

## BANQUET GIVEN FOR MEMBERS OF TEACHERS SCHOOL

Rutherford County's First Teacher Training School Brought to a Close Friday Night.

Rutherfordton, May 1. — An enjoyable banquet was held at the Isothermal hotel here Friday evening by members of the Rutherford County Training Department.

Those present at the banquet were the ten graduates of the recent teacher training course, held at Central High school and were as follows: Misses Annie Hodge, Vinetta Hyder, Celestine Moore and Grace McBrayer, of Rutherfordton; Floy Jackson, Inman, S. C.; Rose Johnson, Union Mills; Mattie Elliott, Uree; Carrie McBrayer, Blonnie Morgan, Rutherfordton; Lucretia Hord, Lawndale and the teacher of the course, Miss Frances Whitney. In addition to these Mrs. T. C. Johnson, state supervisor of teacher training in the high schools, was present. Other guests included Prof. Clyde A. Erwin, Mrs. W. O. Geer, Mr. R. E. Price, Mr. Luther Edwards, and Prof. E. S. Teague, of Spindale.

Following the dinner short talks were made by Mrs. Johnson, Prof. Erwin, Mr. Edwards and members of the teacher training class, and by Miss Frances Whitney.

This closed the first year's course in teacher training in this county. During the year ten members have been enrolled. The school is held for the benefit of high school graduates and others who hold Elementary B. certificates and wish to raise them to an A. The department is operated under the State Department of Education. The Teacher Training department is very well equipped and more than meets the standards of the State Department of Education in this respect. Excellent facilities are available for practice teaching in Rutherfordton and Spindale Elementary schools.

Since Rutherford county is not employing any new teachers holding less than Elementary A certificate, an unusual opportunity is offered teachers to meet the new training requirements at a minimum expense to themselves. It is expected that a large number of High school graduates from the standard high schools of the county will enroll next year and also that many experienced teachers now holding Elementary B certificates will avail themselves of the opportunity to raise their certificates to the new minimum requirements.
