nerve leading to the stomach is pinched (see second nerve in cut) you are having trouble not in your spine but with the function and activity of the gastric cells in the stomach where the pinched nerve ends.

Chiropractic spinal adjustment is absolutely the only thing that will relieve this pressure on the stomach nerves allowing free flow of nerve force from the brain down the spine to the gastric cells lining the stomach. This increases the activity and output of gastric juices relieving your indigestion and stomach trouble.

Chiropractic adjustments also relieve the cause of Constipation, Tonsillitis, Flu, Pneumonia, Kidney and Bladder Trouble, Nervous Headache, Neuritis and numerous kinds of Rheumatism, Sciatica, Lumbago.
