## To Conduct Revival at Cliffside

DR. ALBERT F. MAHAN

On Monday, April 23, Dr. Albert F. Mahan, of Etowah, Tenn., will arrive at Cliffside to begin a series of revival services at the Baptist church. Dr. Mahan is pastor of one of the most progressive churches in Tennessee. He was at one time with the Home Mission Board as an Evangelist, and was considered to be one of the most successful in the field.

Dr. Mahan is a strong pastor-evangelist. He is one of the most consecrated men known to the

writer. A man of deep piety, he always makes a deep impression on his hearers. His sermons are strong in doctrine and faith, with the demonstration and power of the Spirit.

Cliffside is fortunate in getting him to be with the church at this time. The church needs a revival and the members are praying for the out-pouring of the Holy Ghost in cleansing and saving power. The church invites all who can to be with us in body or in spirit to pray with and for us in the meeting.

## OUTSELLING ALL SIXES

## World's greatest value by this Nationwide Verdict

In all 6-cylinder history there has never been such spectacular acceptance of any car as that which everywhere greets the new Essex Super-Six. It is out-selling all other "Sixes", and its own previous records, by such outstanding margins as to leave no doubt of its leadership.

In some places its sales excel its former mark by 100%, 200% and 300%. In Detroit, for instance,

where automobile values are understood better than anywhere in the world, Essex sales have been greater than the next three "Sixes" combined.

Such success can only reflect an accurate and unmistakable public appreciation that Essex is the World's Greatest Value—Altogether or Part by Part—Please Compare.
